THE 1981 MINUTES DEDICATED TO WILLIAM GASTON CAMP

The Reverend William Gaston Camp was born on the south side of the First Broad River between Cliffside, North Carolina, and Chesnee, South Carolina, on December 4, 1886. His father operated a ferry boat transporting people and livestock across the river. His home became a way station for travelers delayed on their journey when the river was too high to cross safely.

A tragic experience, the accidental drowning of his young black friend, Mose, was a turning point in the life of the then seventeen year old Camp. Realizing that he and his friend had both delayed their decision to surrender their lives to Christ, William Camp was soon convinced that he should become a Christian. He made his profession of faith and was baptized into the fellowship of the State Line Baptist Church in September, 1903.

The exact time that he felt the call to the ministry, after becoming a Christian, is not remembered, but Reverend Camp does remember that it was six years later, while working as a clerk in a store in Gaffney, South Carolina, that he made his decision and requested the State Line Church to license him to preach. The church licensed him in August, 1909. This was quite a moment in the life of William Camp. His earliest recollections of ministers was "not the fondest." He never "admired" preachers and he stated that he "had rather walk than ride in the buggy with a preacher." Now he was one. The Boiling Springs Baptist Church ordained William Camp to the Gospel Ministry on October 11, 1914.

Reverend Camp began his formal education by attending the Boiling Springs High School. Living with his mother and sister, he attended school, tended his garden, and worked at odd jobs. Financial difficulties caused a postponement of his studies after completing two years at the Boiling Springs school. Returning to his home community, he taught school for two years. He returned to the Boiling Springs High School and graduated in 1916. William Camp then entered Wake Forest College in 1916. Again, he found himself doing numerous odd jobs — he worked his garden, milked cows, and he recalled that he and some friends even cut fire wood during the Christmas holidays. He recalled that since he was "the little man" they allowed him to handle the team and wagon while they cut the wood. While in Wake Forest College, he served churches in Lincoln, Wake, Cumberland and Orange counties. He served three churches in his last years at college. He recalled that none of the three ever paid a salary that covered his expenses.

After graduation from Wake Forest College in 1920 (Brother Camp remembers that his graduation thesis was titled "Religions of Ancient Egypt"), he returned to teaching in order to pay off debts he had incurred during his college years. He taught grades one through seven in Rutherford County for $30 a month. Moving to Cherryville and the seventh grade, he taught for two years at the amazing salary of $100 a month.

In 1943, he married Miss Julia McDaniel of Kings Mountain. Neither Reverend Camp nor Mrs. Camp would speculate as to just when they first thought of matrimony. They had met when young Camp was "helping in a revival meeting" at the Bethlehem Church where Julia was a member. Mrs. Camp did recall that she was in high school on the debating team and that this young preacher was supposed to be "good" at debating — so she sought out his assistance. The outcome was that she won the debate and established a friendship that would grow and blossom into marriage.

Reverend Camp served eighteen churches in his forty years of active ministry. Some of these he served twice and others he returned to as an interim pastor. His longest ministry was with the Sandy Run Baptist Church of this association. He served the church twenty-one years, 1937-1957, leading the church through a rebuilding program following a fire that destroyed the wooden church building. He remained to see the church go to a full time ministry (1953) and the church debt free. He was influential in leading the church to sponsor the work of a foreign missionary. Working with the Foreign Mission Board of the Southern Baptist Convention, the church sponsored Miss Frances E. Roberts of Columbia, South Carolina, as a foreign missionary. This sponsorship of Miss Roberts now spans thirty years. Miss Roberts will retire at the end of her present tour of service with the Foreign Mission Board.

After retirement, Reverend Camp taught for three and a half years at the Fruitland Baptist Bible Institute, Hendersonville, North Carolina. There he earned the reputation of an able and dedicated teacher.

Reflecting over his 95 years of ministry, Reverend Camp has many fond memories but many of his most vivid memories are related to the many baptismal services he held. He held his services almost everywhere — in ponds, rivers, streams, creeks, and once in a canal. He has a vivid recollection of a service held in a clear mountain stream where the water was so clear you could see the small white rocks on the bottom even after you had waded up stream to where the water was deep enough to hold the service.

William Camp is one of the few pastors who has been able to retire on the field that he actively served. Over the years since his retirement, he has become a good friend to each of the pastors succeeding him.

Reverend Camp's reputation is that of a good man, filled with the love of God, who has always been a hard worker, loving his family and neighbors, and always ready to go the second mile to help someone in need. It is with great pleasure that the churches of the Sandy Run Baptist Association dedicate these minutes in the honor of this "little man" who is such a "giant" for God, William Gaston Camp.

HISTORIES OF HOST CHURCHES

BIG SPRINGS BAPTIST CHURCH

Big Springs Baptist Church is located in Rutherford County, North Carolina, near Duncan's Creek, about fourteen miles north-west of Shelby and about the same distance east of Rutherfordton.

The church was constituted September 5, 1818 and became a member of the Catawba River Association. In 1840 the church was a constituent member of the Kings Mountain Association. Big Springs Church was one of the nineteen charter member churches that founded the Sandy Run Baptist Association on November 27, 1890.

The church has been very fruitful in the work of the Lord over the intervening years. The pioneers who charted the first group were few in numbers but strong in their cause. The small congregation met in various places throughout the community before finally deciding upon a permanent location. Even after choosing the location, where the "big spring" was, they still did not have a building in which to worship nor did they constitute themselves as a church. Although they did not constitute into Big Springs Baptist Church until September 5, 1818, there are records that show there was an organized church in 1816.

The first building was a log structure about 30 x 50 feet with a dirt floor and was heated by a fire-place. This one-room log hut was the first of a series of dreams which became realities. The second building was completed September 10, 1870. The third building dates back to October 10, 1908. The present building was completed January 8, 1956.

Following is a list of pastors who have served Big Springs Church: John Padgett 1824-1838; Lewis McCurry 1846-1848; Ransom Logan 1849-1850; Brison Padgett 1850; G. W. Rollins 1851-1876; J. M. Bridges 1877-1883; G. W. Rollins 1884-1890; W. F. Hull 1890-1892; A. T. Hollifield 1892-1903; A. C. Irvin 1903-1915; Gordon Washburn 1916-1931; D. F. Putnam 1931-1933; D. G. Washburn 1934-1938; A. M. Kiser 1939; B. H. Parker 1940-1945; R. G. Melton 1946-1949; I. V. Jones 1950-1953; W. L. McSwain 1953-1958; Leroy Sisk 1958-1961; Harold Delozier 1961-1967; Edwin McGinnis 1968-1979; Raymond Whitfield 1979-Present.

The Lord has truly blessed Big Springs Baptist Church with a rich heritage and history. Our prayer is that the Lord will continue to bless Big Springs Church in the future.

GLENWOOD BAPTIST CHURCH

Glenwood Baptist Church started as a mission of the Florence Baptist Church of Forest City, in 1948. The congregation first met in a garage building on Highway 74, east of Forest City. Later, a block building was erected on the Bostic Highway.

The Florence mission was organized into the Glenwood Baptist Church on Sunday, September 15, 1957. The church was constituted with 37 charter members. The church then elected three deacons, the Sunday School superintendent, the Training Union director, the WMU president and the Brotherhood president. The church then called the Reverend Harold Wilson as their pastor.

Under Reverend Wilson's leadership, a parsonage was built with the basement area used as Sunday School classes.

The present site of the church building was purchased in April of 1962 for $4,000. Under the leadership of pastor Floyd Seay, the church voted in April of 1967 to start construction on this site. In October of 1967, the church occupied the first section of the present building. A second section was completed in January, 1972.

Reverend Kenneth Brock was called as pastor in September, 1973, and under his leadership the present auditorium was built at the approximate cost of $130,000. The first service in this new auditorium was held on January 8, 1978.

The Reverend Robert Philbeck was called as pastor of the church in November, 1979. The church will celebrate its 25th anniversary in 1982.

DIRECTOR OF MISSIONS ADDRESS

OCTOBER 27, 1982

We have been experiencing a natural phenomenon all during this summer It has been called many names. It is a drought condition. As a spin-off of this condition that we have been in — a long spell without relief, without rain — someone said that if they had known that holding the associational open house would have caused it to rain, we would have held it three months sooner —a spin-off from this has been that those of us who are on well water have found our wells to be getting a little low. Some dangerously low. In some cases we went to the well once too often and the hole was dry. Then we would bring in the well diggers and they would dig us another well. But occasionally the hole they dug for us would also be dry.

What happens when God goes to his wells and finds them dry? God's wells are his saints.

Jesus told the woman at the well that he had the water and if she would just drink from him she would have water and never thirst again. I believe that. Jesus said that out of his believers would flow rivers of living water. . . and I believe this. But when the well goes dry, I wonder, I wonder if God doesn't ask himself some questions: "Have I wasted the resources that I invested in a man's life? I had such high hopes for such a large return but he has not produced for me. He has been unuseful in my service.

The Twenty-fifth chapter of Matthew at the 14th verse (Read Matt. 14-19)

We are God's resources. We are God's investments in the world. His People are those things that he invests to have return. We are his treasure. But, when the well runs dry, what happens?

This passage tells us a number of things. It tells us that God is master. He owns all - everything. Our lives belong to him. All that we are, all that we have, all that we would be, our talents, our capabilities, our abilities, our resources - all belong to God. I think we all agree with this. We are truly God's resources. We are his people that he has invested in and he expects return.

Now, God is always studying his people. He is looking very intently and Watching our lives. He is always looking, trying to find those servants to whom he can commit more of his treasure. He is looking for those who will be faithful servants of opportunity, faithful servants of talents, faithful servants of capacities, faithful servants of money, faithful servants of success.

God gives to us according to our several abilities. He does not give equally. We don't like to hear this, but it's true. God does not give equally. To one he gave five, to another he gave two, and to a third he gave but one. Some people seem to be endowed with that extra ordinary ability far and above and away more than others. But even in this we can be thankful to God for he does give to all of us something. God has not left any of us without some endowment. He has invested something in each one of our lives. This is the beauty and the grace and the glory of the Christian life.

Now, this passage also tells us something about ourselves. It is a curious fact that when you read and study the scriptures they reveal something about

ourselves. We find the passages are speaking about us and to us.

Preachers, when you preach, every member ought to feel that the message is directed to them. If they don't feel like you are preaching to them, about them, then you need to go back into your study and do some more work, because they need to feel this under your ministry.

In this parable, there we are. I don't think we are the five-talented person. If I would ask you, you would say no. I don't think we are the two-talented person. We are more comfortable when we see ourselves as the one-talented person. Yes, there we are: the one-talented servant.

"Lord, I didn't have much. You gave this one over here two talents. You gave this one over there five talents. And you only gave me . . . one. I knew you were a hard man and you reaped where you sowed not . . . and I was afraid."

And pastors, that's the thing that is holding the churches back. They are afraid . . .

"So, I buried . . . I buried my talent."

You talk about Nominating Committees seeking to find workers. You talk about Sunday Schools trying to fill leadership positions. The talent there is buried . . . buried.

"And I hid it to keep it safe. For I wanted to be sure nothing happened to it." Now, let's talk about this man. This was not an unusual thing to do in Jesus' day. You can't blame the man for it. He didn't have the safety deposit box and the heavy steel things we can go down and rent and lock up things. They weren't available to him. He did the thing he felt he could do for security reasons.

"I protected it. I kept it . . . I have it here. It's still just like you gave it to me and I give it back to you. I kept it safe."

This one-talented man is burdened with the sense of inferiority. Deep within all of us there is this sense of inferiority. Always, someone else can do it better than I. Even when we are over compensating . . . when we act superior . . . when we are in the midst of the spotlight . . . when the preacher is preaching . . . deep in our heart there is still the feeling of inferiority, because we are still part of the human race. When other people think we are so adequate, down deep we are saying, "I am not. I'm insecure. I can't handle it."

We are insecure because God made us insecure and he placed us in an insecure world so that in our insecurity we would turn to him that we might find security where we need to find it.

It is only human that I see myself with this man with one talent and I feel with him his inferiority. "I don't have much . . . I don't count for much . . . My talent is little . . . What can I do for the Master?" I hear my churches say that, "We are so small, we can't do much." I hear others say, "We are so big, so complex, it takes so much time, we are so involved, we can't do much." I hear it at both ends.

Our Sunday Schools are full of folks of the one-talented type. Our church pews are full of them who say that they are inferior. The world is full. God does not approve of this kind of self-pity. He has something to say to you and to me . . . and to all one-talented people.

The servant said, "I have only one talent." He tried to convince himself

that he was ordinary. That he didn't count. "I only have one talent . . . and I was afraid."

I wonder, do you know that kind of fear? In the midst of doing something deep down is the sense of inadequacy and you fear that the task won't be completed. Do you know what it is to face a situation and to know in your own heart that you are just plain scared. I imagine Brother Philbeck has felt that just recently. (Anti-alcohol vote)

I don't know how to cope with this and I'm inadequate. The one-talented man says, "Go and hide where it is safe. Don't get involved. Don't do things." That's the way that servant felt. He looked at the fellow with five talents and saw him wheeling and dealing with this one and dealing with that one and with the real estate men and the bankers and he saw him making money. He looked at the two-talented man and saw him doing the same things. They looked so at home in those circles. He looked at himself and he was inadequate. He was afraid.

The Master asked, "What are you afraid of?"

The answer is that "I was afraid I would lose what you had given me. If I lost it, I know you are a hard man . . ."

In this parable, the one thing that is untrue is that statement. The Master was a shrewd person but he wasn't a hard man. A hard man wouldn't have entrusted his riches to a slave. You see, we say to God, the reason I don't do it is that I might fail. The Lord answers, "What if you do fail?" Our answer is, "I'm afraid you would do something to me if I fail." So the question comes is God going to punish me or you for doing something in his name and failing in doing it? When I do my best for God and fail, is he going to punish me? If I'm not always a success in the kingdom's ongoing glory, am I tarnished?

The Scriptures come back and repeatedly tell us it is not success that God is looking for . . it is faithfulness. It is faithfulness that will be rewarded not success. God does not require that you succeed but he demands that you be faithful and that you try.

We have a loving Father. That's what the Scriptures tell us. Not a hard Father.

But the servant says, "I was afraid." This kind of unreasonable fear defeats the cause of God more readily than anything else that we can place upon it. The members develop a sort of mania for seeing themselves as failures before they even make the attempt. The Christian life suffers more in this area than anything else.

The Master answered the fearful one-talented man, "Thou wicked and sloughful servant." He called him sloughful — lazy — no account — He had a right to call him this. He adds one word that changes the whole thing. He said, you are a wicked, wicked man. Now, he didn't steal the money. He hadn't even borrowed it. He didn't throw it away. He didn't lose it. He had it probably just as shiny as the day it was given to him. He didn't waste his life in riotous living. He had done nothing wrong. Yet, he was a wicked man.

This is one of the few times that Jesus refers to people as being wicked. You do not have to be a murderer to be a wicked person. You do not have to commit heinous crimes. You do not have to be a drunkard. You do not have to beat your wife or children. You don't have to commit adultry. You can be a

good, honorable, decent, upright citizen who refuses to render stewardship of his life to God. One day you will hear Jesus Christ and he will say to you, you are a wicked person.

Why? Because it is sin not to take God seriously. What do the Scriptures tell us? "To him that knoweth to do good and doeth it not" — if you know what is right and you do not do it right — the Scriptures tell us, "to him it is sin."

We passed a resolution a few minutes ago and if we walk out and leave it knowing that it is sin, then we are wicked people.

If you know in your heart that your church is not in the path where God wants it to be and you don't do something about it, it's sin.

A blind man sat in his darkness. He heard strange voices around him. One of them was named Jesus. He heard that from someone calling to him. He heard this man Jesus clear his throat and he heard him split on the ground. And then to his amazement, he felt the slimy spittle being spread across his eyelids. The strange voice said to him, "Go, and wash in the pool of Siloam."

If you were that blind man, what would you do? Would you have gotten up and walked clear across Jerusalem to Siloam's pool and washed your face or would you have thought you were talking to a crazy man and taken the corner of your robe and wiped your face off? What would you have done? Would you have obeyed and been healed or would you still be sitting there in the darkness of your blindness?

Oh, you say, "I, I would have obeyed." Yet we do not obey the commands of God that we know and we have not received the blessings of obedience to those commandments.

In the end, the one-talented man, because he didn't use that which was entrusted to him, lost it all.

Our churches reflect this. Our insecurity. We reached some people last year but as I looked over the records, a church was very lucky if she remained stable — that is, if she broke even at the end of the year — if the members leaving didn't overshadow the ones received.

So, we are called satisfied. We are called contented. I believe the proper word is fearful. Fearful.

We are like the ten who reported back to the Israelites in the wilderness about the beauty of the land flowing with milk and honey. But you know it's full of giants and we would rather wander in the wilderness than to face a giant.

Our church records do not reflect the work of one person. Yet, we try to make them so. If our churches rely upon the pastor to turn these figures around, forget it. One person can't do it. There is no way.

How seriously do we take our commitment to Jesus Christ?

If we are to see the vision that was talked about last night become reality, then we must take our one talent and working together, make them many talents — many faceted talents that reach out and see this vision becoming reality in ministry for Jesus Christ.

Do you want this to happen?

If so, be obedient to the commands of Christ.

8. Moderator Owens introduced all the new pastors and church staff in the association present at this session. Pastors recognized were: the Reverend Charles C. Penley, Spencer; the Reverend Ray H. Belue, Hick's Grove; the Reverend Timothy Hendrick, Sandy Run; the Reverend Randy Wadford, Bostic First; the Reverend Johnny Bridges, Sulphur Springs; the Reverend Miller Freeman, Mount Lebanon; the Reverend Dan Hutchins, Mount Olivet; the Reverend Steven Ayers, Caroleen. Church staff recognized were: the Reverend Peggy Stout, Minister of Education, Forest City First; and the Reverend Arthur Yount, Associate Minister and Minister of Youth, Trinity. After the introductions, Reverend Owens offered the right hand of fellowship and welcome to these new workers.

9. Reverend Claude Simpson, Associational Annuity Board Representative, was recognized. He stressed the necessity of each church having adequate coverage for their pastors and staff members. We now have 50 churches participating in the retirement program with 61 members.

10. The Moderator called the association into its first business session.

A. Resolutions Committee: Reverend Guy Cabaniss, Pastor of Calvary Church and Chairman of this Committee indicated his committee was ready to receive resolutions should there be any. Procedures for making resolutions are explained in the Advance Books of Reports.

B. Nominating Committee: Acting for the Chairman, Reverend Otis J. Wheelhouse, Jr., Director of Missions, presented the nominating report. The officers and workers were elected as nominated.

C. Finance Committee: Acting for the Chairman, Reverend Dan Straw, pastor of the Florence Church and member of this committee, presented the Finance Committee report. The report was accepted. He then presented the proposed associational budget for 1981-82. This was given as information with the vote coming the following evening.

D. The Moderator called for any miscellaneous business. Director of Missions, Otis Wheelhouse, read as information a proposed amendment to the Associational Constitution as was presented to the Executive Board. The vote on the amendment will come on the following evening.

E. Moderator Owens asked if there were any who were visiting with us, outside of our own association. There were none.

F. Place and Preacher Committee: Reverend Paul Brock, Chairman, moved that the Ninety-third Annual Session of the Sandy Run Baptist

Association be held on October 25, 1982, with the Mount Pleasant Church, Rutherford, and on October 26, 1982, with the Shiloh Church. The Preacher for the Annual Sermon will be the Reverend Joe Richards, pastor of the Sandy Mush Church, with the Reverend Arthur Collum, pastor of the Trinity Church as the alternate. This report was adopted.

11. The Reverend Eugene Passmore, pastor of the Campfield Memorial Church and associational Cooperative Program and Stewardship Representative, was recognized by the Moderator for a Stewardship Report. Reverend Passmore encouraged the churches to stress stewardship. "God has given the churches and the association a challenge. The work is going to move forward. God is going to lay upon each church -- upon the heart of each leader, to see the need of the association and the Cooperative Program. I encourage you to pray about your giving. I encourage each pastor to study about and pray about this . . . one way to show that we do love Jesus is to do more in giving to our Cooperative Program and the association."

12. Mr. Curt Frederick led in the congregational hymn. "There Shall Be Showers of Blessings."

13. Moderator Owens called upon the Parliamentarian, Dr. Wayne H. Blackwood, pastor of the Bethel Church, to preside.

14. Reverend Blackwood called for the program reports:

A. Sunday School: Reverend Dan Straw, Associational Sunday School Director, presented this report. He reported a general decline in Sunday School attendance and enrollment all across the Convention. The "Back to Basics" materials will be a help to us in the reversing of this trend. The report was adopted.

B. Woman's Missionary Union: Mrs. Carolyn Hardin, member of the Bethany Church and Associational WMU Director, presented this report. We were challenged to see what could be done this year if we would let God work through us. This year let us remember as the WMU we are part of the church and stop trying to be a separate organization and be a part and see what we can accomplish. We need over $80 million for our mission offerings — Foreign Missions and Home Missions. This sounds like a lot but it is not a lot. If we give our time in prayer then we can thank God for we will get our offerings and we will not have a problem with this. The work of the WMU is not just taking offerings. The age-group organizations are important. Through them, many of our missionaries first felt the call to respond to foreign work. Program report was adopted.

C. Brotherhood: Reverend Carl Street, Pastor of Wilson Church and the Associational Brotherhood Director, presented this report. We can all be missionaries if we would just join our hands together. Program report was adopted.

D. Church Training: Reverend Herman F. Hicks, Minister of Education, Spencer Church, and Associational Church Training Director, presented this report. The theme for Church Training until 1985 is "Bold Growth in Discipleship." This is an expression of the Church Training

effort to carry out the scriptural mandate as found in Ephesians 4:11-16. The theme for this year is "Equipping for Church Growth." The emphasis next year, 1982-83, will be on the family. Program report was adopted.

15. The report from the Registration Committee was called for. Reverend Guy Cabaniss, member of this committee, reported 206 messengers and 31 visitors had registered.

16. Dr. Wayne Blackwood introduced Reverend W. Melvin Owens, Moderator, for the Moderator's Address.

17. Reverend Owens made a few remarks — last year he had a few small butterflies and they both had hickups. Following last year's moderator's address, the body voted on the purchase of some land. This year, I am more relaxed. Reverend Owens read Proverbs 29:15-20.

18. Mrs. Gloria Wells, accompanied by her daughter Lisa, brought the special music, "God's Eternal Day." Both of these ladies are members of the Mount Pleasant (R) Church.

19. Reverend Owens brought the message titled, "Where There Is No Vision, the People Perish." After the message, he called the Annual Session into a moment of silent prayer to pray for this association for God to give us the vision that we ought to have.

20. Reverend Owens then expressed thanks to the Big Springs Church for the facilities made available to the association and urged everyone to attend the second session of the annual meeting that will be held at the Glenwood Church.

21. Reverend Steven Ayers led in the closing prayer.

22. The Moderator adjourned the meeting to meet with the Glenwood Church the following evening.

SECOND SESSION

23. The Second Session opened at 6:30 p.m., at the Glenwood Baptist Church, Bostic, N.C., with the registration of messengers and guests.

24. The annual session was called to order by Moderator Melvin Owens.

25. The congregation was led in the singing of the hymn, "God of Grace and God of Glory," by the Reverend Charles Cabaniss, Music Director, Race Path Church.

26. The Reverend Robert Philbeck, pastor of the host church, welcomed the association to Glenwood Baptist Church. Reverend Philbeck requested Reverend Dan Straw, pastor of Florence Church, to stand. Reverend Philbeck indicated that the Florence Church had a vision about Glenwood Church years ago and that the Glenwood Church is here today because of the efforts of the people of the Florence Church. (Glenwood was a mision sponsored by Florence.)

27. Reverend Robert Philbeck spoke on the "white ribbon" effort of the Forest City area. Wearing the white ribbon indicates opposition to the Liquor-By-The-Drink vote to be taken in the Forest City area.

28. Reverend Timothy Hendrick, pastor of the Sandy Run Church, was

recognized for the evening's devotion. He read from 2 Cor. 5:17-19. Our task is to speak the word of reconciliation.

29. Reverend Paul Brock was recognized for a word about the program. Reverend Brock checked to see that all had registered. Those registering after entering the sanctuary were requested to pass their cards to the ends of the aisles to be picked up. A modified program had been given to the messengers as they entered. Inadvertently, some items were left out of the program as found in the Advance Book of Reports. Reverend Brock moved that the following modified program be adopted for the proceedings of the evening, replacing the program found in the Advance Book of Reports. The motion was seconded and passed.

ADJOURNMENT OF 92ND ANNUAL SESSION
BENEDICTION

30. Moderator Owens recognized the time for the Memorial Service. Reverend Wheelhouse, Director of Missions, requested that this time be passed and returned to later as the leader of this service was having difficulty getting to the meeting. By common consent, the Moderator moved to go into the business session and to return to the Memorial Service later. There being no objections, the program was advanced.

31. Second Business Session:

A. Finance Committee: Reverend Dan Straw presented the proposed budget for the association for the year 1981-82. Reverend Straw moved for the adoption of the budget. The motion was seconded. Discussion was called for. There was none. The Moderator called for the vote. The budget was adopted without opposition.

B. Election of the Moderator and Vice Moderator: Reverend Otis Wheelhouse was called upon to conduct these elections. Reverend Wheelhouse indicated that Reverend Owens had served the association faithfully and well for the past two years. The Constitution does not allow him to serve another continuous term. The Nominating Committee in seeking to fill this office, first approached the Vice Moderator, the Reverend Robert Toney, who asked that he not be considered for the office of Moderator, even though he had served us faithfully and well for the past two years.

The Nominating Committee brings to you as their recommendation for the office of Moderator, Dr. Wayne H. Blackwood, pastor of the Bethel Baptist Church. This committee places this name into nomination and seconds the motion. Nominations were also called for from the floor. There were none. A motion was made to elect Dr. Blackwood by acclamation. Motion was seconded and passed.

For the office of Vice Moderator, the Nominating Committee places into nomination the Reverend A. Graham Brooks, pastor of the First Broad Baptist Church, and seconds this motion. Nominations were also called for from the floor. There were none. A motion was made to elect Reverend A. Graham Brooks by acclamation. Motion was seconded and passed.

C. Properties Committee: This report was deferred, to be included in the printed minutes.

D. Evangelism Committee: This report was presented by the Chairman, Reverend Ad Hopper, pastor of Corinth Church. The report was adopted.

E. Resolutions Committee: Reverend Guy Cabaniss presented the following resolution:

WHEREAS, Christians Against Alcohol have taken a bold stand to defeat ABC stores entering Forest City,

WHEREAS, Baptists are known to believe, as stated in the church convenant, that we agree to abstain from the sale and use of intoxicating drinks as a beverage, and to be zealous in our efforts to advance the kingdom of our Saviour,

WHEREAS, we as Baptists are known to believe the Word of God, and the Word of God speaks against the use of intoxicating beverages,

BE IT THEREFORE RESOLVED that we, the representatives of the Ninety-second Annual Meeting of the Sandy Run Baptist Association, express our stand in favor of Christians Against Alcohol, and our opposition to the ABC stores entering Forest City, and we encourage our sister churches to present the need to their congregations to vote against the ABC stores entering Forest City.

This resolution was moved for adoption and if adopted would be reported to our newspapers. The motion was seconded. No discussion — and the motion carried.

F. Memorial Service: By common consent, the Memorial Service was placed into the line of business. Mr. Curt Frederick was recognized to lead in this service. Mr. Frederick reflected that in Paul's missionary journeys, he often spoke of being absent from the people he would like to be with but that he was with them in the spirit. These saints are departed physicially, but they too are with us in spirit. A period of quiet meditation was followed by prayer. Mr. Frederick sang, "From Everlasting Love."

G. Miscellaneous Business: The Moderator returned to the order of business. The motion to amend the constitution of the association was reintroduced. The proposed amendment would add the word "male" before the word "candidate" in Article VIII, Section 4, K, 2. The amended article would then read, "This Committee shall, upon request of a local church, arrange and conduct an ordination council for a male candidate for the gospel ministry or the deaconship." The amendment had been read the first night as required by the constitution. The motion to amend the constitution was made and seconded.

Reverend Dan Straw was recognized by the Chair to speak to this amendment. Reverend Straw indicated that he was the president of the Pastor's Conference but that he did not speak representing this body. Some good pastor friends are on one side of this issue, others are on the other side. This is true for our churches as well. For that reason, it is not wise that we adopt this constitutional amendment. It is not wise because I believe it will violate two of our Baptist principles. The first Baptist principle that I believe it will violate is the doctrine of the Priesthood of All Believers. Across our Convention, there are dedicated and spirit-filled Christians who differ on this issue. We have respected Biblical scholars in our Convention who also differ on this issue of whether or not women should be ordained as deacons and whether or not women should be ordained as ministers. Most Biblical scholars do recognize that there is a Biblical view for both positions. There is a genuine Biblical basis for different views. If each one interprets the Bible in accordance with God's guidance in their life and their own conscience — and we greatly value that freedom and that right — this constitutional amendment would violate that principle that we all hold dear.

The second principle that would be violated would be that of the autonomy of the local church. Whether we feel ordination of women to

be right or wrong, we do not have the right to dictate our beliefs to a sister church. Some churches in this state and other states have had ordained women for over a hundred years. The autonomy of the local church is something that we value.

Practical reasons also dictate the defeat of this amendment. Some of our sister churches already have ordained women. We can possibly hammer this thorny and sticky problem out, but in so doing we risk separating from our body those churches that feel the association is discriminating against them. As Baptists, we can trust the Lord to lead us and give freedom to our churches. The violation of the foundational beliefs of our faith would be another issue. This does not do that. We need to pull together.

Reverend Straw then moved for the tabling of the amendment. Moderator Owens reminded the messengers that the table motion is not debatable and takes precedent over the previous motion. The motion to table was carried.

32. The Moderator recognized the visitors from outside of our association. Introduced were: Mr. Harold Scroggs and Mr. Gary Ware, representing the Baptist Children's Homes; Mr. Edgar B. Haire and Mr. Jim Saul, representing the Baptist Homes; Mr. Carlos Young, representing the Baptist Hospital; and Mr. Howell Smith, representing the Baptist Colleges and the Wake Forest University.

33. The Moderator recognized the Director of Missions, Reverend Otis J. Wheelhouse, Jr., for the Director's Address. The scripture reading was from the Gospel of Matthew 25:14-29, with the message dealing with being "Faithful With One Talent."

34. Moderator Owens asked the congregation if they would stand in appreciation of a message like this. The messengers responded graciously. It was requested from someone in the congregation that if possible, the message be printed as part of the annual printed minutes.

35. The Moderator recognized Mrs. Pam McKeithan who was playing the piano for this session.

36. Reverend Charles Cabaniss led the congregation in the singing of the hymn, "At Calvary."

37. Institutional Reports:

A. Baptist Children's Homes: Mr. Harold Scroggs spoke of his work as a child care worker.

B. Baptist Hospital: Mr. Carlos Young speaking of the hospital stated it has grown from an 80-bed hospital in 1923 to over 700 today. Your hospital is a teaching and referral hospital. Doing together, we do what we can't do as individuals or as individual churches.

C. Christian Higher Education: Mr. Howard Smith represented Wake Forest University and the Colleges of the Convention. It is important for us to support our privately-funded schools. The second thing is that God is still at work at Wake Forest University.

D. Baptist Homes: Mr. Edgar Haire, speaking for the Baptist Homes, said we have some 300 spaces in our homes. We could brag where we have

come from — but this segment of our population is growing faster than we can address. We are operating literally on a shoestring. There is an urgency for our support. Half of the people in the homes are beneficiaries of our mission gifts. You are invited to visit the homes and see what is being done.

E. The Clerk, Mrs. A.K. Wheelhouse, at the request of the Moderator, reported on a letter received from Campbell College. This was the annual report of the college to the association.

38. Moderator Owens reported that we were ahead of our schedule by about 30 minutes and asked if there were any other representatives present who would like to speak to us. There were none.

39. The Resolutions Committee was recognized. Reverend Guy Cabaniss presented the following resolution:

WHEREAS, the Big Springs Baptist Church and the Glenwood Baptist Church have provided so graciously for our Ninety-second Annual Session, and

WHEREAS the members of these churches have worked so wonderfully to help us park, to provide for our comfort and to aid our Program and Registration Committee,

BE IT THEREFORE RESOLVED that we express our grateful thanks for their welcome and for the privilege of meeting with them at these churches. This resolution was approved by the messengers.

40. Reverend Broughton Strickland, pastor of the Broad River Church, and Chairman of the Associational Dedication Committee, was recognized. This committee recommended that the 1981 Annual Minutes be dedicated to the Reverend William Gaston Camp. The motion was seconded and carried.

41. A report from the Registration Committee was called for. Reverend Paul Brock reported 210 messengers and 26 visitors had registered.

42. The Moderator recognized Mrs. Max Toney to introduce the speaker for the Annual Sermon. Mrs. Toney, member of the First Baptist Church of Henrietta, introduced her pastor, the Reverend James Yelton, stating that he was a native of Henrietta and had been pastor of this church since 1966.

43. Mrs. Sandra Harwood, daughter of Reverend James Yelton, presented the special music, "To God Be The Glory." She was accompanied by her sister, Miss Geovinna Yelton.

44. Reverend James Yelton brought an inspiring message concerning "Reaching the Fields for Harvest." His scripture was from John 4:35.

45. The Moderator recognized the Director of Missions for Special Awards that were to be made. In an effort to stress a felt need in the association last year, we began recognizing churches in the area of self-improvement study, particularly in the area of Sunday School work and Church Training work, on the number of study course awards earned by members of the church during the past year. The awarding of these plaques are based upon the Sunday School Board's records passed to us by the Baptist State Convention Sunday School Department. I know many of our churches earned more than are shown. These will probably come out of the computer next year. Some of our churches do not report their studies. Thirty-three churches reported

receiving study course awards.

A. The Sunday School Award for 1980-81 goes to the Bethel Baptist Church. Mr. Jack Greene, Director, received the award for the church.

B. The Church Training Award for 1980-81 goes to the Bethel Baptist Church. Mr. Earl Green, Director, received the award for the church.

C. The General Study Award for 1980-81, goes to the Bethel Baptist Church. Dr. Wayne Blackwood, pastor, received the award for the church.

D. Reverend Wheelhouse presented to the Moderator, Reverend Melvin Owens, a plaque of appreciation for his service as Moderator for the past two years.

E. Reverend Wheelhouse also has a plaque of appreciation for Reverend Robert Toney, Vice Moderator, for his service over the past two years. Reverend Toney was unable to be present at this session so the Director will present the plaque at a later date.

46. Reverend Melvin Owens requested that Dr. Wayne Blackwood and Reverend Graham Brooks join him on the platform. Reverend Owens congratulated these men upon assuming their positions of leadership.

47. Reverend Owens closed the Ninety-second Annual Session commenting we need more unity, more togetherness than ever before in our history. Will we resolve that we are going to do just this? We are serving a great God! If we don't do our part, it won't be done. My prayer is that together we will resolve to move onward and upward for the glory of God!

48. The meeting was adjourned with prayer led by Dr. Wayne Blackwood.

EXECUTIVE BOARD MEETING SUMMARY

The Executive Board of the Sandy Run Baptist Association met in conference five times between the sessions of the annual meetings of October, 1980 and October, 1981. Four meetings were the regular quarterly meetings and one was a called meeting.

CALLED MEETING DECEMBER 9, 1980

1. Twenty-three churches were represented by 11 pastors and 27 representatives.
2. Mr. Jerry Carter, Chairman of Trustees, reported that the three lots owned by the Association in the Sandy Mush area were to be sold to Mr. Tommy Bradley of Columbia, S.C., for $9,500, on the morning of December 10, 1980. He advised the Board that the Sisk property was to be purchased on the afternoon of December 10, 1980. As of this date there was no progress to be reported on selling the dwelling located at 600 East Main Street in Forest City.
3. Rev. Robert Toney, Vice Moderator and Finance Committee Chairman, advised that we were obligated, according to the County Tax Supervisor, to pay back-taxes on the lots in Sandy Mush before the sale could be finalized. The taxes would be assessed for the past five years plus the current year. The normal penalty that would have been charged was not being assessed because we had not been informed that the taxes were due. The lots did not fall under the exclusion of being owned by a non-profit organization because no use had been made of the property by the association.

   The note to be signed purchasing the Sisk property was explained to the Board. The heirs of the Sisk estate will carry the note for a period of two years at 12% interest. A total of $20,000 is to be paid march 1, 1981. Thereafter, quarterly payments of $5,276.77 are to be made beginning June 1, 1981, until December 1, 1982, at which time the balance of the note will be due.
4. Mrs. Sophia Bradley, Chairman of the Nominating Committee, presented a Nominating Committee report. The following were nominated for the year 1980-81 for the office described: Mr. Webb Hunt, Jr., Trustee (82); Rev. G. Daniel Straw, Sunday School Director; Mr. Dudley Cochran, Baptist Foundation Representative; Mrs. Polly Branch, Nominating Committee member; Rev. Malone Thomason, Properties Committee; Dr. Charles Cobb, Resolutions Committee; Rev. Glenn Rushing, Social Concerns Committee; Mr. Clyde Mauney, Senior Citizens Representative; Rev. Glenn Walker, Youth Director; Rev. B. M. Strickland, Rev. Olen Kendrick, Rev. B. A. Cooper, Mr. Jack Ayers, Dedication Committee. The motion was made and seconded to elect the above. Motion carried.

QUARTERLY MEETING JANUARY 26, 1981

1. Twenty-one churches were represented by 14 pastors and 25 representatives.
2. Reports were made by the Committee Chairman and the Program Directors.
3. The Properties Committee recommended that the small house located on the associational property continue to be rented to the family presently living in the house for the rent presently being paid, $65 per month. Motion passed.
4. Rev. James Yelton and Rev. Hubert Street were reelected as Members-at-Large of the Executive Committee of the Executive Board, for the year 1980-81.
5. A recommendation was made by Dr. Wayne Blackwood, that this association "go on record" supporting the area-wide crusade that is scheduled for July 26 through August 2, 1981. A motion was made to this effect and passed.

QUARTERLY MEETING MARCH 30, 1981

1. Twenty-one churches were represented by 11 pastors and 20 representatives.
2. Rev. Melvin Owens informed the Board of the death of Mr. R. U. Brooks, a representative to the Board from the Campfield Memorial Church. Mr. Brooks' support of the association and his recent efforts at fund raising for the payment of the associational property were seen as examples for us all to follow. Mr. Brooks will be greatly missed.
3. The Goode's Grove Church was removed from their period of associational watchcare and welcomed into full fellowship of the association.
4. The Program Directors and Committee Chairmen reported.
5. The Properties Committee reported that the offer of $17,300 for the house at 600 East Main Street had been accepted by the Trustees.
6. The Pilgrim Church requested approval of their request to the Baptist State Convention for Church Site Aid. Their request was approved.

QUARTERLY MEETING JULY 13, 1981

1. Twenty churches were represented by 27 representatives and 10 pastors.
2. Reports were made by the Program Directors and Committee Chairmen.
3. The Site Aid request made by the Pilgrim Church was approved by the State Convention.
4. Gardner-Webb College requested that the association designate November 15, 1981 as Ministerial Education Day in the Association. This request was approved.
5. Mr. Ben West reported on his recent missions trip to West Virginia. He urged that this association consider financial assistance to this area. His request was referred to the Finance Committee.

QUARTERLY MEETING SEPTEMBER 28, 1981

1. Twenty-four churches were represented by 30 representatives and 14 pastors.
2. Reports were made by Committee Chairmen and Program Directors.
3. Rev. Paul Brock, Chairman of the Program/Registration Committee presented the program agenda for the Annual Session as information.
4. Rev. Robert Toney, Vice-Moderator and Finance Committee Chairman presented and discussed the budget proposal for 1981-82.
5. Rev. Eugene Passmore, Stewardship Chairman, made a motion that a Long Range Planning Committee composed of five members be appointed by the Moderator to make a usage study and to bring recommendations for the future development of the associational property. This committee would be in addition to the Properties Committee but would work with and consult the Properties Committee. Motion passed. Rev. Passmore made a motion that the Moderator appoint a committee as a fund raising body to help generate revenue to pay off the debt on the associational property as quickly as possible. This committee would be in addition to the Finance Committee. Motion carried.
8. The proposed Constitutional Amendment that was presented at the September 29, 1980, Executive Board meeting and ruled too late to be handled in 1980 and carried over to 1981, was restated as information. The proposed amendment is designed to change Article VIII, Section 4, K 2. This amendment had been introduced by Rev. Robert Philbeck and Rev. David Blizzard. The amendment would be read at the first session and acted upon at the second session of the Annual Meeting.
9. The Associational Calendar for 1981-82 was presented as information.
10. Open House for the new office, hosted by the Associational WMU organization, will be held on October 18, 1981. In the event of rain, the Open House would be rescheduled for October 25, 1981.

PROPERTIES COMMITTEE REPORT

The Executive Board meeting on September 29, 1980, directed the Properties Committee to evaluate the proposed purchase of the A. H. and Daisy Sisk Estate as a future site for the Associational Office and if impressed, to secure the property with earnest money until the October, 1980 Annual Meeting. This was done and earnest money in the amount of $1,500 was paid on October 6, 1980.

The Annual Session, meeting on October 26, 1980, voted to purchase this property. The Trustees of the association then began the purchase procedure:

‡ On December 10, 1980, back-taxes levied by the Rutherford County Tax Collector on the three lots in Sandy Mush in the amount of $337.80 were paid. The taxes were levied because the property had not been used for any specific religious purpose. The usual penalty for late or non-payment of property taxes was not levied as the Tax Office had failed over the years to bill the association for these taxes. Taxes for the current year and the five preceding years were levied and paid.

‡ On December 10, 1980, the three lots in the Sandy Mush area were sold to Mr. Tommy Bradley of Columbia, S.C., for $9,500.

‡ On December 10, 1980, the Sisk estate was purchased from Mrs. Ruth S. Hamrick as Trustee for all the A. H. and Daisy Sisk heirs, for $90,000. The Trustee of the estate financed the property at 12% interest. A down-payment of $11,500 was made by the association. This included $1,500 already paid as earnest money on October 6, 1980 and $10,000 paid at the time of purchase, December 10, 1980. Payments will be made quarterly with the note maturing in two years with the rate of payment based on a five-year repayment schedule with the last payment being the remainder of the note. The first quarterly payment was made on March 1, 1981, in the amount of $20,000 (includes interest). The quarterly payments thereafter will be $5,276.77, until the final baloon payment is due on December 1, 1982.

‡ The property at 600 East Main Street, Forest City, was sold to Mr. Farrell Roger Cole of Forest City, for $17,300, on June 2, 1981.

‡ A special committee to be named by the Moderator will work with the Properties Committee to plan long-range usage of the property.

FINANCE COMMITTEE REPORT

The Trustees of the Association purchased the A. H. and Daisy Sisk Estate on December 10, 1980, for $90,000 with a down payment of $11,500 and a two-year note at 12% interest.

The Annual Session of 1980, had accepted the proposal of the Finance Committee to finance the property independently of the annual associational budget. The Finance Committee was to develop a long-range plan based on proportional giving for each church with a fixed goal for each church set.

This plan was developed and presented to the churches by letter on December 3, 1980. The plan set a church goal of $9.50 per Sunday School member based on the reported average Sunday School attendance. Many of our churches would be able to easily exceed this goal and they are urged to do so.

Our churches are urged to meet this goal as quickly as possible in order to pay off the note with the least amount of interest to be paid. The following churches have already responded to this challenge and are either now paying or have already met their goal: Adaville, Bethel, Bostic First, Broad River, Calvary, Campfield Memorial, Goode's Creek, Gray's Creek, Hick's Grove, Lavonia, Mt. Harmony, Mt. Lebanon, Mt. Olivet, Mt. Pleasant (C), Mt. Pleasant (R), Piney Mountain, Prospect, Sandy Run, Shiloh, Smith Grove, Spencer, Temple, Trinity, Walls and Wilson.

The property at 600 East Main Street, Forest City was sold on June 2, 1981 which added an additional $17,300 to the Building Fund. It was the consensus of the Executive Committee and the Finance Committee that this money should be kept in the savings account to be used in completing the relocation expense of the associational office (electrical outlets, doors, work counters to be aded, etc.), and for the quarterly loan payments until such time as the church donations make it feasible to pay off the note in advance.

BAPTIST CHILDREN'S HOMES REPORT

The Baptist Children's Homes were started in 1885 as the Thomasville Baptist Orphanage. As the needs of children and families evolved through the years, so have the philosophy and the services offered by the Christian Multiple Services Institution, which is now known as the Baptist Children's Homes of North Carolina. The General Administrative Offices are still located on the campus at the Mills Home in Thomasville, N.C.

The services offered by the Childrens Homes reach out through a number of stratigically located offices around the state. These services are much needed in the effort to provide good care for needy children as well as ministering to and counselling the families involved. It is our Christian duty to care for those less fortunate than ourselves. We, as Christians should rejoice in the ministry provided by the Homes.

The Agencies affiliated with the Baptist Childrens Homes are:

Baptist Childrens Home Family Resource Center, Thomasville; Burlington Emergency Home, Burlington; Cameron Home, Cameron; Hickory Area Social Work Center, Hickory; High Point Emergency Care, High Point; Mills Home, Thomasville; Wall Home, Wallburg; Family Service Center, Charlotte; Charlotte Emergency Home, Charlotte; Asheville Social Work Center, Asheville; Broyhill Home, Clyde; Craig Cottage, Ridgecrest; Maternity Home, Asheville; Thermal Belt Youth Shelter, Forest City; Henderson Emergency Home, Henderson; Kennedy Home, Kinston; McNeill Home, Morehead City; Odum Home, Pembroke.

PROPOSED AMENDMENT TO THE ASSOCIATIONAL CONSTITUTION

This amendment was presented to the Executive Board meeting of September 29, 1980. The required period of advance notification had not been met and the amendment proposal was ruled out of order for 1980 Annual Session. The proposers of this amendment, Reverend Robert Philbeck and Reverend David Blizzard, requested that the amendment be placed on the agenda for the 1981 Annual Session. The Executive Board agreed to this action.

The change is proposed in Article VIII, Section 4, K 2.

This section deals with the duties of the Ordination Committee.

K, 2 presently reads: This Committee shall, upon request of a local church, arrange and conduct an ordination council for a candidate for the gospel ministry or the deaconship.

The amendment proposed would add the word *"male"* before the word candidate.

The amended K, 2 would read: This Committee shall, upon request of a local church, arrange and conduct an ordination council for a male candidate for the gospel ministry or the deaconship.

CHRISTIAN HIGHER EDUCATION REPORT

The Council on Christian Higher Education has published a small book, designed for study in the churches. The title of the book is ON MISSION: THE CHURCH/COLLEGE ALLIANCE. By means of a complementary copy to pastors, mailed on September 1, 1981, the colleges hope to create interest among the churches for studying the book.

Copies of the book will be sent free of charge to those who request it. A study guide is also available.

The 1981-82 school year is filled with financial uncertainties across the nation. North Carolina Baptist Colleges, where a total of 19,751 students were enrolled last year, are grateful for the generous and growing support through the Cooperative Program and the North Carolina Missions Offering. In addition to dollars, the enrollment of more Baptist young people from the churches is a major emphasis of your colleges and universities. Thank you for your faithfulness in the development of college-related churches.

CHURCH TRAINING PROGRAM REPORT

"M" Night was again well attended.

A training conference was held on the usage of Church Training Literature.

The Associational Church Training Team (ACT) is taking definite form. With the new materials being produced this year, we are hopeful of seeing an increase in CT enrollment and attendance.

Training for Discipleship is not an option for Christians. It has become a basic necessity for our time. This means that each church must provide an opportunity for training of her members in the Disciple Life Style.

Your Associational Church Training Team is ready to help your church start a CT program or to help you improve your present program.

CHURCH TRAINING - IT'S THE CHRISTLIKE THING TO DO!!!

CONTINUING EDUCATION REPORT

Four classes were offered in the Seminary Extension courses this past year. Because of the enrollment requirements, "How To Study The Bible" was the only course that was taught.

With this one course "under our belts" we look forward to the first of the year when other courses will be offered.

Graham Brooks, Director

STEWARDSHIP REPORT

Our churches gave $3,827,657 in total offerings last year. This year we expect this figure to be increased. With 62 of our 64 churches reporting, our church income for the year now stands at $3,821,623.

The Cooperative Program gifts incresed from $266,281 in 1979-80 to $283,878 this year. The gifts to the Associational budget increased from $34,425 to $35,901.11

All other Mission gifts increased from $253,478 to $261,785.

OUR TASK IS STILL BEFORE US . . .

The Cooperative Program gifts now should be well oer $300,000.

The gifts to the Associational Missions Program now should be more than $75,000.

Our church gifts are the only source of income for our association. If our associational misions program is to grow and become a viable mission agency, it must be financially supported by our churches.

The goal of 3% of church offerings for associational missions is not unrealistic. Some of our churches are at or very near this level now. These churches are congratulated — but we urge you to continue upward in your support.

The majority of our churches, however, still struggle with a gift of less than 1%. We urge you to begin a steady increase in your gifts to the association until the 3% goal is reached.

As each Christian is urged to become a tither as his basic stewardship duty, each church needs to become a tither. It is only as we go beyond the tithe that we begin to "bring our gifts unto the Lord."

CATCH THE VISION OF BOLDNESS!
BECOME BOLD STEWARDS FOR CHRIST!

Eugene Passmore, Representative

MISSIONS COMMITTEE REPORT

This Committee is charged with the planning of activities that will help to meet the mission needs of this association. This committee is also charged with the enforcement of Article III of the Associational Constitution.

This year has seen the preparation and planning for the "Here's Hope" joint crusade that will be held across North Carolina in 1982. Your Committee is available to help your church in this preparation period.

DEDICATION COMMITTEE REPORT

The Dedication Committee recommends that the 1981 Annual Minute Book be dedicated to the Reverend W. G. Camp.

Reverend Camp served this association for twenty years as the pastor of the Sandy Run Baptist Church, from 1937 until 1957. In 1940, he also served as pastor of the Mount Pleasant Baptist Church of Cleveland County. This was a field with the Sandy Run Church.

Reverend Camp served this association in his active ministry and in his retirement. He is a great inspiration to all who know him.

This Committee recommends that Reverend Camp's picture and a short biographical sketch be used in the dedication.

SOUTH MOUNTAIN BAPTIST CAMP REPORT

Theme: "Maturing in Christ"

Your SMBC continues to reach thousands for Christ. Some trust Him as Savior and Lord. Others grow spiritually and get involved in world-wide missions through prayer.

As we gave special consideration to our theme and studied the ministry of prayer, we became more aware that there is great possibility for everyone in reaching the whole world for Christ. We emphasized the fact that we can give prayer support to the total efforts to make Christ known throughout the world.

Knowledge of local and world-wide needs and the commands and promises of what God will do when we passionately pray, has inspired 1,098 to commit themselves to pray 15 minutes daily for world missions. Including the staff, we averaged 183 each week in attendance. There were 217 saved, 467 rededications and 28 made a commitment for special service.

Thousands of those who attended weekend retreats and visited our services were challenged and blessed.

Those who pray for us will want to know these current needs: the usual maintenance, painting, reroofing cottages (already begun), repairing and purchasing equipment; the camp executive committee has purchased the Bessemer City cottage which houses 29 campers. These are all open doors for you and your churches to make an investment in this great work.

BROTHERHOOD PROGRAM REPORT

Our Men and Boy's Rally was held at the Campfield Memorial Church on November 4, 1980. Randy Punty, a Gardner-Webb student and a member of the track team, was our guest speaker.

The Brotherhood Training Workshop was held at the Adaville Church on May 4, 1981. A special team of State Workers led the conferences for all age groups.

The Crestview Gray men's softball team won the state Baptist Men's Softball Tournament. This is the second year that this tournament has been held and this is the second year that a Sandy Run Associational church team has won the championship. Race Path's mens team won it last year and gave it a good try this year.

Statistically, the Brotherhood Program should show a slight increase over last year.

Men and Boys need Mission Training . . . Your Church needs Mission

Training for Men and Boys. Let's make 1981-82 the year of the Brotherhood growth explosion in the Sandy Run Association.

SUNDAY SCHOOL PROGRAM REPORT

The Associational Sunday School Improvement and Support Team (ASSIST) was fully staffed this past year. The team members are: Rev. Dan Straw, Director and General Officer Consultant; Rev. Jack Maguire, Adult Consultant; Rev. Glenn Walker, Youth Consultant; Dr. Wayne Blackwood, Mrs. Brenda Toney, Rev. Eugene Passmore, Childrens Consultants; Rev. Vernon Buchanan, Preschool Consultant.

Two Major training events were held this past year. The Vacation Bible School Clinic was held at the Florence Church on April 27-28, 1981. This was a successful clinic.

The Sunday School Preparation Clinic was held on September 15-16, 1981, at the Adaville Church. The new Basic Sunday School study course books were taught. This was also a successful training event.

The Sunday School Rally was held at the Crestview Church on September 8, 1981. The Attendance Award was won by the Wilson Baptist Church. This was the third consecutive year that the Wilson Church had won this award. The old Attendance Award was retired by the Wilson Church and this becomes a part of their church archives. A new award plaque will be introduced at the 1982 Rally.

The statistical records from our churches this year are not encouraging. It appears that our overall enrollment and average attendance will be down from last years report. VBS enrollment will likely be down also.

This is difficult to comprehend. We have, perhaps, the best literature now produced. People are more open to the study of the Bible than ever before. These two facts should indicate an upswing in enrollment and attendance. The unmeasurable factor is our effort to involve people in Bible study.

We must take Sunday School work seriously. We must turn this downward trend around. Let your ASSIST team help you this year to REACH BOLDLY FOR BIBLE STUDY.

Respectfully submitted,
Dan Straw, Director

ORDINATION COMMITTEE REPORT

The Ordination Committee is a service committee of the association. When properly requested, this committee will convene the Ordination Council of the association which is composed of the active pastors and deacons of the association, to examine prospective candidates for the pastorate and deaconate.

The Ordination Committee has been directed by the Executive Committee to convene the council only for those persons called to a specific place of ministry in a church (pastor, staff member or deacon).

This committee convened the Ordination Council once this past year. At the request of the Glenwood Baptist Church, the Council met to examine Crawford (Jack) Martin, who had been called as the Chaplain of the Rutherford Nursing Center. The candidate was approved by the Ordination Council.

RECREATION COMMITTEE REPORT

The past softball season was one of the very best that we have had.

Three leagues were in operation: the Men's League with four divisions and 29 teams; the Women's League with two divisions and 19 teams; the Youth League with two divisions and 23 teams. Thirty-five churches fielded 71 teams. This represents a minimum of 994 team members. The actual figure would go well over one thousand.

A pre-season Early Bird Tournament, four post season tournaments and a special men's play-off tournament were held.

Bethel Church took the Youth I regular season championship and went on to capture the tournament championship. Mt. Harmony Church won the regular season championship in the Youth II division. Bethel Church won the Youth II tournament. In the Women's I division, Bethel Church and Floyd's Creek Church tied for the regular season championship. Floyd's Creek Church won the Women's combined tournament. Sulphur Springs Church was the division II regular season champions. In the men's league, Crestview Gray team and the Adaville Church shared the division I regular season championship; First Church, Bostic was the division II champion; Cliffside Church won the division III season championship; Race Path's team 1 won the regular season championship in division IV. The Bethel Church's men's team won the combined men's tournament.

Two of our men's teams were invited to participate in the Second annual Baptist Men's State Softball Tournament. a mini-tournament was held with the division champions to determine the teams that would represent the

association. Race Path 1 and the Crestview Gray teams earned the two places. The Crestview Gray team went on to become the Baptist Men's State Champions. This has given the Sandy Run Association the championship two consecutive years. (Race Path won the first tournament held last year.)

Four organizational meetings were held in organizing the leagues.

Two official protests were made this year. One was handled by the division captain and the Softball Commissioner. The other protest was handled by the Recreation Committee.

A number of ideas are being considered to enlarge the associational recreation program.

A special "thank you" goes to the members of this committee who so ably assisted me this year.

Each church is requested to elect a Church History Committee. This church committee is urged to write a history of their church, as complete as possible, in the years remaining before 1989 and then to produce a condensed version of this history for the associations records.

Training is planned for these church History Committees on the associational level.

BIBLICAL RECORDER REPORT

The Biblical Recorder is the most valuable religious magazine in North Carolina for Baptists. It keeps us informed on religious news and especially on news pertaining to Baptists. It is the best means of keeping us guided, challenged and unified in the work of our blessed Lord. It supports and keeps us informed on the plans and programs we Baptists adopt. How would we have known about the things that happened at the Southern Baptist Convention last June, for example, if the Recorder had not reported them? A little over a month ago there was an abundance of news on State Missions in the Recorder. Without this our State Missions Offering would have hit bottom. In a week or so our Baptist State Convention will be meeting. How will we be informed about this important meeting if not through the Recorder? Our Foreign Missions Offering, the Lottie Moon Christmas Offering, is upon us. This offering is of tremendous importance. It usually just about equals the amount we give to Foreign Missions through the Cooperative Program. The Recorder will faithfully promote this offering.

There is a close correlation between Cooperative Program giving and the Recorder subscriptions according to the records. In our association, there are 19 churches in the Club Plan with 348 subscriptions and 19 churches in the Church Budget Plan with 1,491 subscriptions to the Recorder - a grand total of 38 churches with 1,839 subscriptions.

If you are not taking the Recorder, you are missing something vital to your

Christian life. The cost per issue is still less than one-half the cost of a first class postage stamp. Surely, every church and every family can afford the Recorder.

As your associational Recorder Representative, I will be glad to come to your church and present the Recorder subscription plans and help you order the Recorder for your church families.

PROGRAM-REGISTRATION COMMITTEE REPORT

The Program Committee's efforts are reflected in the program agenda found elsewhere in this advance book of reports. When this agenda is formally adopted it will become part of the proceedings for this annual meeting.

The policy of the Baptist State Convention makes available to the associations video cassette tapes rather than convention personnel as the media through which the State Convention would be represented at the associational annual meetings. The Program Committee felt that this type presentation would not be suitable in our situation and our plans were made not to use this media.

The proposed agenda is an attempt to provide a balanced program while carrying on the main business of the association.

BAPTIST HOSPITAL REPORT

During the past decade, life expectancy in this country has increased by three years, to 73.2 years. Important factors in this increase have been the development of new medical knowledge gained through research.

Baptist Hospital has had a significant part in this developing knowledge

and technology. During the past year, the hospital has expended more than $3 million on technological equipment, including the installation of an 18-MEV linear accelerator for the improved treatment of patients with certain types of cancer. A new cardiac-catherterization laboratory increases the capability of identifying and locating heart problems. A cell saver, the first in North Carolina, contributes to the recovery of many surgical patients. This technology salvages the patient's own blood, cleans it and readies it for transfusion back into the patient in a matter of minutes - making transfusions faster and less expensive. The diagnosis and treatment of epilepsy has been greatly enhanced by the development of a video telemetry system which uses cameras to record a patient's physical symptoms during a seizure, thus enabling the physician to determine the precise drug and dosage needed.

Again this year, our hospital has won awards in cost effectiveness programs, indicating our continuing efforts to keep operating costs as low as possible.

During the year, the hospital's charter revision has been brought to a successful and satisfactory conclusion.

In 1980, our churches contributed $457,459.56 to the hospital through the Cooperative Program and $353,937.73 through the North Carolina Missions Offering and designated gifts.

Respectfully submitted,
Herman F. Hicks, Representative

PASTOR-CHURCH RELATIONS COMMITTEE REPORT

The very nature of the work of this committee and the constitutional guidelines for its function restricts and limits the information that may be reported and published in the annual minutes.

The chairman of this committee was called upon twice formally to work with two of our churches. A number of informal conferences were held.

It is the desire of this committee to be used in the service of ministry to our churches whenever a crisis situation seems to be developing or is in existence. The sooner this committee is activated, usually, the better the situation for all concerned.

This committee requests that the association remember all of our churches in prayer.

Respectfully submitted,

Otis J. Wheelhouse, Jr., Chairman

PASTORAL MANUAL

I. PROCEDURES FOR SELECTING CHURCH MESSENGERS.

a. Associational—1) Each church is entitled to be represented at the Associational Annual Meeting by her pastor and three (3) additional representatives. A church with more than 100 members is entitled to an additional representative for each additional 100 members or fraction thereof. A church with 100 or less members can have a total of four messengers (including the pastor). A church with a membership of 101 to 199 can have an additional representative or five messengers, etc. 2) Each church is represented on the Executive Board of the association by her pastor and two other lay members (a total of three). The name of these lay representatives should be reported on the annual church letter to the association.

b. Baptist State Convention—Each cooperating church is entitled to be represented at the N. C. Baptist State Convention by two messengers. For each 100 members or major fraction thereof beyond 100 members the church can have an additional messenger. No church shall have more than 10 messengers. A church with a membership of 150 can have three messengers, etc. Each messenger must have a registration card signed by the church moderator stating he is a messenger. These cards can be obtained either from the Associational office or from the Baptist State Convention in Raleigh.

c. Southern Baptist Convention—Each cooperating church is entitled to one messenger to the Southern Baptist Convention. For every 250 members or for each $250.00 paid to the work of the Convention during the fiscal year preceding the annual meeting the church can add one member. For example, your church has 89 members. Under the membership clause you can have one messenger. However, your church contributed $1,250 to cooperative program funds. This means you can have an additional five messengers or six (6) total messengers. No church can have more than ten (10) messengers. Each messenger must have a messenger Registration Card signed by the church moderator or clerk to register. These cards can be obtained from the Associational Office or the Baptist State Convention in Raleigh.

2. PROCEDURE FOR ADMISSION TO THE CHILDREN'S HOME OF NORTH CAROLINA, INC.

Admissions:

Write to: Mr. Luther Osment, Broyhill Children's Homes, Clyde, N.C. 28721, or telephone 627-9254 (Clyde) or 254-9862 (Asheville).

When contact is made either by a pastor, relatives, interested friends, or social service agencies, a professionally trained caseworker will make a thorough study of each situation to determine the extent of need and the best possible plan for the child and his family.

Procedures:

Preschool children are normally cared for in Foster Homes.

School age children are cared for through one of a variety of services according to need. Usually this will be either the use of a Foster Home or placement in one of the Children's Homes.

Children are accepted from pre-school age up to and including (special cases) high school seniors.

The stay at the home is for as long as necessary; usually until the development of some other plan; or to the completion of high school. In cases of special need even beyond high school.

At the present time the program is not able to care for the physically handicapped, the mentally retarded, or the severely emotionally disturbed.

3. PROCEDURES FOR ADMISSION TO THE NORTH CAROLINA BAPTIST HOMES, INC.

Step Number 1 is to have the pastor write:
William A. Poole, Superintendent
N C. Baptist Homes, Inc.
Reynolds Park Road
Winston Salem, North Carolina 27107
for application forms, giving as much information on the applicant as possible. The applicant himself or herself could write directly, but this contact with our pastors is desired. To qualify for admission to one of our five resident Homes, it is understood that one must be at least 65 years of age and in reasonably good health mentally and physically. After the arrival of a resident, complete and full nursing care is given for the remainder of the person's life. The care is excellent. A patient cannot be received directly into one of our resident Homes who is either in bed or on the borderline—not because we do not want to, but because we do not have the staff and equipment to care for patients in a resident home.

Step Number 2 is to mail application forms back to Mr. Poole. When these forms are returned, the applicant will be contacted and a visit arranged with Mr. Poole and with the Head Nurse in Winston-Salem. Mr. Poole reviews the ministry of our Homes with the applicant, and the Head Nurse reviews their medical history. If the applicant's health permits, the applicant is approved very shortly.

Step Number 3 is that the applicant is notified of approval, and if there is a vacancy in any one of our Baptist Homes, the applicant is received into the Home as a member of the family of our Baptist Homes and given tender loving care for the rest of life.

Step Number 4 is that, in the conversation with the applicant on their visit to Winston-Salem, financial arrangements are discussed, counsel is given concerning any assistance program that there is available and information is given on the love gifts from our Baptist churches which supplement the majority of our residents. Before arrival of the resident, a letter is written explaining in detail the financial arrangements. No one is ever excluded from a Baptist Home for lack of funds. In fact, the majority have little income of their own.

4. PROCEDURE FOR ADMISSION TO THE MATERNITY HOME.

Admissions:

Write to: Mr. Luther Osment, Broyhill Homes, Clyde, N.C. or telephone 627-9254 (Clyde) or 254-9862 (Asheville).

Procedure: A professionally trained caseworker will call upon the girl and her parents to determine the needs of the particular case.

The average stay in the Home is 3½ months. Exceptions are made to this - both longer and shorter periods of time.

There is some cost involved. Some are able to cover the entire cost of their stay, others are not. Money is not the most important concern—the girl is.

State Maternity Home Funds are available through the Department of Social Services for every girl who uses the services of a maternity home. These funds are requested through the Department of Social Services.

The girls, if they are in school, have a special program whereby they are able to continue their studies while at the home. Grades are transferred through the Asheville school system without reference to the Maternity Home.

5. PROCEDURES FOR ADMISSION TO THE BAPTIST HOSPITAL, INC.

When a member of your church or a citizen of your community needs the ministry of North Carolina Baptist Hospital, the Hospital wants to serve. That is the reason for its existence, and its forty-nine years of service bear testimony to this.

The desire to serve must be balanced with sound business practice and financial stability if the ministry is to continue. In trying to maintain this balance the following procedure for admitting patients has been adopted:

a. The patient's local physician contacts one of Baptist Hospital's physicians or clinics to make appointment for medical referral. If you have a question about scheduling an appointment, telephone the Outpatient Department Appointment Section at (919) 727-5375.

b. If the Baptist Hospital physician considers it necessary or advisable to admit the patient to the hospital, he contacts the pre-admitting office and requests a bed. On the basis of the physician's diagnosis and prescribed treatment, the length and cost of hospitalization are estimated.

c. The pre-admitting office contacts the patient, or patient's family to obtain necessary data, including financial data. This information indicates patient's hospital insurance coverage, if any; personal resources; eligibility for third party sponsorship.

d. The patient is told the estimated hospital bill, how much is expected from insurance or sponsoring agency, and the "out-of-pocket" difference, if any for which he is responsible. This difference is due upon admission. (Exception to the pre-payment plan is made for emergency and continuing care patients.)

e. Patients who cannot pay are counselled about agency programs which are available, even though they may not consider themselves eligible for certification.

Our business office has trained and sympathetic financial counselors whose services are available to any patient who needs them and desires them. They are

familiar with various sources of financial aid, the qualifications for obtaining them, and the procedures to follow in making application. Almost any patient who will cooperate with them can find financial help with hospital expenses, if his need is genuine. Frequently, these counselors can help a patient obtain needed follow-up services, also.

6. LOANS FOR BAPTIST COLLEGE STUDENTS

Many of our Baptist Colleges make scholarships available to Baptist students. You should write directly to the college for information on these scholarships.

There is a fund available through which loans are made available to Baptist students whose residence is Virginia or North Carolina and the student is attending a Baptist College in Virginia. Write directly to the fund - The Charles B. Keesee Fund, Martinsville, Virginia for information and loan forms.

7. PASTORS LIBRARY SERVICES

JOHN LOUIS KESLER LIBRARY

A special service is offered to Rural Ministers. The John Louis Kesler Circulating Library makes available 50,000 volumes on a lending basis to ministers.

WHO MAY BORROW

Any minister of the South . . . irrespective of denominational affiliations, who signs the application card is eligible for this service. Annotated book lists are mailed regularly to all ministers who are active borrowers. This service is not available to students in colleges or seminaries. This service is expressly designed to benefit ministers who cannot find needed material in the local library.

HOW TO BORROW

Each borrower is asked to submit a list of several books he desires, arranged in order of his preference. He will be sent the first book (or books) available from the list. When these are returned others will be mailed.

Books may be kept for three weeks and are subject to one renewal upon request, if not in demand elsewhere. The only expense to the borrower is return postage. This is a nominal fee since the books are sent by library rate.

TO OBTAIN SERVICE

Those interested should write for further information and membership card to:

Kesler Circulating Library
Joint University Library Building
Nashville, Tennessee 37203

8. THE THERMAL BELT YOUTH SHELTER - POLICY AND PROCEDURES

The Thermal Belt Baptist Youth Shelter operation is made possible by the joint cooperation of the area Baptist Associations and the Baptist Children's Homes of North Carolina, Incorporated. The Green River, Polk, and Sandy Run Associations are responsible for the physical structure, furnishings, and upkeep

of the residence. The program is operated by the Baptist Children's Home of North Carolina, Incorporated, and is under the jurisdiction of the Board of Trustees elected by the North Carolina Baptist State Convention. The home is licensed annually by the North Carolina State Division of Social Services. The home is under the direction and supervision of the western area administrator.

PURPOSE

The Youth Shelter has been established to render temporary residential care on an emergency basis while a more permanent plan is being made. Youth from the ages of three to eighteen years can be served for a maximum of ninety days. Admissions will be made without regard to race, nationality, or religion. The home has a capacity to serve six children at any one time.

AREA SERVED

Services of the Thermal Belt Baptist Youth Shelter are available to residents within the state. However, to insure continued planning for every child, it is recommended that referrals come from within the immediate geographic area of the Shelter Home.

ADMISSIONS AND REFERRALS

The Baptist Youth Shelter will not assume legal custody for any child. Signed consent for admission of a child in the home must be given by the person or agency with placement authority whether the authority is the parent, a custodial agency, or another individual holding legal custody. Anyone who is aware of a child's need may refer a youth to the Baptist Youth Shelter.

Intake and admissions will be the responsibility of the social worker. Should this person be away from the home, the resident director will assume this responsibility.

EXCEPTION

A youth may admit himself and stay in the home not more than twenty-four (24) hours on a weekday or seventy-two (72) hours on a weekend, after which time the legal custodian must become involved in the placement or the youth must leave the home. When a youth admits himself, a call will be placed to the county sheriff or city police to notify them of his whereabouts.

The Baptist Youth Shelter cannot accept any youth who is so physically, mentally, or emotionally handicapped that he cannot function adequately in an openly structured group environment and attend public schools. In addition, no child who needs involuntary detention can be admitted.

COST OF CARE

Custodial agencies will pay $10 per day plus medical, dental, clothing and educational costs. (This fee is subject to inflationary increases.)

Individuals with legal custody will pay $10 per day per child, in addition to providing medical, dental, clothing, and educational expenses. In cases of financial hardship, a reasonable amount of support will be determined on an individual basis in accordance with the family's income. No child will be denied care because of the custodian's inability to pay.

PLANNING RESPONSIBILITIES

When custodial agencies have the authority to admit a child into the Baptist Youth Shelter, it is that agency's responsibility to continue services to the child and his family. The maximum length of care (90 days) should be recognized by the planning agency in order that the term of residence can be used as a planning time. This agency is responsible for making a workable plan for the child within this time period, such as his placement with his family, relatives, or other child-caring institutions. The custodial agency's social worker will be expected to maintain weekly contacts with the child and to hold planning conferences to review the Plan of Care with the Baptist Children's Homes' social worker, at least once every thirty (30) days. This conference will be in reference to goals for long-term care.

The individual or parent having legal custody of a child in the Baptist Youth Shelter will assume responsibility for planning for the child's long-term care after discharge. In addition to holding specified planning conferences at least every thirty (30) days to review the Plan of Care, the custodial person will agree to seek help in order to resolve a family crisis that caused the child to be placed at the Youth Shelter.

BEHAVIOR PROBLEMS

Should a resident in the home exhibit behavior problems that endangers the well-being of other children or himself, or if he seriously threatens the overall functioning of the Youth Shelter, the legal custodian will remove the child upon request of the staff.

MEDICAL SERVICES

A child who has no proof of a medical examination within six months will be required to have this done during the first week of his placement. The custodian will be responsible for arranging, securing, and bearing the expense of this physical. The staff at the Youth Shelter reserves the right to request current medical information if necessary. The placement person, or the legal custodian, is responsible for providing all medical attention for the child while he is in care. Emergency medical needs will be met by the Baptist Youth Shelter with the placement person being financially responsible for such services.

CLOTHING

Children coming into care should have a complete change of clothes provided by the admitting person or agency. This person is also responsible for providing additional clothing within forty-eight (48) hours.

THE 1982 MINUTES DEDICATED TO MARION DAVID BLANTON

Marion David Blanton was born in Buncombe County, North Carolina, on February 3, 1900. His father died when he was about eighteen months old. About a year later his uncle, his father's brother, adopted him on July 29, 1902, and brought him to Caroleen, North Carolina. A few months later his adopted father moved to Cliffside, North Carolina. Here, he entered Grammar School and continued in school until he completed the seventh grade. While in Grammar School, he acquired the friendship of a "very special girl" who exerted a lasting influence upon him. Her name was Lissie Amanda Hamrick. That friendship continued through the following years.

In the fall of 1916, "M.D." entered Boiling Springs High School. After completing the first two years of work there, he left school for two years. In the fall of 1920, he returned to Boiling Springs High School and remained there until he graduated in May, 1922. He was licensed to preach by the Cliffside Baptist Church on August 30, 1922.

In the fall of 1922, Marion entered Wake Forest College, Wake Forest, North Carolina, as a ministerial student, and continued his studies there until he graduated in 1926, with a B.A. degree.

After graduating from Wake Forest College, he accepted a position as an English teacher at the Harris High School, Harris, North Carolina.

On September 3, 1926, that "very special girl" of grammar school days becamse Mrs. Lissie H. Blanton. "M.D." continued teaching English at Harris High School until May 1935. He felt very definitely that he should go to seminary and better prepare himself for the Gospel Ministry, So, he submitted his resignation at Harris High School and in September, 1935, he and his wife entered the Southern Baptist Theological Seminary at Louisville, Kentucky.

While teaching at Harris High School, M.D. was ordained to the Gospel Ministry by the Alexander Baptist Church, Forest City, North Carolina. Following his ordination, he served as pastor of the following churches: Sandy Springs, Goode's Creek, Floyd's Creek, Pleasant Grove, Sulphur Springs, High Shoals and Calvary.

He spent two years at Southern Seminary, from 1935 until 1937. While there, he became pastor of the Rush Creek Baptist Church in Washington County, Indiana. He served this church until leaving the seminary to become pastor of the Alexander Baptist Church, Forest City, North Carolina. He

served the Alexander Church for twenty-eight years, retiring in 1965.

Since retiring, he has been active as supply and interim pastor for a number of churches — forty in all. He presently resides at 106 Sunnyside Avenue, Forest City, North Carolina.

He is eternally grateful for our heavenly Father for the opportunity to serve in His vineyard.

It is with great pleasure that the churches of the Sandy Run Baptist Association dedicate these minutes in the honor of Marion David Blanton.

THE 1982 MINUTES DEDICATED TO MABEL BRIDGES CARGILL

Mabel Bridges Cargill was born in Cliffside, North Carolina, to D.S. Boyce and Retter Daves Bridges. She grew up in this town and graduated as valedictorian of her class from Cliffside High School. Her further education was at Limestone College, Gaffney, South Carolina; Lenoir-Rhyne College, Hickory, North Carolina; and Finley's School of Floral Design, Greenville, South Carolina. She taught in the public school system one year prior to her marriage to John Edwin Cargill of Piedmont, South Carolina. For twenty-three years, Mabel owned and operated Cargill's Flower Shop in Cliffside. She retired in August, 1971.

Mabel and Edd (who passed away March, 1978) had four children: Dr. Eleanor Strickland, owner of Realty Research International, Phoenix, Arizona; John B. Cargill, plant engineer of Progress Lighting Company, Cowpens, South Carolina; Anne Cargill, a reading teacher in the School District of Greenville County, South Carolina; and Paula Cargill, director of Social Services at J Health Care Center, Simpsonville, South Carolina. The two oldest children are married and Mabel has seven grandchildren.

Mabel has been involved in a myriad of church and community activities. She has taught Sunday School classes for more than sixty years. She has been a choir member and church pianist.

As a member of the North Carolina Federation of Women's Clubs, she has served as a local president, District President, District Department Chairman, State Chairman of the International Affairs Department, and State Corresponding Secretary. She was honored by the Cliffside Women's Club in 1960 by being presented their first "Woman-of-the-Year" award. The Tri-Community Woman's Club awarded her the same award in 1974.

She has been president of local Parent-Teachers Association. For six years, she served as a member of the Rutherford County Social Service Board — part of this time as chairman. She served as organist for the Melba Chapter of the Eastern Star of which she was a member. She earned her 35-year pin for service to the American Red Cross. She was a member of the first County Committee of the North Carolina Symphony and served on the first County Board for the Vocational Workshop. A charter member (and current member) of the Lucille Wall Music Club, in which she has held a number of offices including president, she was honored with the dedication of their Year Book in 1979-80.

For several years, she has been a member of the Limestone-Rutherford County Council — part of this time serving as president. Presently, she is a member of the Limestone-Greenville Chapter. On October 22, 1961, the new post office building in Cliffside was dedicated and Mabel wrote the dedication hymn for this occasion. She is listed in the North Carolina Women Composers of Music.

Since moving to Greenville, South Carolina, in 1976, Mabel has become a member of the Foothills Writer's Club, the Kingsgate Garden Club, and the Wellington Green Community Club of which she is presently serving as first vice-president.

Mrs. Cargill has been active in some phase of the Woman's Missionary Union since she joined the Sunbeams at age five. She has been a member of all the age level organizations of the WMU. She has served as WMU president in local churches, as well as holding associational WMU offices. She served nine years as Director of the Sandy Run Baptist Association's WMU.

Mabel served for six years as a member of the North Carolina WMU Executive Board. During this time, she served as Chairman of the State WMU Nominating Committee, a member of the Policy Committee and on the WMU Camp Mundo Vista Committee — two years as chairman.

The Golden Jubilee Year of the Sandy Run WMU was 1962 and a special observance of the 50th Anniversary was held in connection with the WMU Annual Meeting held at the Mount Pleasant (C) Church. She was asked to write a history of the Sandy Run Woman's Missionary Union in 1976. This history was completed and presented at the WMU Annual Meeting held at the Sandy Run Church that year. In 1978, the Diamond anniversary of the Sandy Run WMU was celebrated. For this occasion, Mrs. Cargill wrote a pageant, "Diamonds in Sandy Run." This pageant was presented at the WMU Annual Meeting held at the Caroleen Church.

Now a member of the East North Street Baptist Church of Greenville, South Carolina, Mabel is still active in the WMU. She is presently serving in her fourth year as Baptist Women's Director in the Greenville Baptist Association.

Health conditions have caused Mabel to begin curtailing many of her various leadership roles. One of her philosophies of life has been, "All that I can ask of life is to be given an opportunity to show what I am made of." She is thankful that as the opportunities have come, she has been able to take advantage of them.

It is with great pleasure that the churches of the Sandy Run Baptist Association dedicate these minutes in the honor of Mabel Bridges Cargill.

HISTORIES OF HOST CHURCHES

MOUNT PLEASANT (R) BAPTIST CHURCH

On February 12, 1853, a group met in the Mount Pleasant area to begin the process of constituting a church. A request was made to the Concord Church, the High Shoal Church, the Cool Springs Church, the Sulphur Springs Church and the Shiloh Church to aid in this endeavor. Elders from these churches met with the group on May 6, 1853, "to examine their qualifications and to ordain deacons." The church was constituted with twenty-one members. Elder William Harrill was called as the first pastor.

Over the years, the physical structure of the church has changed five times. The present structure, completed in 1967, replaced a frame building on the same site that had served as home for the congregation for fifty-three years. The bell, pulpit and communion furniture were saved from the old building and serve as a reminder of the service of the old structure.

Groundbreaking ceremonies were held for the present building on June 25, 1967. The first worship service in the new sanctuary was conducted by the pastor, Reverend Wade Bunce, on November 26, 1967, just twenty-five days after the educational building was put into service.

Thirty-two men have served Mount Pleasant Church as pastor. Two served for several different pastorates: the first, Reverend William Harrill, served on three different occasions; and Reverend A.M. McMahan served five different times. The present pastor, Reverend W. Melvin Owens, now in his ninth year, has the longest tenure as pastor.

Mount Pleasant Church was one of the nineteen churches that met on November 27, 1890, to form the Sandy Run Baptist Association.

SHILOH BAPTIST CHURCH

Shiloh Baptist Church was the outgrowth of a small band of faithful believers who met in 1833 with burdened hearts seeking a place to worship. A church was organized and given the name Shiloh on April 13, 1834. The church became a part of the Broad River Baptist Association fellowship. The first pastor called was Reverend Joab Wilkie. In 1892, Shiloh joined the Sandy Run Baptist Association.

The first church building was of logs and stood on the site of the present structure. This building was outgrown and replaced by a frame structure. Then in 1910, another building was erected during the ministry of Reverend B.M. Hamrick. The church building burned in 1939, and was replaced by the present building in 1940.

Shiloh is the mother church of a number of churches. Holly Springs, Adaville, Bethany, Gray's Creek, and Sulphur Springs of this association, as well as West Point, Long Branch and Mountain View of the Green River Association, all trace their beginnings to Shiloh.

Shiloh Baptist Church will continue to be one of the outstanding places of interest in this area because of its unique setting and because of the great men and women who have gone out from this church to bless humanity.

The Reverend Paul T. Brock was called as pastor of Shiloh in 1979. The church has made good progress under his leadership and a wonderful spirit prevails among the people.

8. The Reverend A. Graham Brooks, pastor of the First Broad Church and Vice-Moderator of the association, introduced all the new pastors and church staff in the association present at this session. Pastors recognized were: the Reverend Philip D. Bailey, Temple; the Reverend Charlie W. Blackwell, Harmon Street; the Reverend John B. Creech, Sr., High Shoal; and the Reverend Ray Hooper, Floyd's Creek. Church staff recognized were: the Reverend Robert R. Jones, III, Minister of Music, Caroleen; the Reverend Carroll S. Kirby, Minister of Music and Education, Bethel; and the Reverend Benjamin F. Sprouse, Jr., Associate Pastor, Pilgrim. After the introductions, Reverend Brooks offered the right hand of fellowship and welcome to these new workers.

9. The Reverend Claude Simpson, the Annuity Board representative for the association was unable to be present at this session. His report was presented from the Advance Book of Reports and accepted as given.

10. The Moderator called the association into its first business session.

A. Dedication Committee: Reverend B.M. Strickland, pastor of Broad River Church and Chairman of this committee presented the names of

the Reverend M.D. Blanton and Mrs. Mabel Bridges Cargill to which the 1982 Annual Minute Book would be dedicated, and stated that the vote on this recommendation would be taken on the following evening.

B. Resolutions Committee: Reverend Jack Maguire, pastor of Forest City First Church and Chairman of this Committee indicated his committee was ready to receive resolutions should there be any. Procedures for making resolutions are explained in the Advance Book of Reports.

C. Missions Committee: Acting for the Chairman, Reverend Otis J. Wheelhouse, Jr., Director of Missions, presented the Missions Committee report. The Green Creek First Baptist Church indicated by letter dated August 11, 1982, that it was withdrawing fellowship from the Sandy Run Association to seek admission to the Polk Association in October, 1982, at the annual meeting of the Polk Association. The motion was made and seconded that this request be granted and that the records be so noted that the withdrawal was effective at this meeting and that the Green Creek First Baptist Church be commended to the Polk Baptist Association. The motion carried.

D. Properties Committee: Reverend Malone Thomason, Minister of Music, Spencer Church and Chairman of this committee, reported that long-range plans for the development of the associational property are just now in the beginning stages. The conference room of the office building has been used for a seminary extension class and some churches have used the grounds for R.A. camping. The churches were urged to continue efforts to retire the debt on the property so we can move ahead with needed development.

E. Finance Committee: Reverend Graham Brooks, chairman of this committee, presented the Finance Committee report which was accepted. He then presented the proposed associational budget for 1982-83. He explained that the 200 Accounts, Salaries and Benefits, would remain the same as for 1981-82 until after the first quarter of the new associational year. At that time, the finances of the association would be reviewed by the Finance Committee and the Executive Board and any increases would be retroactive to the beginning of the associational year. This was given as information with the vote coming the following evening.

F. Nominating Committee: Acting for the chairman, Dr. Blackwood made the motion that the report of this committee, as appearing in the Advance Book of Reports, be accepted. This motion was seconded and carried.

G. Trustees Report: Mr. Webb M. Hunt, Jr., Chairman, reported that as of December 1, 1982, the balance of $39,365.87 would be due on the associational property, ending the two-year note being carried by the Sisk Estate. The family has been contacted and is no longer interested in carrying the note. It was suggested that an additional loan be secured from a bank or savings and loan institution. This was presented as information to be voted on the following evening.

H. The Moderator called for any miscellaneous business. There was none.

11. Moderator Blackwood called upon the Vice Moderator, Reverend Graham Brooks, to preside. Reverend Brooks asked everyone to stand and say "Hello" to someone around them.

12. Reverend Brooks called for the program reports:

A. Sunday School: Reverend Dan Straw, pastor of Florence Church and Associational Sunday School Director presented this report. We can report some good news. Progress has been made this year. Many churches reported increases. I appreciate the support and cooperation and know you will give Ray Belue the same support you have given me this past year. I challenge the churches to continue the good work — working, caring, continuing to reach out to people. The report was adopted.

B. Woman's Missionary Union: Mrs. Billy V. Hardin, member of the Bethany Church and Associational WMU Director, presented this report. We will be busy this year as we have been in the past year. We want to be doing not just talking. Something new for the coming year, with the help of the office secretary, will be a WMU Newsletter, hopefully to be published quarterly. Program report was adopted.

C. Brotherhood: Reverend Carl Street, pastor of Wilson Church and Associational Brotherhood Director, presented this report. This is one of the greatest tools we can have — a Brotherhood. This is my third year to be working in Brotherhood and it has been a growing experience for me. Report was adopted.

D. Music: Mr. Curt Frederick, Minister of Music and Youth, Florence Church, and Associational Music Director, presented this report. We appreciate those singing in the choir for this session. It is composed of many from various churches, most of whom attended our recent and successful church Music Workshop. If you enjoy singing, join us tomorrow evening. Report was adopted.

E. Church Training: Reverend Herman F. Hicks, Minister of Education, Spencer Church, and Associational Church Training Director, presented this report. State-wide, Church Training is growing and I hope this is a trend for us that we realize a need to train leaders and church members. In our association, thirty-nine churches have Chruch Training. Report was adopted.

13. Reverend Guy Cabaniss, Chairman of the Registration Committee, reported 202 messengers and 46 visitors had registered.

14. Mr. Curt Frederick led in the congregational hymn, "For the Beauty of the Earth."

15. Mr. Frederick then led the choir in the singing of "Hallelujah, I Love Him." Solo parts were by Reverend Bobby Jones, Mrs. Salina Frederick, Reverend Carroll Kirby and Reverend Malone Thomason.

16. Reverend Graham Brooks introduced Dr. Wayne H. Blackwood, Moderator, for the Moderator's Address.

17. Mrs. Palmer Bailey, accompanied by Reverend Carroll Kirby, brought

the special music, "Be Our Guide Through Life." Both of these are members of the Bethel Church.

18. Reverend Graham Brooks led in prayer.
19. Dr. Wayne Blackwood brought the message, using as his text, 1 Chronicles 28:9, 19-21. God surely has placed before this association challenges. We are living in a time when more people are willing to listen to the gospel. We have opportunity in the 8.5 x 85 — in our Brotherhood — in our WMU. Within our own local area we have a challenge — an open door that is before us. We have the vision of a retreat area on our property. We have an opportunity as never before — an open door is before us. It takes commitment, it takes faith, it takes courage on the part of our people and churches to go through an open door. God has called us to a job — to a work — a job divinely assigned to us. David didn't choose Solomon. He would have chosen his son, Absalon. God assigned that task to Solomon. We have not chosen our task, Jesus has chosen and given this to us. Preaching, teaching and witnessing — assigned directly from the hand of God. It is God's plan for you and I to reach the world for God. Jerusalem is your own church field. Begin at Jerusalem then go forward. If we are going to do the work of God, our hearts must be in it. Our hearts can't be in it except God be in our hearts. God has called us to a work together . . . God has given gifts, talents, to his people — all given for the purpose of equipping the saints for the ministry. God has given this association so many talented people. . . . Let us work together. Our gifts differ and we differ — we don't always agree. No association can stand for a church to say if they are not going to do it my way, I will not do anything. God says we need to work together. Our gifts are to be dedicated to Him. He calls us to work with a promise. God promises His presence. Reverend Richard Spencer, a former pastor in this association, once told of the old man planting a peach tree, knowing he would probably never see the fruit of the tree. When asked why he planted the tree, he replied it was for those who would follow him. When we work towards a retreat area, it is an investment in the life of the adults and youth alike. God has great things in store for the Sandy Run Baptist Association — great things in store for us. Can we join in faith — pastors, messengers — can we say tonight — can we go back to our churches and say that by the grace of God we are going to see great things for God. We could have a spiritual awakening across this county. . . . The people were asked to stand together in commitment.
20. Dr. Blackwood led in the closing prayer.
21. The Moderator adjourned the meeting to meet with the Shiloh Church the following evening.

SECOND SESSION

22. The Second Session opened at 6:30 p.m., at the Shiloh Church, Rutherfordton, N.C., with the registration of messengers and guests.

23. The annual session was called to order by Moderator Wayne H. Blackwood.

24. The congregation was led in the singing of the hymn, "Joyful, Joyful, We Adore Thee" by the Reverend Robert R. Jones, III, Minister of Music, Caroleen Church, beautifully accompanied by the piano, organ, the Caroleen Church handbell choir and four brass instrument players.

25. Dr. Blackwood expressed his appreciation to the Shiloh Church for the use of their church.

26. Reverend Paul T. Brock, pastor of the host church, welcomed the association to Shiloh Church.

27. Reverend Ray Webb, pastor of the Lavonia Church, was recognized for the evening's devotion, using as his text, 1 Kings 18:17-39. Too many Christians are on the grandstand — just spectators, instead of going to battle. Jesus is calling all of us to stand up and be counted. . . . The key to Godly fruit is Godly root. . . . likeness. Reverend Webb then closed in prayer.

28. Mr. Ron Mayse, Music Director, Concord Church, led the annual Memorial Service. His scripture reading was John 14:1-6. Sharing mutual feelings through song, Mr. Mayse sang "Love Grew Where the Blood Fell." He was accompanied by Mrs. Mack McKeithan of Florence Church, at the piano.

29. Second Business Session:

A. Place and Preacher Committee: Reverend S. Guy Cabaniss, Chairman, moved that the Ninety-Fourth Annual Session of the Sandy Run Baptist Association be held on Monday, October 24, 1983, with the Goode's Creek Church, Mooresboro, and on Tuesday, October 25, 1983, with the Bethany Church, Forest City. The preacher for the Annual Sermon will be the Reverend Arthur Collum, pastor of the Trinity Church, with the Reverend B.M. Strickland, pastor of the Broad River Church as the alternate. This report was adopted.

B. Dedication Committee: Reverend Broughton M. Strickland, Chairman, made a motion, seconded by this committee, that the 1982 Annual Minutes be dedicated to the Reverend Marion David Blanton and Mrs. Mabel Bridges Cargill. There were no other nominations from the floor. Motion carried.

C. Trustees Report: Mr. Webb M. Hunt, Jr., Chairman, reported again on the balloon note presently being carried by the Sisk family, with the final amount of $39,365.87 to be paid December 1, 1982. It was noted that with monies presently on hand, the association would still have to borrow approximately $29,000 to pay off the current note to the Sisk family. Motion was made and seconded that the Trustees be authorized to secure a loan of approximately $29,000. Motion carried.

D. Finance Committee: Reverend Graham Brooks, Chairman, presented the proposed budget for the Association for the year 1982-83. It was noted that since we had voted to secure a loan to pay off the existing loan to the Sisk family that this additional amount would have to be added to the budget figures as shown in the Advance Book of Reports. Reverend Brooks then presented some figures indicating that approximately $2,836.20 should be added to the budget for 1982-83 plus whatever amount of interest would be applied.

Motion was made and seconded that the budget for 1982-83, as presented, with the 200 Accounts, Salaries and Benefits, to be reviewed at the next Executive Board's meeting after the first quarter of the new associational year, and with the additional amounts necessary following the securing of the new property loan, be approved. Some discussion followed. Moderator Blackwood asked the churches to look at their own budgets and to give to the property fund before December 1. The Moderator called for the vote. The budget was adopted without opposition.

E. Election of the Moderator and Vice Moderator: Reverend Otis Wheelhouse, acting for the Nominating Committee chairman reported:

(1) Dr. Wayne H. Blackwood was nominated to a second term as Moderator. There were no nominations from the floor and Dr. Blackwood was elected by acclamation.

(2) Reverend A. Graham Brooks was nominated for a second term as Vice Moderator. There were no nominations from the floor and Reverend Brooks was elected by acclamation.

F. Resolution Committee: Reverend Jack H. Maguire, pastor of Forest City First and Chairman of this committee, presented the following resolutions:

(1) WHEREAS, the Ninety-Third Annual Session of the Sandy Run Baptist Association met October 25 and 26, 1982, at Mount Pleasant (Rutherford) Baptist Church and Shiloh Baptist Church, and
WHEREAS, Pastor Melvin Owens and Pastor Paul Brock, and each of their respective congregations have carefully and adequately planned for our comfort and convenience, and

WE, the messengers to the Ninety-Third Session of the Sandy Run Baptist Association do gratefully acknowledge their hospitality.

(2) WHEREAS, the churches of the Sandy Run Baptist Association enjoy working together to serve our Lord and Christ, and
WHEREAS, the churches also cooperate with the State Convention and the Southern Baptist Convention, and
WHEREAS, we are engaged in Bold Mission Thrust, to reach every person in the world with the Gospel message,

who challenge us to reach unto the ends of the earth, and
WE express our appreciation to our Moderator, Dr. Wayne H. Blackwood, for his stirring challenge to evangelize the world, beginning on our own mision field, and
WE encourage our congregations to promote Bold Mission Thrust and participate in this evangelistic endeavor by
FIRST, praying that the Lord of the harvest would enjoy our labors in His work, and
SECOND, sharing our money through increased giving to the Cooperative Program for new ministeries, and
THIRD, fervent and consistent prayer support for those who are serving — both home and foreign fields, both full-time and special/volunteer service.

(3) WHEREAS, Mr. Curt Frederick has served this year as Associational Music Director, in addition to his various duties as Minister of Music and Youth at the Florence Baptist Church, and
WHEREAS, the Associational Music leaders have led this year in training and expression for all churches, and
WHEREAS, Mr. Curt Frederick and the Reverend Robert R. Jones, III, have led us in creative and inspiring praise through music,
THEREFORE, we the messengers to this Ninety-Third Annual Session of the Sandy Run Baptist Association express our deep appreciation to our music leaders for this experience and our commitment to allow varieties of music to inspire us in our home churches.

These resolutions were approved by the messengers.

G. Miscellaneous Business: Reverend Otis Wheelhouse read to the messengers a letter just received from the Liberty Baptist Mission, signed by Mr. Marshall Harrill, Chairman, Steering Committee, and Reverend Owen Duncan, Pastor, making a formal request that the church be received into the fellowship of the association. Reverend Wheelhouse said this was being presented as information and would be turned over to the association's Missions Committee for further consideration.

30. The Moderator recognized the Director of Missions, Reverend Otis J. Wheelhouse, Jr., for the Director's Address. The scripture reading was from Isaiah 58:1-12, with the message dealing with being "Repairers of the Breach." (This message is included as part of the printed annual minutes.)

31. The Moderator called for any new personnel who might be present and not recognized the previous evening. Pastors recognized were: the Reverend David A. Jones, pastor-elect, Gray's Creek; and the Reverend Albert Teague, Pores Ford. These men were welcomed into the fellowship of the association.

32. Moderator Blackwood recognized representatives of the agencies and institutions of the Convention.

A. Reverend Luther Osment of the Baptist Children's Homes spoke of the changing times in which we live and how the children are affected.

Many of the children in the past were orphans. In our Children's Homes today, we are dealing with children who are the victims of a sinful world. The real heroes are the houseparents. A good example has been our own Thermal Belt Baptist Youth Shelter located here in Forest City. Richard and Janie Honrine served faithfully and well for many years and have now resigned. The new houseparents are Mike and Patricia Bradford and are already serving well in this capacity.

B. Reverend W. Vann Carroll presented the report on the Biblical Recorder. He urged the churches to subscribe to this vital source of information for our state convention.

33. A report from the Registration Committee was called for. Reverend Guy Cabaniss reported 196 messengers and 28 visitors had registered.

34. Reverend Bobby Jones led the congregation in the singing of the hymn, "My Jesus, I Love Thee."

35. Reverend Jones introduced the instrumentalists who were serving in such an inspiring manner: the Handbell Choir of Caroleen Church; Mrs. Jean Tisdale, Bethel Church, at the organ; Mrs. Pam McKeithan, Florence Church, at the piano; and the brass players, Mr. Robert Huskey, Hick's Grove Church, Mr. Neil Perry, Caroleen Church, Mr. Dwight Maxwell, Second Baptist Church of Rutherfordton, and Mr. Chris Cole of Kings Mountain.

36. Reverend Jones then led the choir in "Hark, the Voice of Jesus Calling." The congregation was invited to join in the singing of two verses of "Lead On, O King Eternal."

37. Dr. Blackwood, moderator, introduced Reverend Joe Richards, pastor of Sandy Mush Church, for the Annual Sermon.

38. Mr. Johnny Richards, son of Reverend Joe Richards, and Mr. Steven Matheny sang a most inspiring song they had written together (not yet titled). They then sang "Rise Again."

39. Reverend Joe Richards' text for his message was from John 15:1-11. The hymn writer said, "Blest be the tie that binds our hearts in Christian love." As messengers of the 93rd annual meeting of the Sandy Run Baptist Association, it would be well for us to read those words — and listen to those words. . . . the Tie that binds is blest. . . . Now, sometimes we get things turned around — backward. We try to use Christian love as that which binds us together, but it is not Christian love that binds us together — it is the Tie. Some of us feel it is the plans that we have that bind us together. There are others who contend that it is the programs we are able to present. Others feel it is not the plans, nor the programs, but the purpose that holds us together. The Tie that binds us together is Jesus Christ, God's Son. We need again to see that it is Jesus that binds us together. . . . we must fit into the Tie before we can experience Christian love. When this connection is broken, when Jesus is no longer the Tie that binds, we will find that our missions will go astray. Reverend Richards had the congregation to stand, join hands and sing the song, "Blest Be the Tie."

40. Reverend Wheelhouse expressed appreciation for the talent shown by Johnny Richards and Steven Matheny in the writing and presenting of their

song.

41. Reverend Wheelhouse then presented special awards in the area of study courses for the year 1981-82. The Sunday School award was received by the Wilson Church and the Church Training award was received by the Temple Church. An award in the area of overall study courses studied was presented to the Wilson Church.

42. There being no further business and the program having ended, the meeting was adjourned with prayer led by the Reverend Albert Teague, pastor of Pores Ford Church.

EXECUTIVE BOARD MEETING
FINANCE COMMITTEE REPORT

Graham Brooks, Chairman
January 31, 1983

The proposed budget for the associational year 1982-1983 was presented to the Annual Session with two areas left to be completed by the Executive Board at this meeting. The budget was approved with this stipulation.

1. The association was in the process of procuring a loan to pay off the previous two year note held by the heirs to the Sisk Estate. This note was procured by the associational trustees from the First Federal Savings and Loan for $29,000 for a period of 15 years. The annual payments will be $4,870.68. This figure has been added to the budget as item 409, Grounds and Buildings Development.
2. The Accounts 200, Salaries, Allowances, Benefits Account was left to be considered at this time.

   Item 205, Director of Missions Insurance and item 209, Secretary/Treasurer/Clerk Social Security (Employer's portion) had been increased in the 1981-1982 budget but these increases had been inadvertently overlooked when the budget was proposed. These items have been increased to meet the present needs.

   Salary and Allowance increases were to be considered after the first quarter's receipts were received in order to better forecast our associational budget. Our Director of Missions, in consultation with our Secretary/Clerk/Treasurer, in light of the forecasted associational revenue recommended to this committee that raises not be given this associational year. This committee, after consideration of this recommendation, does not recommend salary or benefit increases for our Director of Missions or to the Secretary/Clerk/Treasurer for this associational year. The other accounts in the 200 area remain as they were in the 1981-1982 budget.

On December 1, 1982, the $29,000 obtained from the loan and $10,365.87 from our Building Fund was used to pay-off the Sisk Family note.

Closing costs on the loan amounted to $962.31.

Respectfully Submitted,

Graham Brooks
Chairman, Finance Committee

EXECUTIVE BOARD MEETINGS

DIGEST OF REPORTS
1981-1982

1. December 14, 1981 - The Board met at the Harmon Baptist Church. Eighteen Churches were represented.

   Rev. Charlie Blackwell (Harmon Street Church) and Rev. Joe Richards (Sandy Mush Church) was elected to the Executive Committee as members-at-large.

   The Board approved the participation of the association in the "Invitation To Life" program sponsored by the Radio and Television Commission of the S.B.C. A series of evangelistic telecasts (revival meetings) will be broadcast over the Asheville Channel 13 the first four Thursdays of January. The responsibility of the association will be to have a team of counselors ready to answer any phone calls that may be received in response to the messages.

2. March 29, 1982 - The Board met at the Sandy Mush Baptist Church. Thirty Churches were represented.

   "The Invitation to Life" program had good participation. The Forest City First Baptist Church opened their facilities to the association for the follow-up period for possible telephone calls. Our lines did not receive any calls. Rev. Otis Wheelhouse, our D.O.M., attended a debriefing meeting in Hendersonville, N.C., where a number of different ideas were shared as to any future attempts of this nature.

   The Finance Committee recommended the following actions to be taken to help relieve the money flow problem presently facing the association:

   1) that all present program organizational spending be frozen;
   2) that the General Fund of the associational budget be allowed to borrow from the Building Fund of the association the necessary funds to pay back-salaries and to meet present needs. This will be with no interest charged and is to be repaid no later than December 1, 1982.
   3) that our churches be urged to receive a special offering for the association to help repay this loan
   4) that our churches should attempt to reach the minimum goal of 2% giving to the association as quickly as possible and continue to strive for the goal of 3%. The churches were also urged to make their gifts to the association monthly (if possible).
   5) that the churches designate May 17-23, 1982, as Associational Missions Emphasis Week and that a second special offering be taken at that time.

   The Board approved these recommendations.

The Goode's Grove Baptist Church requested that the Board approve their request for pastoral assistance from the Baptist State Convention of North Carolina. This request was approved.

3. June 28, 1982 - The Board met at the Florence Baptist Church. Twenty-three Churches were represented.

   The Finance Committee reported that the churches were beginning to respond to the request for a special offering. The cash flow problem was eased. Back-salaries had been paid. The churches need to continue their efforts to reach the 3% offering goal.

   The Baptist State Convention replied to the request for aid by the Goode's Grove Church. The Convention's funds for this year had been depleted. The Church was requested to apply the following year.

   The Board approved a recommendation for the Executive Committee that letters of recommendation be sent by the association when pastors and staff members leave the association. This reversed a previous policy which delegated this to the Pastor's Conference.

4. September 27, 1982 - The Board met at the First Baptist Church of Forest City. Twenty-three churches were represented.

   The Finance Committee presented the budget that would be presented to the Annual Session for approval for 1982-83. The 200 accounts (salaries and benefits) were "frozen" until the Executive Board meeting in January, 1983, to determine the financial status of the association.

   The Program Committee presented the proposed program for the annual session.

   The Dedication Committee recommended that the annual minutes be dedicated to Rev. M.D. Blanton and Mrs. J.E. Cargill.

   The proposed calendar for 1982-83 was presented.

   The Nominating Committee reported on their nominations for 1982-83.

   A letter from the Green Creek First Baptist Church was read as information. The church is seeking fellowship with the Polk Baptist Association and requested that they be removed from this fellowship. The Annual Session is to act on this request.

DIRECTOR OF MISSIONS ADDRESS

October 26, 1982

"REPAIRERS OF THE BREACH" - Isaiah 58:1-12

I was listening to my car radio one evening last week and I heard for the first time a recording about a man who had made a gift to a TV preacher by mistake. It seems this fellow had fallen asleep in front of his TV and awoke early in the moring in the midst of the TV evangelist's appeal for money "for Jesus." So he said he jumped right up and wrote a check and put it in an envelope and mailed it away "to Jesus." Much later that morning, he realized that he had written a check the previous "evening." He checked his checkbook and realized he had made a big mistake. Instead of a $10.00 check he had mixed up his zeros and had written and mailed a check for $10,000.00. He didn't have that much money. His question came as he wondered "have I lied to Jesus."

In the context of the song, I thought it was very funny. It was a spoof on the TV evangelist. But, as I thought more about it, this is the way too many people view the church. The caricature drawn of the modern church is all too often one of self-interest, self-seeking not really being on the cutting edge with the rest of the world. At best, the church is depicted as a bumbling do-gooder that means well but never quite gets his act together. At the worst, the church is seen as one who is deluding the public for his own gain. This is especially true when the spotlight is shown on the evangelical Christian . . . and you are one.

We do need the ability to laugh at ourselves occasionally, but if there is more truth than laughter in the picture, we need to do some drastic changing.

We are given a picture of the church. It is a composite drawn from two completely different concepts. The first is the description of the church made by Jesus to Simon Peter in Matthew 16:18: Jesus said, "upon this rock will I build my church and the gates of hell shall not prevail against it . . ."

The second part of the picture is drawn from the words of Martin Luther: "a mighty fortress is my God, a bulwark never failing . . ."

Putting these two thoughts together, we perceive the church as a great fortress, her great defensive walls are our shelter and our protection. From out of this safe environment we sally forth to engage the enemy in deadly combat for men's souls. Tired and worn from the heat of battle, we return to sanctuary . . . safety.

Far too often this has been our action plan for the church.

Tonight, I sound the alarm.

The cooperate church . . . the universal church . . . we . . . us . . . the church . . . we are in a dangerous situation. We have allowed the bulwark, that great wall of our defense, to become breached. Our wall has great cracks and holes in it. Some are the result from our conflict with Satan, but most are there through our own neglect, lack of proper maintenance and our own bent

toward self-destruction.

The walls of the castles and fortresses of old were, for the most part, not made of solid stone. A front and rear wall would be built of stone and the space between would be filled with dirt and rubble. The great wall of China is an example of this type wall. All is well as long as the wall is under constant-continuous maintenance, but let a crack develop — remain unrepaired . . . and moisture and temperature change slowly erodes the inside and the wall will either collapse into itself or outward under the pressure of built up inner moisture. Either way, the result is the same . . . the defense is breached.

When that fortress we call the church is breached, the foundations of decency and morality are weakened and the whole world seems to go crazy.

Our problem is that we, the church, too often continue to make the sounds of combat. We go through the motions of warfare from within our fortress. We may even, with great gusto, attack some straw men of our own design. But, with the wall breached, we don't do this too loudly for fear we will bring the wrath of the world against us . . . seldom do we venture forth in actual combat.

We shake our heads at the turn of events. We shrug off the problems of the day with a "What can I do about it? answer. All the while, the influence of the church outside of her walls is deteriorating, eroding away faster and faster.

These outward signs are having their effect upon and taking a toll within the church. Instead of being in combat against sin in the world, we seem to delight in waging war among the saints. The casualty rate is growing.

We see this trend on the Convention level. We see this even more openly on the local church level. The hotter our own personal wars, the less influence we have with the world.

This passage, that was read from Isaiah, asks us a question, "Doesn't the breach need to be fixed?" Our answer is all important here. If we, you and I, are satisfied . . . well and good. We need do nothing. But, if we feel that the world is going to hell all around us, then there is a need to take action. If we need to take action, then this passage speaks to us.

1. First, the church as usual must stop. Verses 1-5 challenges us to see beyond our own situation . . . our own satisfaction, no matter how justified we feel we are. We must stop entertaining ourselves in our worship services and again become openly and aggressively in combat with the world.

2. Second, we are urged to become healers and burden lifters, not just among ourselves, but starting in the church and going on to include everyone who is yoked and burdened (verse 6). This will require our involvement. It has become a fanatical, frantic desire not to become involved. But, if we do become involved, it is involvement for me and mine and my special interests and let's not be bothered with the needs of anyone else. This type attitude has let the defenses of the church become dilapidated.

3. This new style of involvement will bring me into contact with the world whether I am fully willing to be or not. I am to become a minister to the hurting and needy people . . . (verse 7).

4. But something is happening to us as we become involved. A new relationship with God is established. The ability to find God in prayer is promised

in verse 9. "Then shalt thou call, and the Lord shall answer, Thou shalt cry, and He shall say, 'Here I am'." The only true answer to prayer is the presence of God. That's the promise given here.

But this promise is conditional. Part of that condition is that we stop the fighting and the bickering among ourselves. We must stop the fault finding. Stop the acid tale. Stop setting stumbling blocks in front of one another. To rebuild the wall, the structure must be made sound from the inside out.

If we are truly serious about this business of warfare for Christ, we need to go beyond ourselves, our own self-interest, our own self-security, to encompass all church fields. Working together, let us mend the breaches and become once again that battering ram against hell that Christ intended for us to be.

Otis J. Wheelhouse, Jr., Director of Missions
Sandy Run Baptist Association

DEDICATION COMMITTEE REPORT

He served as associational clerk from 1932 through 1934, and again from 1943 until 1948. Rev. Blanton is a member of First Baptist Church of Forest City.

Mrs. Mabel Bridges Cargill was associational W.M.U. Director for a total of nine years. She wrote a history of the Sandy Run Association W.M.U., and also wrote a play concerning the founding of the Sandy Run W.M.U. Mrs. Cargill is a former member of Temple Church and Cliffside Church, and presently resides in Greenville, South Carolina, with her daughter.

EVANGELISM COMMITTEE REPORT

The Radio and Television Commission sponsored a televised crusade during the month of January. The Executive Board of this Association voted to participate in this crusade and gave the coordination of this event to the Evangelism Committee.

The Crusade was televised over Channel 13, WLOS, the four Thursday evenings in January. The heart of the crusade was a telephone response by the viewers. A number of our pastors and laymen served as telephone counselors on each of these nights. Our operations headquarters was the office of the First Baptist Church of Forest City. We want to again express our thanks to the First Baptist Church of Forest City for the use of their office facilities during this crusade.

The Association also participated in the "Here's Hope Crusade" sponsored by the Baptist State Convention of North Carolina. The association selected the Piedmont time schedule of April 4 through 18 for the crusade emphasis. Several of our churches had already planned to use the Mountain time schedule of April 25 through May 2 — so we actually used two schedules. Several of our churches reported very good results.

The Easter Evangelistic Emphasis was held at the Race Path Baptist Church on March 23. The music was under the direction of Mr. Curt Frederick, associational music director. Special music was provided by the East High School Choir. Three of our pastors, the Rev. Jack Pennington, pastor of the

Chase Baptist Church, the Rev. Boyce Gregory, pastor of the Crestview Baptist Church and the Rev. Guy Cabaniss, pastor of the Calvary Baptist Church, brought the messages of the evening. This was an inspiring event.

The "E" Night Emphasis was held on July 20, at the Adaville Baptist Church. The music was provided by Mr. Curt Frederick, Associational music director. The evangelistic messages were preached by two of our pastors, the Rev. Ray Belue, pastor of the Hick's Grove Baptist Church and the Rev. Joe Richards, pastor of the Sandy Mush Baptist Church. This was an inspiring and rewarding meeting.

The Evangelism Department of the S.B.C. has prepared some workbooks on "Growing Evangelistic Churches." We will be encouraged to use these materials as needed during the emphasis period between 1983 and 1992. You will be hearing more about these workbooks later.

The Easter Evangelistic Emphasis is scheduled for March 27, 1983. "E" Night 1983 is scheduled for July 28. Please put these dates in your calendar of events not to miss.

Respectfully Submitted,
Hubert Street
Chairman, Evangelism Committee

MISSIONS COMMITTEE REPORT

The Green Creek First Baptist Church has indicated to the Sandy Run Baptist Association by letter dated August 11, 1982 (made a part of the Clerks records), that the Church was withdrawing fellowship from the Sandy Run Association to seek admission to the Polk Baptist Association in October, 1982, at the Annual Meeting of the Polk Association.

The Missions Committee moves that this request be granted and that the Sandy Run Associational Records be noted by this report that the withdrawal was effective the date of this meeting (October 25, 1982) and that the Green Creek First Baptist Church be recommended to the Polk Baptist Association.

Respectfully Submitted,
J. Raymond Whitfield
Chairman, Missions Committee

ORDINATION COMMITTEE REPORT

The Ordination Committee is a service committee of the association. When properly requested, this committee will convene the Ordination Council of this association composed of the active pastors and deacons of this association, to examine the prospective candidates for the pastorate, church staff or deaconate.

The Ordination Committee has been directed by the Executive Committee to convene the council only for those persons called to a specific place of ministry in a church (pastor, staff or deacon).

This committee convened the Ordination Council three times this past year. The Council was convened on October 10, 1981, at the request of the Cliffside Baptist Church to examine Robert Dean Sisk for the Gospel Ministry after being called as pastor to the Moncure Baptist Church of Sanford, North Carolina. At the request of the Bethel Baptist Church, the Council was convened on February 27, 1982, to examine Phillip Dewey Bailey, having been called as pastor of the Temple Baptist Church of this Association. The Council was convened on March 27, 1982, at the request of the Pilgrim Baptist Church to examine Benjamin Franklin Sprouse, Jr. who had been called by the Pilgrim Baptist Church as their Associate pastor.

All three Candidates were approved by the Ordination Council and were ordained by the sponsoring churches.

Respectfully Submitted,
Joe Richards
Chairman, Ordination Committee

PASTOR-CHURCH RELATIONS COMMITTEE REPORT

The Pastor-Church Relations Committee is a service committee of this association.

The very nature of the work of this committee and the constitutional guidelines under which it functions restricts the information that may be reported in the annual report and published as part of the annual minutes of the association.

The chairman of this committee was called upon informally this year to help in four different situations. A number of informal conferences were held.

It is the desire of this committee to be used in the service of ministry to our churches in times of crisis or when a crisis situation seems to be developing. The sooner this committee is activated, usually, the better the situation becomes for all parties involved.

This committee requests that the association remember all of our churches in prayer.

Respectfully Submitted,
Otis J. Wheelhouse, Jr.
Chairman, Pastor-Church Relations Com.

PLACE AND PREACHER COMMITTEE REPORT

The Place and Preacher Committee recommends that the 94th Annual Session of the Sandy Run Baptist Association meet on Monday, October 24, with the Goode's Creek Baptist Church and on Tuesday, October 25, with the Bethany Baptist Church.

We further recommend that the Preacher for the Annual Sermon be the Reverend Arthur Collum, pastor of the Trinity Baptist Church and that the alternate Preacher be the Reverend B.M. Strickland, pastor of the Broad River Baptist Church.

Respectfully Submitted,
Guy Cabaniss
Chairman, Place and Preacher Committee

PROGRAM-REGISTRATION COMMITTEE REPORT

This Committee's efforts are found elsewhere in this advance report book as your proposed agenda for this 93rd Annual Session of the Sandy Run Baptist Association.

The proposed agenda was an attempt to provide a balanced program while carrying on the necessary business of the association.

Our special thanks goes to the ladies and gentlemen who helped us register the people attending the sessions at the Mt. Pleasant (R) Church and the Shiloh Church. Without their assistance, the registration would have been chaos.

Respectfully Submitted,
Guy Cabaniss
Chairman, Program-Registration Committee

The Recreation Committee and the Softball Commissioner handled four rule interpretation requests this year. All our teams displayed good sportsmanship attitudes in receiving the decisions of the Recreation Committee.

A Recreation Rally was held on September 25, at the Spencer Baptist Church. Our Softball Commissioner Rev. Otis Wheelhouse, and Rev. Bobby Jones were the speakers of the evening. All trophies and awards were presented.

Seven of our Men's Teams desired to represent the association in the North Carolina Baptist Men's Softball Tournament. A Mini Tournament was held to determine the order of selection for the tournament. This association was allowed five places in the tournament. Bostic First and Crestview Gray were entered in the Granite Falls Regional. Race Path One was entered in the Rockingham Regional. Corinth and Bethel were entered in the Waynesville Regional. Bostic First, Regional Champion, Bethel, Regional Champion and Race Path, Regional 2nd, were seeded in the finals at Siler City. Bethel won the Championship and Bostic First placed 2nd.

The North Carolina Baptist Men's Tournament is three years old and this is the third year that one of our teams has won the championship — Race Path the first year, Crestview Gray the second year, and Bethel has taken the championship this year.

An attempt was made in the selection and scheduling of the softball leagues to balance the leagues according to the considered pre-season strength of a team. This effort was successful and will be attempted again for the 1983 season.

The Recreation Committee is beginning to think and make long-range plans for the development and use of our associational property in terms of day camping, hiking, overnight camping, picnics, senior adult activities and other recreational activities. R.A. groups have already used the area along the river for overnight camping, while other groups and individuals have

come for a hike or stroll. Your suggestions and help in developing the area will be sought.

My personal thanks go to the other members of this committee who so ably assisted me during the year.

Respectfully submitted,
Herman Haynes
Chairman, Recreation Committee

BROTHERHOOD PROGRAM REPORT

Southern Baptists have at their disposal one of the greatest tools for teaching people to Worship, Witness and Work, but for the most part, we do not use this tool. What tool is this? The Brotherhood Program of a local Baptist Church.

The Brotherhood Program is the mission organization for men and boys. Through the Baptist Men and RA organizations, we can demonstrate what we say we believe and our active witness can help lead others to salvation through Jesus Christ. Through our mission action projects we are able to minister to our own people and the people of our communities who are unable to help themselves.

The Brotherhood Department of the Sandy Run Baptist Association worked with a number of churches this year to help them become better equipped to meet the needs of their community. Program conferences were held with the Adaville Church, the Concord Church, the Faith Church, the Floyd's Creek Church, the Gray's Creek Church and the First Broad Church.

During the year, R.A. groups have enjoyed overnight camping along the river on the associational grounds. Last fall, a group from Bethel Church camped and this spring the R.A. groups from Faith and Wilson churches camped together. More of this type of activity is expected as the fields are mowed and the area improved.

Your Brotherhood Consultants are ready to work with any church that desires our aid. Please call the associational office or myself (Carl Street 286-4764) and a time will be scheduled to work with you.

The Big Coming Event for the Brotherhood in the near future is the MEN AND BOYS RALLY to be held on November 11, at the Wilson Baptist Church, starting at 7:30 p.m. The "Preaching Policeman", Charlie Flowers, from the Belmont Police Department will be our guest speaker. A film, "No Escape From Christmas" will also be shown. This event is open to all the men and boys of our association. Plan to attend and bring a "good size" group with you.

CHURCH MUSIC PROGRAM REPORT

A Music Reading Clinic was held at the Florence Baptist Church on April 1, 1982. Reverend Bobby Jones, Minister of Music and Youth at the Caroleen Baptist Church, introduced the choral music for choirs to sing in their worship services. Twenty-three music directors and choir members attended. They found many interesting pieces of music, suitable for use with their choirs, in the free pack of materials given to those attending the clinic.

Music Zone Directors were enlisted this past year to help establish fellowship among music directors, to convey information about music emphases and programs to each church in this association, to determine music needs in our churches and to assist in music projects. These directors are: Curt Frederick, Florence Church; Peggy Hamrick, Cliffside Church; Bobby Jones, Caroleen Church; Carroll Kirby, Bethel Church; Tony Spencer, Forest City First Church; and Malone Thomason, Spencer Church.

Please feel free to contact any of the above Zone Directors or me concerning any music need you may have in your church. Also, an effort will be made to enlist more Zone Directors in the coming year. If you are interested in serving as a director, please call me.

A tri-association Church Music Workshop involving the Sandy Run, Green River and Polk Associations will be held at the Spencer Baptist Church on October 4 and 5, 1982. Enriching sessions for Choir Directors, Accompanists, Adult Choir Members and Children's Choir Leaders will be offered. Much planning has gone into this effort.

Curt Frederick
Associational Music Director

CHURCH TRAINING PROGRAM REPORT

The Church Training theme for the year was "Equiping For Church Growth." "Bold Growth in Discipleship" is the broader five year theme which expresses Church Training's involvement in Bold Mission Thrust. The theme seeks to carry out the scriptural mandate of Ephesians 4:11-16, for the training (equipping) "of God's people for the work of service," for the "building up of the body of Christ," to grow up wholly "into him." (Williams). The numerical goal is "3.5 million enrolled in discipleship development through Church Training by September 30, 1985."

Our association began the year with an Adult-Youth Leadership Clinic, November 12, 1981, at the Spencer Baptist Church. The purpose of the clinic was to review the new materials for adults and youth, discuss some of the

good things happening and determine some definite needs in the churches.

"M" Night was held at Bethel Baptist Church, November 23, 1981, with 306 in attendance. There were 19 churches represented with 8 pastors and 13 Church Training directors present. Fairview Baptist Church won the attendance banner for the second consecutive year with more than a hundred per cent of enrollment present. Glenwood Baptist was second and Hicks Grove third, with more than 80% of enrollment present. Randy Wadford, pastor of First Baptist Church, Bostic, was the speaker. A slide program on Church Training resources was presented by Herman Hicks.

On January 23, 1982 seven of our associational age-group leaders attended an Enabler Conference at Fruitland Baptist Bible Institute at Fruitland, N.C. At this time the new book, *Equipping Disciples Through Church Training,* was introduced. Those attending were Doris McEntire, Brenda Toney, Shirley Bailey, Randy Wadford, Otis Wheelhouse and Herman Hicks.

The final event of the year was a Leadership Conference, May 17-18, at the Spencer Baptist Church, sponsored jointly with the Green River Baptist Association. Age-group leaders from both associations were privileged to learn from our state Church Training Director, Maurice Cooper, and the Associate Director, Jim Simpson. Other state approved leaders included Mrs. Liz Weir from Asheville, Mrs. Marie Blackwell from Hendersonville, and Mrs. Travis Styles from Andrews.

SUNDAY SCHOOL PROGRAM REPORT

The Associational Sunday School Improvement and Support Team (ASSIST) was staffed this year as follows: Rev. Dan Straw, Director and General Officer Consultant; Rev. Jack Maguire, Adult Consultant; Rev. Glenn Walker, Youth Consultant; Dr. Wayne Blackwood, Mrs. Brenda Toney, Rev. Eugene Passmore, Children's Consultants; and Rev. Vernon Buchanan, Preschool Consultant. Rev. Buchanan moved to another association in the spring, leaving a vacancy in this area. Mrs. Judy Worley, a consultant in Preschool work from Hendersonville, led the Preschool Sunday School Clinic conference.

Two major training events were held this past year. The Vacation Bible School Clinic was held at the Florence Church on April 19-20, 1982. This was a successful clinic with 145 in attendance.

The Sunday School Preparation Clinic was held on September 20-21, 1982, at the Florence Church. The "How To" study course books were taught. This

was also a successful training event with an attendance of 147. The revised book, *Jesus, The Teacher,* was taught to General Officers.

The Sunday School Rally was held at the Caroleen Church on September 7, 1982. The Attendance Award was won by the Faith Church. The award, newly designed and handmade by Rev. Wheelhouse, Director of Missions, was presented to Rev. Bobby West, pastor, and Mr. Mike Upton, Sunday School Director.

The statistical records from our churches this year have indicated some new growth in Sunday School. This is encouraging! We are beginning to reverse the downward trend and hopefully will continue to move forward.

Thank you for your good efforts. Your ASSIST team continues to offer its assistance to you as we reach out to others through our Sunday Schools.

WOMAN'S MISSIONARY UNION PROGRAM REPORT

Each member of the Sandy Run W.M.U. was encouraged to make Isaiah 6:8 her personal motto this past year. This was the W.M.U. watchword for 1981-82. Each woman was encouraged to pray that God would "send her" to her own family or somewhere else.

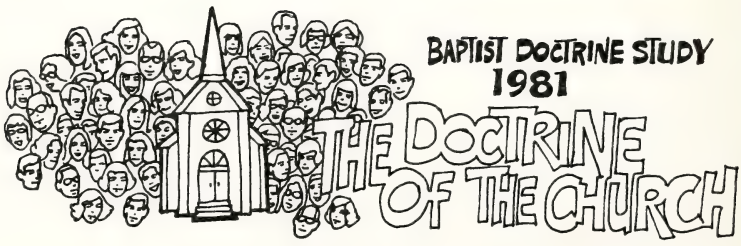
This has been a very busy year . . .

- Our Leadership Conference was the first meeting of the year. Approximately 150 officers and leaders attended.
- On October 5, the Acteens and their leaders held an "Acteens Sneak Preview" at the Sandy Mush Baptist Church.
- The Associational W.M.U. Council served refreshments for the "Open House" at the new associational office on October 25, 1981. The attendance was low due to rain.
- The "World Day of Prayer" was held on November 2, 1981, at the Corinth Baptist Church. The Baptist Women's organization sponsored this meeting. Our guest speakers were students from Gardner-Webb College. One was deaf, one was a ministerial student from another country and one was a "missionary kid" in a foreign country. We extended a special invitation to the men to join us for this program. The response was good and the attendance high.
- The Mission Action-Personal Witnessing Director coordinated an effort to collect items to be sent to the Women's Correctional Center in Raleigh. The response was good and because of this effort, some lonely forgotten women were remembered at Christmas.

- Our association was represented at the State W.M.U. Convention held March 19-20 in Greensboro.
- A Mission Action Seminar was held at the Corinth Baptist Church on March 22. Our Associational W.M.U. Mission Action-Personal Witnessing Director led this seminar.
- The Acteens enjoyed a sleep-over at the Adaville Baptist Church on April 16. Eighty-five girls and their leaders slept on the floor of the gym and the fellowship between the churches was great.
- James Foster, missionary to Germany, was the guest speaker at our W.M.U. Annual Meeting. The Race Path Church hosted this meeting held on April 22. Thirty-five churches were represented.
- A Mission Friends Activity Workshop for leaders was held at Corinth Baptist Church on May 1.
- One hundred fifty GA's and their leaders registered at the GA-tivity held on May 8, at the Bethany Church.
- The Baptist Young Women held a Prayer Retreat on May 11, at the Gray's Creek Church. Miss Martha Franks, retired missionary, led this meeting. The attendance was not exceptional, but the prayer time was.
- Members of the Sandy Run and Green River Baptist Associations W.M.U. organizations met together on August 16, at the Mount Vernon Baptist Church to study the book, "Say No, Say Yes to Change," by Elaine Dickson. Mrs. James Marchman taught this study. We enjoyed this time together very much.
- Every church in this association without an active W.M.U. program was contacted this year. Your W.M.U. Director and a Starteam member have talked to the pastors and ladies of each of these churches.

Your W.M.U. officers and leaders thank you for the opportunities you have given us to work with you this past year. Please call upon us to help start or strengthen your W.M.U. church program.

Respectfully submitted,
Mrs. Carolyn Hardin
Associational W.M.U. Director



ANNUITY BOARD REPORT

The Sandy Run Association has 52 Churches and 74 staff members participating in the retirement program. Of this number 11 are still participating on the minimum of $33.34 per month. There is a great need for all of our churches to upgrade their contributions to at least 10% of the person's annual compensation.

Depending upon the length of time a person is in the retirement plan, the minimum participation, which was set on an annual income of $4,000, will produce a retirement income of $50 to $250 per month. In a time of 6 to 7% annual inflation rate, this will hardly be enough for fuel expenses much less an income for one's old age.

Our churches do not intentionally plan to put their pastors on welfare, but this is where many of our faithful workers are heading unless we can make some changes in our present thinking and handling of our pastors' and staff members' retirement.

The Annuity Board was again able to make a 10 percent 13th check to annuitants who retired before 1980. Those annuitants who retired in 1980-81 received their check bonus in their monthly checks.

BAPTIST CHILDREN'S HOMES OF N.C., INC. REPORT WESTERN FAMILY SERVICES AREA

The mountain tradition for children is abundantly evident in the Western Area program of our Baptist Children's Homes. Our Baptist friends in the west continue to undergird our ministry in a very fine way and in this time of inflation, we are increasingly dependent upon this support. Our Western units of ministry — Broyhill Home at Clyde, Haywood Emergency Care Cottage at Clyde, Thermal Belt Baptist Youth Shelter at Forest City, and Maternity Home in Asheville — all continue to operate at near capacity levels.

The fastest growing phase of our ministry is that of emergency care. In these centers located at Clyde and Forest City, we can take a child in at a moment's notice from a desperate circumstance and keep that child for up to 90 days while a more long-term placement can be arranged. The tumultuous state of our society causes these homes to operate almost constantly at capacity levels.

The Maternity Home in Asheville continues to be one of our most blessed ministries. So many girls come to us feeling that life is virtually ended for them and there, through Christian love and care, they find resources to begin against with new purposes and new hope.

Of course, Broyhill Home remains the focal point of our work in the western part of the State. In each of our five cottages, up to twelve children are cared

for. These children often come from very difficult circumstances with many needs.

The Baptist Children's Homes has affected the lives of more than five thousand people during the past twelve months. With more than a dozen programs of care and with services being offered from twenty-five locations across North Carolina, Baptists can be confident that the Baptist Children's Homes is seeking every means possible to serve needy people in Christ's name.

The real heroes of this ministry are the houseparents who live on a day-by-day basis with these boys and girls. We are in the process of completing an "off duty" cottage for these houseparents where they can stay with their own children during those days they are free from their campus responsibilities.

The John Johnson Chapel on the Broyhill campus has been completed and is being well used by the Children's Home family and area church groups as well. Be assured that the welcome mat is always out for your group to visit us whenever you have opportunity.

A new 16mm thirty-minute film was released in July called "You Needed Me" and is available for use in our churches. Contact the Children's Homes to schedule this inspiring, instructive film.

We are grateful for the continuing support of our fellow Baptists through the Cooperative Program, the North Carolina Missions Offering and designated gifts. Like everyone else, we are being affected by short-falls in anticipated income. Programs have to be adjusted but we are careful to maintain quality care for those whom we serve.

BAPTIST HOSPITAL REPORT

With 673 beds in use, the hospital admitted 23,350 patients during the past year and provided a total of 210,000 days of patient care. There were 65,381 additional visits to the hospital's outpatient clinics and the emergency room. These patients come from across North Carolina, from other states, and even from other countries to receive the specialized hospital care which our institution offers.

Many of these patients received traditional types of hospital and medical care, but others benefited from new procedures: (1) A new method of delivering anti-cancer drugs by means of an "infusion pump," which is implanted in the patient somewhat like a pacemaker for heart patients. For many patients this has proven to be a more effective and more convenient form of

chemotherapy. (2) A new type of X-ray called "digital radiography," used principally for examination of blood vessels, which virtually eliminates expensive and cumbersome X-ray film. This method uses less radiation and requires less dye than standard angiography. It also requires less time and can sometimes be done on an outpatient basis. It is expected that this method can eventually be used in many areas of the body where X-rays are required. (3) A new type of dialysis for patients with kidney disease called "continuous ambulatory peritoneal dialysis," which involves leaving a special fluid within the peritoneal cavity for several hours while impurities (normally removed by the kidney) are taken from the blood. This type of dialysis not only frees the patient from dependence on a machine but it is also less expensive than the more conventional forms of dialysis.

The Pastoral Care Department continues to provide a pastoral ministry to both inpatients and outpatients and to their families. During the past year, chaplains made a total of 48,209 visits with patients. They provided 923 "on-call ministries" and led 262 worship services in Davis Chapel. The Pastoral Counseling Division provided 8,684 hours of counseling for 855 persons. A total of 63 students were enrolled in various levels of clinical-pastoral education. The Winston-Salem center and also the satellites in Fayetteville, Raleigh, Morganton and Charlotte all continued to experience growth both in the types of services provided as well as in the number of people served.

During the year, our hospital again received a two-year approval by the Joint Commission on Accreditation of Hospitals.

Despite many economic pressures, our hospital continues to operate in the black. It has recently adopted a budget for the new fiscal year which for the first time exceeds $100,000,000.

Gifts from churches during the past year through the Cooperative Program amounted to $479,997 and through the North Carolina Missions Offering and designated gifts totaled $345,765. We are indeed grateful to the churches and their members for this continuing fine financial support.

BIBLICAL RECORDER REPORT

The beloved and faithful editor of the Biblical Recorder, Mr. J. Marse Grant, retired this past September after 23 years as editor. He did a magnificent job. The Recorder was an attractive and newsy magazine, that rated as one of the best Baptist State Papers. The editorials were always to the point, sensible and challenging. The Baptists of our state will always be indebted to this good man and his wife, Marian. No other husband and wife team has ever done a finer job with a religious publication.

The new editor of the Recorder is the Rev. R. Gene Puckett. Rev. Puckett has served as editor of two other Baptist State Papers and he comes to us from the position of Executive Director of Americans United for Separation of

Church and State, where he also published the magazine, Church and State.

In addition to Rev. Puckett's 20 years as editor of Baptist papers, he has served as pastor of churches in Kentucky, Ohio and Florida and as interim pastor of the largest Southern Baptist Church in Maryland, the Middle River Baptist Church, located near Baltimore.

Financially, the Recorder has had a difficult year, primarily because the mailing cost has increased 160%, from $2,500 a week to $6,500 a week. This fine magazine has had difficult times before, and it will survive this time by the support of North Carolina Baptists.

The Recorder is very important as our source of information about the Baptist work, progress, and needs in North Carolina and around the world.

"There is a close correlation between Cooperative Program giving and the Recorder subscriptions according to the records." Everything else being equal, the people and churches taking the Recorder do much better in supporting the Lord's work than others who do not take it.

NORTH CAROLINA BAPTIST HOMES, INC. REPORT

The past year in our North Carolina Baptist Homes has been a good one. We have had 45 persons admitted to the ministry of our Homes and apartments. This represents 98,065 days of special care for an average daily population of 296 persons. The Lord's blessings continue to be poured out upon us.

Great things are in store for our Homes as we look to the Lord, to North Carolina Baptists, and to the future! The Trustees made a decision of far-reaching significance at their May meeting in approving a Capital Funds Campaign. The existing needs at the Hayes Home and the Nursing Unit in Winston-Salem present a primary challenge of this campaign. With success, we will be well on our way to adding much-needed nursing care beds, and resident rooms. We will also be able to provide much-needed upgraded services in relation to our present Nursing Unit, and also construct a desperately-needed Administration Building. We covet your prayers for the success of this effort.

Our major concern presently in our Homes' ministry is in regard to our benevolent care, assisting those who need supplementing financially. Gifts through the Cooperative Program and the North Carolina Mission Offering go a long way in undergirding those who cannot pay the full cost of care. These gifts, totalling $516,804, provided 57% of benevolent care. The many

residents who will be looking to the Baptist Homes' ministry for that care and the 43% short fall in mission gifts will place increasing demands on the already over-taxed benevolent funds. Also, many persons on the Homes' waiting list who cannot pay the full cost of care may have a longer period to wait because of limited benevolent funds.

We believe, therefore, that if you know the need, you will respond to it by the increasing support that you will give through the Cooperative Program and through the North Carolina Missions Offering. We will be looking to the Lord and to you to help us continue to be the benevolent ministry that we have always been.

Executive Director

SOUTH MOUNTAIN BAPTIST CAMP

God richly blessed your camp during the 1982 summer season. Including the staff, we averaged 190 each week. This is an increase from 183 per week in 1981. Another 2,000 youth and adults attended retreats and other church related activities during 1982.

In response to a challenging theme, "Reaching Out For Christ," presented through classes and in chapel services, 433 rededicated their lives to Christ. Another 269 received Christ as Savior, of these 67 felt the leading for some type of special Christian service. In response to a challenge to pray, 1395 persons committed themselves to a daily 15 minutes prayer time for world missions.

Each week campers were made aware that God's plans to evangelize the whole world involves every Christian. During Bible study, chapel services, mission films, and weekly missionary speakers, campers were challenged to pray, to give, and to go when called.

Including the lake, pool, and several cottages, we had major maintenance and improvement expenses. Also, printing equipment, washers and dryers were replaced or added. Therefore, we ask that when churches are drawing up budgets for 1983, please prayerfully consider including South Mountain Baptist Camp.

A Building Planning Committee is now considering how to use a donation of $44,000 by Mr. and Mrs. Joe Byrd, Sr. of Morganton, N.C. For use in the Fall and Winter Season, the committee is considering a gymtorium and winterized multipurpose cottage for staff dorm during summer and retreats during the fall and winter months. Other donations are needed for this project.

Thank you for your continued support and interest in South Mountain Baptist Camp.

THE 1983
MINUTES
DEDICATED
TO

WILLIAM THEODORE LUCKADOO

William Theodore Luckadoo was born in Golden Valley (Rutherford County), North Carolina, at the foot of Luckadoo Mountain, on December 8, 1902, to Mary Ada Melton Luckadoo and John W. Luckadoo. His mother died when he was nine years old.

Times were hard and it was a struggle to get an education. He attended school at Mount Pleasant, Cliffside, Caroleen, Forest City, 'Possum Holler and Race Path. He was saved and baptized at the High Shoal Baptist Church at the age of 14. After answering the call to preach in 1938, he returned to school. He attended Boiling Springs Junior College, unable to graduate due to illness in the family. He later entered Fruitland Baptist Bible Institute from which he graduated in 1954.

"W. T." was licensed to preach in 1938 and ordained to the Gospel Ministry on September 29, 1940, by the Race Path Baptist Church, Ellenboro, North Carolina. He was called to his first church field, the Broad River Baptist Church and the Campfield Memorial Baptist Church in 1940. Other churches he has served during his ministry are Lavonia, Goode's Creek, Mountain View (Hwy. 221, Rutherfordton--then in the Sandy Run Association), Wall's (nine years), Camp's Creek (Union Mills), Midway (Green River Association), and Faith (King's Mountain Association).

In 1921, W. T. went to work at Cliffside Mill, where he met Carrie Elizabeth Green, daughter of Doctor Fletcher Green and Mae Wesson Green. This was "love at first sight." They were married on January 20, 1923. Carrie was the "queen" of his life, very supportive and helpful in his work as pastor, until her death on October 15, 1982.

W. T. and Carrie had six children, five daughters; Louise Toney, Lucille Campfield, Muriel Short, Reba McCurry, Elizabeth Henson; and a son, W. T., Jr. (deceased). W. T. has 12 grandchildren and 17 great grandchildren.

Since retiring, W. T. has served nine churches in Rutherford and Cleveland counties as supply and interim pastor.

As long as his health permits, he will continue to serve his Lord in any way that he is able. W. T. will always be eternally grateful to our Heavenly Father for the opportunity of serving so many churches, the privilege of meeting so many wonderful people, and establishing friendships that have lasted through the years.

It is with great pleasure that the churches of the Sandy Run Baptist Association dedicate these minutes in the honor of William Theodore Luckadoo.

THE 1983 MINUTES DEDICATED TO

ALVA CURRY MARCHMAN

Alva Curry Marchman was born in Georgetown, Kentucky, to Henrye Thomas Hedgepeth and L. E. Curry, where her father was a ministerial student at Georgetown College. After living in several towns in Kentucky, the family returned to Georgetown, where Alva graduated from Georgetown College and met her future husband, James F. Marchman, Jr.

During college days, Alva began to teach Sunday School, lead Woman's Missionary Union mission study classes and to participate in the Young Women's Auxiliary and the Baptist Student Union on campus. She later served as Youth Director for the Elkhorn Baptist Association's WMU in Kentucky.

Her husband's occupation resulted in the family traveling for several years, residing in a number of cities until, in 1953, Alva and James, their two sons, James III and Philip, and daughter Marilyn, settled in Forest City.

Alva has served as president of the Rutherford Hospital Auxiliary and the Bertha Bostic Music Club, violinist with the Spartanburg Symphony and Gardner-Webb College orchestra, Province President for Sigma Kappa National Soroity, a teacher of Laubach Literacy pupils, an officer for the community concert series, a volunteer for Yokefellow in Forest City, Executive Secretary for the Billy Graham Rutherford County Film Committee and a teacher of the ladies class at the Village Chapel, Forest City.

As a member of the First Baptist Church of Forest City, Alva has served as a Sunday School teacher and Training Union leader for several differernt age groups; as chairman of the Personnel and the Library committees, as a member of the Finance Committee, Pastor Search Committee and as a representative on the Associational Executive Board. She has served the Woman's Missionary Union as Sunbeam leader, Girl's Auxiliary leader and director, Baptist Women's president, and WMU director. She has been a member of the Adult Choir, the Sanctuary Hand Bells and served as accompanist for the Children's Choir.

Alva has been active in the Sandy Run Baptist Association's Woman's Missionary Union serving as Mission Study chairman, Girl's Auxiliary director, Baptist Women's director and assistant director, WMU director and assistant director, Mission Action assistant director, director of an associational GA camp at Gardner-Webb College and as a member of the WMU nominating committee.

She served four years as a member of the North Carolina WMU Executive Board and was on the GA and Mission Friends committees, the Nominating Committee and the Search Committee for State WMU staff members.

She served two terms on the General Board of the North Carolina Baptist State Convention. During this period, she served one year on the BSU Committee and seven years on the Christian Life Council, serving as president of the Council in 1978, and as a member of the Executive Committee of the General Board in 1978. Other committee assignments were on the Wake Forest/Convention Relationship Committee, 1975-78; the Historical Committee, 1975-78; and the Resolution Committee, 1978.

In 1978, she was appointed as one of the two members from North Carolina to serve on the Southern Baptist Convention's Committee on Committees.

She and her husband also serve on Lay Renewal teams in North Carolina, and other states as needed.

In 1970, she attended the Baptist World Congress in Tokyo, and took this opportunity to extend her journey into a trip around the world. During this trip, she was able to see foreign missions at work firsthand in several of the countries visited. This led her to become a short-term volunteer when lay persons were given the opportunity to serve overseas, resulting in her serving in Costa Rico and the Caribbean Islands.

As a member of the Gardner-Webb Choral group, she has traveled giving concerts in France, England, Switzerland and Luxembourg.

In 1979, Alva and her husband, James, were among those honored by Governor Jim Hunt for outstanding work as volunteers.

In 1983, she made a trip to China with former missionaries. There she was able to talk with former Baptist pastors and visit former Baptist churches now reopened as "Three-Self Movement Churches."

Alva says missions has always been her "first love" and finds it exciting to be a small part of the Southern Baptist effort to reach the whole world for Christ.

It is with great pleasure the churches of the Sandy Run Baptist Association dedicate these minutes in the honor of Alva Curry Marchman.

HISTORIES OF HOST CHURCHES

GOODE'S CREEK BAPTIST CHURCH

The Goode's Creek Baptist Church was founded in 1908. The first building occupied by this congregation was a log cabin that had previously housed the Goode's Creek Methodist Church since 1846. In 1908, the Methodists moved to Cliffside and the Baptists moved into Goode's Creek. The Church became a member of the Sandy Run Baptist Association in 1908.

The first pastor of the Goode's Creek Baptist Church, the Reverend C.M. Teal, was called in 1908. It was during this period of "church starting" that Mr. M.L. Goode donated some property to the church for the purpose of future growth and expansion. On this land, the present church buildings have been built.

Since starting in the log cabin, four buildings have been built. The older brick building was built in 1947. The newer building was added in 1978. A parsonage was completed in 1962, and the Fellowship building in 1974.

The Goode's Creek Church has been blessed by the pastors who came to minister to and lead us. We have also been blessed as we have sent pastors out to lead other churches. Our present pastor, the Reverend J. Hubert Street ,has served since 1976.

For seventy-five years, the Goode's Creek Baptist Church has experienced the problems and victories of a growing country church. There have been valleys of pain and despair as well as the mountain peaks of joy and victory. We have attempted to turn our burdens into blessings. Our prayer is that our greatest history is still before us. So, we look to the future in faith. May our story be His-story told aright in this community.

BETHANY BAPTIST CHURCH

"A Confederate Body of members," four men and four women, were constituted into the Bethany Baptist Church on September 24, 1889. This Church became a member of the Sandy Run Baptist Association in 1891.

Over the years, the present Church buildings and grounds slowly took shape. In 1959, the parsonage was built. Two Sunday School class rooms were added to the building in 1961. As growth continued, the need for a new building arose. The present sanctuary was started in 1965 and completed and dedicated in 1966. The basement of the present building was renovated in 1976. The Fellowship Building was completed in 1979. The need for additional Sunday School space led to the construction of two class rooms in 1981.

Since her organization in 1889, twenty-one men have served this church as pastor. The present pastor, the Reverend Glenn L. Rushing, has served since 1970. This makes his tenure the longest in the history of the church.

The ministry, dedication and leadership of Pastor Rushing and his predecessors have guided and strengthened this church in her growth and development.

There is a "great host" of members, who have preceded the present congregation, whose loyalty and devotion over the years are a present example for the members today as they continue the ministry of Bethany Church to their community.

20. Dr. Wayne Blackwood brought the message, using as his text Esther 4:5-17, and opened with prayer. We sometimes question God about things that have happened. We want to say, "Lord, do you care." Who knows, but for just such a time as this God has called you. In our scripture, we hear Mordecai raising the question to Esther. It is the story of Gods protective care of his people—doesn

people—doesn't tell anything of her Jewish heritage. It was against the law to go into the king unless he had first called you. Because of her great position, she has a great responsibility. Any Christian who has received the blessing of God and as individuals has received salvation, has a great responsibility. It is hard work. It is difficult work. It is risky, but for us, if we are going to succeed, we must answer the call of God. We have been called for just a time as this. If Esther were to go in and plead the case of the Jewish people, she would expose herself and would leave no doubt in the minds of the people around her that she was as Jew. She had a reason to be afraid but she also had an obligation to take a stand for her people. She had an obligation to take a stand and we have

an obligation to take a stand for Jesus Christ. We deem to be called children of God. We then have an obligation to let others know we are not of this world. How many times have you shown the Lordship of Jesus in your life. It is so easy to hold back and not witness when we are in the company of unbelievers. We want peace. We have the obligation to make Christ the Lord of our priorities. We are living in a time when the work of the Lord is put on the shelf. We are more concerned about ourselves. We need to realize that we have an obligation, that Jesus Christ and his work have top priority. We need him to be top priority in our lives. We have an opportunity to reach the world as never before. We have greater resources. We have the opportunities—our problem is that sometimes we let them go by. If we don't take our opportunities, God will raise up others who are ready and will make use of the opportunities. Who knows, perhaps God has raised us up for just such a time as this. Dr. Blackwood then led in prayer.

21. The Moderator adjourned the meeting to meet with the Bethany Church the following evening.

22. Reverend Bobby Winebarger, pastor, Drury Dobbins Church led in the closing prayer.

Greenville, S. C.
October 22, 1983

Dear Friends of Sandy Run Association,

What a great honor you have accorded me in letting me share in the dual dedication of the 1982 Minutes. This recognition cannot be measured in gold or silver. I cannot express in words my deep gratitude for this very kind surprise. How grateful I am to my loving God that He offered me the opportunities and years of service in my younger life.

It is quite a coincidence that Rev. M. B. Blanton and I both grew up in the town of Cliffside. I could not have shared honors with a more dedicated and respected servant of the Lord.

My thanks to you, and may God continue to bless and guide Sandy Run Association.

Sincerely,
Mabel B. Cargill

B. Finance Committee: Reverend Graham Brooks, Chairman, moved for adoption the proposed budget for 1983-84 which had been presented the previous evening. The motion was seconded. Discussion was called for. Reverend Robert Parsons, pastor, Race Path Church, asked about the amount budgeted for the various programs. Reverend Brooks replied that each of the program leaders were on the Finance Committee and that they were in agreement with the budget. There was no further discussion. The Vice Moderator called for the vote. The budget was adopted without opposition.

C. Place and Preacher Committee: Reverend Wheelhouse, acting for this committee, stated that this report had been inadvertently omitted from the Advance Book of Reports, and moved that the Ninety-Fifth Annual Session of the Sandy Run Baptist Association be held on Monday, October 29, 1984, with the Cliffside Church, Cliffside, and on Tuesday, October 30, 1984, with the Concord Church, Bostic. The preacher for the Annual Sermon will be the Reverend Broughton M. Strickland, pastor of the Broad River Church, with the Reverend Ronald W. McSwain, pastor of the Mt. Pleasant (C) Church as the alternate. This report was adopted.

D. Election of the Moderator and Vice Moderator: Reverend Otis Wheelhouse, representing the Nominating Committee presented nominations for Moderator and Vice Moderator. He stated that Dr. Blackwood has served the association faithfully and well for the past two years and the Constitution does not allow him to serve another continuous term. Nominations therefore are:

(1) The Reverend A. Graham Brooks was nominated and seconded as Moderator. No further nominations were received from the floor. Reverend Brooks was elected by acclamation.

(2) The Reverend Paul T. Brock, pastor, Shiloh Church, was nominated and seconded as Vice Moderator. No further nominations were received from the floor. Reverend Brock was elected by acclamation.

E. Miscellaneous Business: The Baptist State Convention of North Carolina recognized the churches that had reached the goals of Phase I of the Bold Missions Thrust effort, began in 1977 and ending in 1982. Certificates were presented to the churches by Reverend Wheelhouse for the State Convention (see Recognitions and Awards.)

35. Mr. Curt Frederick led the congregation in the singing of the hymn, "Take My Life and Let It Be."

36. Reverend David A. Jones, pastor, Gray's Creek Church, introduced Reverend Otis J. Wheelhouse, Jr., Director of Missions, for the Director's Address. The scripture reading was from Joshua 4:5-7; Exodus 3:15; Matt. 26:13; 1 Cor. 11:23-26; 1 Cor. 15:58. (This message is included as part of the printed annual minutes.)

37. Moderator Blackwood recognized representatives of the agencies and institutions of the Convention.

A. Mr. Charles Tanner brought greetings from Dr. Blackwell of the Childrens Homes.

B. Mrs. Polly Branch, member of Florence Church and associational Baptist Hospital representative, presented that report. Mrs. Branch said churches are not still taking a Mother's Day offering for the hospital, but this offering is now included in the North Carolina Baptist Missions offering and urged the churches to remember this when taking this offering.

C. Reverend W. Vann Carroll presented the report on the Biblical Recorder. The Recorder does a good job of providing us with vital information and churches whose members subscribe to the Recorder do a better job of support for the Cooperative Program. It's good to be well informed.

D. Reverend Dan Straw, pastor, Florence Church, on behalf of Mr. Henry Stokes, made an announcement concerning the scholarship program of the Carson-Newman College, and asked all our young people to consider attending a Baptist college.

38. Reverend David A. Jones reported for the Registration Committee. For this second evening of the annual meeting, 192 messengers, 37 visitors and 1 state representative had registered. Dr. Blackwood expressed appreciation to all those assisting with the registration each night.

39. Dr. Blackwood welcomed the Liberty Church and the Victory Church into the association, following the action taken the previous evening.

40. Reverend Wheelhouse presented the following resolution:

WHEREAS, we have had a great associational meeting, and

WHEREAS, we were welcomed into our host churches and they graciously have met all our needs,

THEREFORE, BE IT RESOLVED, that we express our thanks to the Goode's Creek Baptist Church of Mooresboro, and the Bethany Baptist Church of Forest City, for their warm welcome.

BE IT FURTHER RESOLVED, that we express our thanks to those workers from the Goode's Creek Baptist Church and the Bethany Baptist Church who with courteous manner and eagerness helped us to park and to register the messengers and visitors to this annual session.

This resolution was approved by the messengers.

41. Mr. Frederick led in the congregational hymn, "How Firm a Foundation."

42. The Moderator expressed appreciation to the choir and the instrumentalists for presenting a fine program of music.

43. Reverend B. M. Stickland introduced Reverend Arthur M. Collum, pastor, Trinity Church, for the Annual Sermon. Reverend Strickland read the scriptures, John 5:1-16.

44. Mr. Frederick then led the choir in the singing, "My Faith Has Found a Resting Place."

45. Reverend Arthur Collum's text for his message was from John 5, as read by Reverend Strickland. Consider four things in this miracle. 1) Look at the place where it occurred. 2) See the patient. 3) See the power of the Saviour. 4) See the problems encountered. First, Bethesda means mercy house. It was a compassionate place. It was a place of mercy. It was a conspicuous place. You cannot cover up a place of mercy. This ought to describe every church. It was a charitable place. It had five porches. No one was ever turned away. Love that is genuine will always draw that person who feels unloved. Does this describe my life and yours? Does this describe your church? When we start being what we are, His body, we become attractive. Secondly, look to the patient. He was there because of sin. Jesus told him to go and sin no more. Vs. 3-4 indicates he had become very selfish. Only one could get into the water in time. The rest fell back in envy and hatred. He had lost hope. He had been there 38 years. In our country there are people who have lost hope. You and I who know Jesus as Saviour . . . take them as hopeless when we ought to call to them. That person who is most hostle, most repulsive, may be the hardest to reach. Thirdly, see the power of the Saviour. Jesus focused on one man. Vs. 6, will you be made whole. How many at the door of our churches have never been treated with kindness and compassion. We look at their circumstances and conditions and we withdraw from them. The hopeless need Jesus wherever they are found. Silly question—will you be made whole. This is a question of priorities. We need to get our priorities right. The man blamed someone else for his condition.

He had no one to help him. I couldn't do this because . . . We answer the same. Vs. 8, Jesus ignored his excuses. Jesus answered, here you are trusting in a puddle and I want to give you the fountain of life. Jesus will say trust me, try me, depend on me. Fourthly, the problems encoutered. Vs. 9, he got up. He had to make a new start in life. When we as individuals are making a new start, those closest to us will often be our greatest hindrances. If we (can) get over it (salvation), we never got in it (water of life). His friends not only tried to discourage him, but his denomination jumped on him. We innocently discourage people. Jesus appeared to him. Jesus will never leave us out on a limb and saw it off. Ask yourself this. Where am I right now? On the porch, looking into a puddle when the fountain of life is bubbling over in my life? Do I blame my failure on others? Are you blaming someone for your failures? In what or in whom are you putting your trust? Is it your family, your church, your denomination? Jesus would say to us, rise up, take up your bed and start again.

46. Moderator Blackwood commented that Reverend Collum had gotten down in the corn crib and shucked corn.

47. Reverend Wheelhouse then presented special awards in the area of church study courses for the year 1982-83. The Sunday School award was received by the Florence Church and the Church Training award was received by the Bethel Church. An award in the area of overall study courses studied was presented to the Wilson Church.

48. Reverend Wheelhouse presented to the Moderator, Dr. Wayne H. Blackwood, a plaque of appreciation for his service as Moderator for the past two years. Dr. Blackwood said it was a joy for him to have served as moderator for these past two years, and he appreciated the Bethel Church allowing him the time to do this. "If I have helped you, give God the glory. If I have hurt you, please forgive me," was Dr. Blackwood's wish.

49. Dr. Blackwood turned the leadership of the association over to Reverend Graham Brooks. Reverend Brooks congratulated Dr. Blackwood on a job well done and pledged himself to serve to the best of his ability.

50. Reverend Brooks called Reverend Paul Brock to the platform. Reverend Brock expressed his appreciation for the honor bestowed upon him by being elected Vice Moderator and promised to serve as best he can.

51. There being no further business and the program having ended, the meeting was adjourned with prayer.

BROTHERHOOD PROGRAM REPORT

The Brotherhood is the mission organization of the local church for Men and Boys.

Through our Baptist Men's Organization and the Royal Ambassador Organizations, we can demonstrate what we say we believe and our active witness can lead others to salvation through our Lord, Jesus Christ. Through Mission Action Projects, we are able to minister to our own people and to the people of our communities who are unable to help themselves.

The Brotherhood Department of the Sandy Run Baptist Association worked with a number of our churches this year to help strengthen or renew the Brotherhood programs of these churches.

Your Associational Brotherhood Consultants are ready to work with any church that desires our assistance. Please call the Associational Office (235-2613) or me (Carl Street — 286-4764 or 287-5111) and a time schedule can be arranged to work with you.

Coming events for the Associational Brotherhood Organization will be the Men and Boy's Rally to be held on November 10, 1983 and a Brotherhood Workshop on January 23, 1984.

The Men and Boy's Rally is open to all churches, whether you have an active Brotherhood program or not. This is a time of inspiration, information and fellowship. Plan to come and bring your men and boys with you.

Respectfully Submitted,
Carl R. Street
Associational Brotherhood Director

CHURCH MUSIC PROGRAM REPORT

A Tri-Associational Music Clinic involving the Sandy Run, Green River and Polk Associations was held at Spencer Baptist Church on October 4 and 5, 1982. Eighteen churches from our association were represented in this training event. Four areas of church music instruction were offered:

	Monday	Tuesday
Adult Choir Members	75	67
Organists/Pianists	15	9
Children's Choir Leaders	24	19
Church Music Directors	17	11
Total Attendance	131	106

Our Associational Music Zone Directors helped convey information about this clinic to our church music leaders. Our Director of Missions and Associational Secretary also helped in this effort. Thank you for your help in making this event a success.

Special music and music direction was also provided during the year for special associational events.

During the coming year, we will be enlisting more Zone Directors to help establish more fellowship among music directors, to convey information about music emphases and programs to each church, to determine music needs in our churches and to assist in music projects. If you would be willing to serve as a Zone Director, please call me at Florence Baptist Church, 245-5411.

Curt Frederick
Associational Music Director

CHURCH TRAINING REPORT

The Church Training theme for the year was "Equipping for Family and Ministry." Dated materials this year for adults, youth and older children had special units to support the theme. Also, Christian Home Week for 1982-85 is being sponsored jointly by the Family Ministry and Church Training Departments of the convention. There are now seven Equipping Center modules available on family life.

Church Training in the association began the year with "M" Night, held at Corinth Baptist Church, November 22, 1982, with 291 persons in attendance. Rev. Richard Bass, pastor of Mt. Vernon Baptist Church, was the guest speaker. His subject had to do with the family. There was a short JOT film for the children. Two of our leaders spoke briefly on the **Masterlife** program and the Church Study Course.

January 4-5, 1983, four of our associational Church Training leaders went to Fruitland for the annual Enabler Conference. This is an age-group leadership conference sponsored and led by the Church Training Department of the N. C. Baptist Convention. The primary emphasis this year was on "Developing Believers."

An Equipping Center Seminar was held on April 21 at the First Baptist Church, Bostic. Jim Simpson, adult leader from the state convention's Church Training department, led the seminar. Our thanks also to our own adult leader, Rev. Randy Wadford, for making this training meeting possible. As of July this year there are now forty different courses available in Equipping Center modules covering six subject areas. Equipping Centers are short-term training courses (6 to 8 weeks).

The Associational Church Training Director attended a Key Leadership conference at Fruitland, September 7, to get an overview of the 1983-84 Church Training year. We learned that the training organization is growing in North Carolina. It presents a challenge to our association to be a part of this exciting trend. The need is still great in our churches.

Respectfully Submitted,
Herman F. Hicks
Associational Church Training Director

SUNDAY SCHOOL REPORT

The Associational Sunday School Workers (ASSIST TEAM) attended the 1983 VBS training clinic for Associational Workers held at the First Baptist Church of Hendersonville, N. C. , on March 10, 1983. The Associational VBS Clinic was held on April 25 and 26, 1983.

The Sunday School Rally was held at the Concord Baptist Church on September 6, 1983. The Faith Baptist Church was awarded the Attendance Award for the second consecutive year.

A Sunday School Leadership Training School was held at the Florence Baptist Church on September 19 and 20, 1983. The Study Course book, "The Standard Sunday School" was taught on all age-group levels. Forty-six persons, representing sixteen of our churches, received study course credit for this training.

Looking ahead to 1984, a really big event is scheduled for the life our Sunday Schools. The Associational Sunday School Organization is sponsoring a Sunday School Enlargement/Enrollment Campaign August 11 through 19, 1984. Every church will want to take advantage of this great training and outreach opportunity for their Sunday School

DIRECTOR OF MISSIONS ADDRESS

"LASTING MONUMENTS" — Joshua 4:5-7; Exodus 3:15; Matthew 26:13; 1 Corinthians 11:23-26; 15:58

From the earliest recorded history, from time immemorial, man has attempted with great ingenuity and effort, to immortalize himself. Being forgotten is the unbearable thought. So, in every corner of the world, you will find monuments and tombstones, all sizes, all shapes, made from every imaginable material, raised up in an effort to find some place in the remembrance of history.

In the past, conquerors and kings have named countries after themselves, often times only to have a later king or conqueror rename the area for himself. States have been named after people of prominence: Louisiana after King Louis of France; Virginia for Queen Elizabeth of England; Georgia for King George of England. But all of these efforts are but man's feeble, failing attempts to immortalize himself.

Daniel Webster wrote:

> If we work upon marble, it will perish,
> If on brass, time will efface it;
> If we rear temples, they will crumble in the dust.
> But, if we work upon immortal minds and endue them
> with principles,
> with the just fear of God and the love of fellowman,
> We engrave on these tablets something that will
> Brighten all of eternity.

Our labors for God are the best monuments we can errect for ourselves.

The service we render for our Lord places us on the road to immortality. All David had was a slingshot, just a lad against a giant, but he wielded it for God and gained immortality. The widow had only two mites, but she gave them to God and found immortality. The boy only had a small lunch, but he gave it to the Master, who multiplied it and fed the multitude and gave that little boy immortality. Mary gave her costly ointment and found immortality.

On a cold, snowy day in London only a few brave souls (seventeen) had slipped into that little Wesleyan Chapel that Sunday morning. There wasn't even a preacher present. A layman preached. In that small group, was a young man who found Christ in that service. Young Charles went on to become a preacher. His sermons are still read and studied today. Charles Hadden Spurgeon found Christ because a layman preached Jesus. This unknown man that day found immortality.

Think with me now. If you were God, what sort of monument would you build for yourself? Oh, you say, God wouldn't build a monument for himself. Ah, but He did—not just one, but two. He didn't use as His building materials marble or stone, or gold or even diamonds. He built them out of His saving grace and

mercy. he erected them, not on some great plain or mountain top, but in the heart of His people.

He gave His monuments names. The first He called Passover. The second He called the Lord's Supper. Both attempt to say the same thing to us. In the midst of our lives, whatever the situation or condition, God cares and He has the power of Salvation.

How do you expand, extend, multiply, and enlarge your life so that you will amount to something for God? R. G. Lee said, "Weigh 16 ounces to the pound on God's scales. Measure 36 inches to the yard. Strike a home run every time you come to bat."

How can you do this? You can't by living little selfish lives restricted to ourselves.

A man, we'll call him Nominal Christian, said "If I had more money,I'd give something to God, but I just have enough to take care of my family and run my business. I have nothing left for God. If I had more time, I'd do something for God, but all my time is taken up with my work, my family and community duties. I just don't have any time left. If I had any talent at all, I'd use it for God in His service, but I don't have any kind of talent."

Now God doesn't usually do this, but He listened to this man and increased his wealth. The Nominal Christian now had all the money he needed and more. And, God increased his time. The Nominal Christian could now do all the things he wanted to do and still have time to spare. And, God touched him and gave him a beautiful singing voice. Nominal Christian gained fame for his voice.

God waited and waited and waited and waited. . . . . .nothing. Nominal Christian was still NOMINAL.

So, God took away the money and the time and the talent.

Nominal Christian sighed and said, "If I just had some extra money, I'd make a special offering to God. If I just had more time, I'd give myself to the work of the Lord. If I just had my voice back, I'd sing praises of God. . . . ."

And, God said, "O, shut up!!!!"

And Nominal Christian said to a friend, "You know, I don't believe I believe in God anymore."

How do you gain immortality? Immortality requires us to take our place in the front ranks of service for our Lord.

Paul said of the Macedonians, they first gave of themselves.

> Therefore, my beloved brethren, be ye steadfast, unmoveable always abounding in the work of the Lord, forasmuch as ye know that your labour is not in vain in the Lord.
>
> I Corinthians 15:58

Always abounding . . . filled completely up . . . all the way to the top and running over. Give, not just a part, but all you have, for the Lord.

We look at our church records and we think we are doing well, but you have to look very closely and carefully. Is it the church that is doing well, or is it just the few, laboring Christians?

God might, just might, reach out and remove these few, just so we would really see.

DEDICATION COMMITTEE REPORT

The Dedication Committee recommends that the 1983 Annual Minutes be dedicated to Mrs. James (Alva) Marchman and Rev. W. T. Luckadoo.

Mrs. Marchman has and continues to serve this association in a number of different areas. Perhaps her greatest input has been in the area of the associational W.M.U. program. She has also served with distinction a number of State Convention Committees.

Rev. W. T. Luckadoo spent a considerable part of his active ministry serving the churches of this association. He served as pastor of the Camp's Creek Church, the Campfield Memorial Church, the Faith Church, the Goode's Creek Church, the Lavonia Church, the Mountain View Church, the Smith Grove Church and the Wall's Church. He continues in his retirement years to serve our churches as supply and interim pastor.

This committee moves the adoption of this recommendation.

EVANGELISM COMMITTEE REPORT

Our annual Easter Evangelism Emphasis was held at the Crestview Baptist Church on March 31, 1983. The theme was *"THE RESURRECTION'S IMPACT."* Special music was provided by the Crestview Adult Choir under the direction of Mr. Don Wilson, Crestview's music director.

The speakers were all from our own association: the Reverend Ray Webb, pastor of Lavonia Baptist Church; the Reverend Bobby Winebarger, pastor of the Drury Dobbins Baptist Church; and the Reverend Michael Gay, pastor of the Adaville Baptist Church. This special time of worship and fellowship was challenging and inspiring.

A clinic-workshop is scheduled to be held October 3 and 4, at the First Baptist Church, Forest City, led by Dr. Frank Crumpler, Director of the Specialized Evangelism Department of the Home Missions Board. The subject will be Growing Evangelistic Churches.

Due to a change in the date, our Evangelism Emphasis, "E" Night, is presently scheduled for October 18.

MISSIONS COMMITTEE REPORT

The Liberty Baptist Church, temporarily located in the Sandy Mush area, was accepted under the Watchcare of this Association by action of the Executive Board, upon recommendation by this Committee, on January 31, 1983. This mandatory period of Watchcare will expire on January 30, 1984.

This Committe has found no doctrinal reason to deny membership to this church. During the past nine months, the Liberty Baptist Church has demonstrated her intentions of being a cooperating church as defined by our associational constitution. This committee recommends that the Liberty Baptist Church be received into full fellowship of the Sandy Run Baptist Association upon completion of the Watchcare period.

The Victory Baptist Church of Ellenboro, N. C., voted on September 11, 1983, to seek fellowship with the Sandy Run Baptist Association. This committee met with the leadership of this church on September 22, 1983, and finding no cause doctrinally at this time to withhold fellowship from this church, recommended to the Executive Board on September 29, 1983, to accept the Victory Baptist Church into the Watchcare of this association. This recommendation was approved by the Executive Board and the Victory Baptist Church was accepted into Watchcare.

This Watchcare period will expire on September 28,1984. This Committee will continue to monitor their progress, as directed by the associational constitution and will report to the Executive Board as to the results of the Watchcare period at the September, 1984 meeting of the Executive Board. Since this period of Watchcare will expire prior to the October Annual Session meeting, this committee recommends that the Annual Session of 1983, act to receive the Victory Baptist Church into fellowship following the expiration of the Watchcare period and a favorable report from this committee to the Executive Board.

The following motions are made by this committee, arising from the above recommendations:

1. This Committee moves that the Liberty Baptist Church be accepted into full fellowship of this association following the expiration of the Watchcare period on January 31, 1984.
2. This Committee moves that the Victory Baptist Church be accepted into full fellowship of this association following the expiration of the Watchcare period on September 28, 1984, provided the Executive Board finds the final report of this committee at the September meeting of the Executive Board to be acceptable to the Board.

Respectfully submitted,
J. Raymond Whitfield
Chairman

ORDINATION COMMITTEE REPORT

The Ordination Committee is a service committee of this association. When properly requested, this committee will convene the Ordination Council of this association, which is composed of the active pastors and deacons of this association, to examine the prospective candidate(s) for the pastorate, church staff or deaconate.

This commiteee has been directed by the Executive Board to convene the examining council only for those candidates called to a specific place of ministry in a church (pastor, staff or deacon).

This committee convened the Ordination Council twice this past year. The council was convened on December 11, 1982, at the request of the Floyd's Creek Baptist Church to examine Johnnie Dale Roach, who was called as pastor of the Beaver Creek Baptist Church of Spruce Pine, North Carolina. At the request of the Fairview Baptist Church, the Council was convened on July 23, 1983, to examine C. David Jones, who had been called as their pastor.

Both candidates were approved by the Ordination Council and were ordained by the sponsoring churches.

PASTOR — CHURCH RELATIONS COMMITTEE

The Pastor—Church Relations Committee is a service committee of this association.

The very nature of the work of this committee and the constitutional guidelines under which it functions restricts the information that may be reported to the Annual Session and published as part of the annual minutes of this association.

This committee was not formally activated this year.

The Chairman of this committee was called upon informally to help in three different situations. A number of informal conferences were held.

This committee is desirous to be of service to churches, pastors and staff members in times of crisis or when a crisis situation seems to be developing. The intent of this committee is to act in an unbiased manner offering counsel rather than arbitration. However, at the request of the parties involved, this committee will attempt to arbitrate the situation.

The earlier this committee can be activated in a situation, the greater the possibility is for the situation to be settled amiably.

This committee requests that we remember our churches in prayer.

Respectfully Submitted,
Otis J. Wheelhouse, Jr.
Chairman

PLACE AND PREACHER COMMITTEE REPORT

The Place and Preacher Committee recommends that the 95th Annual Session of the Sandy Run Baptist Association meet on Monday, October 29, 1984, with the Cliffside Baptist Church and on Tuesday, October 30, 1984, with the Concord Baptist Church.

We further recommend that the Preacher for the Annual Sermon be the Reverend B. M. Strickland, pastor of the Broad River Baptist Church and that the Alternate Preacher be the Reverend Ronald McSwain, pastor of the Mt. Pleasant (C) Baptist Church.

PROGRAM—REGISTRATION COMMITTEE REPORT

This Committee's efforts are found elsewhere in this report as your proposed agenda for this annual session.

The program planned for the 94th Annual Session was an attempt to provide a balanced program while carrying on the necessary business of this association.

Our special thanks go to the ladies and gentlemen of the Goode's Creek Baptist Church and the Bethany Baptist Church, who helped park our cars, helped register us and provided for us the equipment and facilities needed to hold this annual session. Without their assistance this meeting would not have been possible.

Respectfully Submitted,
David Jones
Chairman

PROPERTIES COMMITTEE REPORT

In addition to maintaining our present facilities with minor repairs, maintenance and upkeep, we have endeavored in the past year to make the residence on our property available for rent. Our plans include repair and maintenance to this house in order that we might supplement our budget with an appropriate rental fee. This work will be underway shortly.

In addition to this project, we encourage and support future plans which will include not only adequate facilities for our associational office but additions and renovations which will ultimately result in the Sandy Run Baptist Association having an outstanding retreat center. We already have a sketch showing suggested usage of the property. More details and future plans will be forthcoming in the near future.

Respectfully Submitted,

The Recreation Committee sponsored the Western Regional of the Baptist Men's Softball Tournament, which is regulated by the Brotherhood Department of the Baptist State Convention of N. C. The Western Regional was held at the Crowe Memorial Park, Forest City, N. C.

Seven of our Men's Teams qualified for play in the Regional and desired to represent this association. A Mini Tournament was held to pick our representatives. We were allowed to enter one team in the Western Regional and one team in the Central Regional. The Crestview Blue team represented this association in the Central. Competition was tougher this year. Our teams did not place in the finals. We look forward to next year and greater success.

The attempt made in balancing the softball divisions according to the strength of the teams, that was started in 1982, will be continued through this coming season (1984). We still are finding some bugs in this plan but it does seem to be working.

The second Annual Recreation Rally is scheduled to be held October 13, 1983, at the First Baptist Church of Bostic, with the Reverend A. Graham Brooks, pastor of First Broad Baptist Church as speaker. All trophies and special awards will be presented at this meeting.

My personal thanks go to the other members of this committee and the members of the softball league who so ably assisted me during this past year.

Respectfully Submitted,
J. Herman Haynes
Chairman

EXECUTIVE BOARD MEETINGS

The Executive Board of the Sandy Run Baptist Association met in conference four times the past associational year. Each church is entitled to be represented on the Executive Board by her pastor and two elected members.

Summary Report of the Meetings

January 31, 1983 - The Board met at the Florence Baptist Church. Thirty churches were represented by 23 pastors and 42 representatives.

1. The new pastors in attendance were recognized: Michael Gay, Adaville; Frank Hoyle, Mt. Harmony; Gary McNair, Smith Grove; Robert Haynes, Mt. Olivet; Don Therrell, Wall's; and David A. Jones, Gray's Creek. New board members were also recognized.
2. The Clerk was instructed by a vote of the Board to write letters of sympathy to the families of Dr. John Rast, Dr. Michael Harrelson and Dr. James P. Henson, and to Gardner-Webb College, expressing the sorrow and concern of this association in the tragic accident that caused the deaths of these three Gardner-Webb professors.
3. The devotional period was led by Reverend Eugene Passmore, pastor of the Campfield Memorial Church.
4. Program reports were made by the Sunday School, WMU, Brotherhood, Church Training, and Music.
5. Committee Reports:
   a. Finance — Reverend A. Graham Brooks presented the Financial Statement for the first quarter. He then presented an amended 1982-83 budget, as had been directed by the 1982 Annual Session, to include payments on the loan secured after the annual session to complete payment on the associational buildings and land. (This amended budget was printed in the 1982 Annual Minutes as information.)
   b. Missions — This Committee, acting upon the request of the Liberty Baptist Chapel to the Annual Session for membership into the association, and finding no present causes to withhold membership, recommended that the Liberty Baptist Church (the Chapel now having been constituted into a church) be taken into the watchcare of the association for the mandatory period of one year. This was seconded and approved.
   c. Nominating — An additional report was presented by this committee and accepted.
   d. Properties — Questionnaires were handed out to the executive board members present to be completed and returned, expressing the ideas of the churches in the future developmental plans for the associational property.
6. Executive Committee Recommendations:
   a. That a committee be formed to study the present constitution of this association and report any updating or changes, if any, that may be

needed. This was felt necessary since the present constitution has been in force seven years. This was approved. Appointed by the Moderator to serve on this committee were: Reverend Philip Bailey (Temple), Chairman; Reverend W. A. Stroud (Cliffside); and Dr. Ed Brown (Cane Creek).

b. That the Social Concerns Committee study the recent events that have taken place at the Nite Lite (a dining, dance club on Bus. 74, east of Forest City) to determine what action, if any, could be taken to help support the Sheriff's Department and the County Commissioners in controlling this type of public entertainment. This was approved.

7. Sunday School Enrollment/Enlargment Campaign — This campaign was described by the Director of Missions and discussed by the Board. The DOM was instructed by the Board to begin plans for holding such a campaign in this association in 1984.
8. Stewardship — Reverend Eugene Passmore emphasized the Stewardship luncheon being planned (a departure from the dinner meetings held in the past) for this year's stewardship briefing by the State Convention's Stewardship Department. Those churches not presently supporting the association with gifts representing at least 3% of their annual budgets were requested to make the effort to reach this offering goal by 1984.

March 28, 1983 — The Board met at the Alexander Baptist Church. Twenty-two churches were represented by 12 pastors and 20 representatives.

1. The devotional period was led by Reverend I. Ad Hopper, pastor of the Corinth Church.
2. Program reports were made by the WMU and the Sunday School.
3. Committee Reports:
   a. Evangelism — Attention was called to the meeting to be held at the Crestview Church on March 31.
   b. Finance — The quarterly financial report was given as information.
   c. Executive Committee — Proposed guidelines for the Ordination Committee were given to the Board members present and they were asked to study these recommendations in order to vote on them at the next Board meeting.
   d. Recreation — An Early Bird Softball Tournament is being planned for April 4-12.
   e. Youth — A Youth Rally was held on March 19. A different format was attempted with recreation in the morning hosted by the Adaville Church, and the formal rally in the evening hosted by the Florence Church. This meeting was considered to be successful.
   f. Properties — The survey sheet introduced at the last meeting was handed out again with the request that the churches share their ideas for the development of the associational property.
4. The Clerk reported that letters of sympathy requested in the January meeting had been written.

5. New Business:
   a. A recommendation was made by the Executive Committee that the week of Associational Emphasis be held August 22-28, 1983. This was approved.
   b. Benevolence Information Exchange — A representative from the Spencer Church requested that an attempt be made to formulate some of Benevolence Information Exchange between the churches of this county. After an exchange of ideas, the following recommendation was approved: That the Sandy Run Association attempt a fact finding meeting with the Green River Association in the area of benevolence information sharing and to have the Missions Committee and the Social Concerns Committee give their input to the findings and to consider possible actions that might be undertaken.

July 11, 1983 — The Board met at the Harmon Street Church. Twenty-one churches were represented by 12 pastors and 20 representatives, with 4 visitors.

1. The devotional period was led by Reverend Benny Sprouse, associate pastor of the Pilgrim Church.
2. New Board members were recognized: Robert Parsons, Pastor, Race Path Church; and Larry Cashetts, Minister of Education and Youth, Adaville Church.
3. Program reports were made by the WMU and the Sunday School.
4. Committee Reports:
   a. Finance -- The quarterly financial report was given as information.
   b. Executive — The guidelines for the Ordinance Committee introduced at the last Board meeting were presented. Some guidelines were needed as this committee had been acting without formal direction from the Board. The guidelines were approved as directives to this committee.

6. New Business:
   a. Reverend Wheelhouse, DOM, presented a formal request by the Goode's Grove Church for approval of their aid request to the Baptist State Convention. Aid for Goode's Grove had been approved the previous year, but procedures have changed and the Convention requires aid requests to be made each year. This request was approved.
   b. Recommendations for Reverend Peggy Stout and Reverend Steve Ayers to be sent to the churches and associations where they had moved in their new ministry were approved.
7. Moderator Blackwood extended best wishes and congratulations to: Reverend Melvin Owens upon his retirement as pastor of Mt. Pleasant (R); Reverend Olen Kendrick upon his retirement as pastor of Haynes Memorial; Reverend Haskell Sides upon his retirement as pastor of Gantt's Grove; Reverend Robert Philbeck resigning as pastor of Glenwood to enter Southwestern Seminary.

8. The Moderator called for special prayer for a list of concerns, for Reverend Carl Street and his family in the death of his son, for our churches seeking pastors, for our associational nominating committee and for continued growth of this association.

September 29, 1983 — The Board met at the Concord Church. Twenty churches were represented by 12 pastors and 21 representatives, with 9 visitors.

1. New pastors present were recognized: Keith Dixon, Prospect; and C. David Jones, Fairview.

   b. Missions — The Victory Baptist Church of Ellenboro, made formal application for membership into the association's fellowship on September 12, 1983. The Missions Committee held a meeting with the pastor and deacons and found no reason at the present time why the Victory Church should not be allowed to seek fellowsip with this association. This Committee moved that the application for fellowship made by the Victory Church be accepted and that the church be taken under the watchcare of the association for the required one-year period. This motion was approved. The Reverend Lee Causby, Jr., pastor, and eight members of the church were present at this meeting and were welcomed by Moderator Blackwood.
   c. Dedication — Mr. Jack Ayers, member of this committee and Wall's Church, presented the report. The Dedication Committee recommended that the 1983 Minutes be dedicated to the Reverend W. T. Luckadoo and Mrs. James (Alva) Marchman. This was approved.

5. The Associational Council presented a proposed Associational Calendar for 1983-84 as information.

WOMAN'S MISSIONARY UNION REPORT

The W.M.U. members have been focusing on "Life Changing Accountability" this year. We have learned that a personal ministering and witnessing lifestyle is necessary if we are to fulfill Christ's admonition to go into all the world and preach the gospel.

The Associational W.M.U. Council started an Associational W.M.U. Newsletter, with the help of Mrs. Wheelhouse, associational secretary. The quarterly newsletter has been well received by the pastors and church W.M.U. members.

The World Day of Prayer was held on November 1, 1982, at the Cliffside Baptist Church. Betty Gardner, missionary to Taiwan was the guest speaker.

A Missions Fair was held for the Girls-In-Action at the Sandy Mush Church on January 15, 1983. Mrs. Robert Greene was the missionary speaker.

Leadership from our associational W.M.U. attended the state W.M.U. annual session held at Ridgecrest on March 18-19, 1983.

A Couples Retreat, sponsored by the Baptist Young Women's associational leadership was held at the Crestview Church on March 22, 1983. Reverend and Mrs. Ned Buckner from the Kings Mountain Association provided an interesting evening by discussing "The Five C's of Marriage."

The Sandy Run Baptist Association's Annual W.M.U. Meeting was held on April 28, at the Bethel Church. A light supper was served from 5:30 to 6:30 P.M. The program started at 6:45 P.M. The handbell choir from the Caroleen Church played two selections. Miss Doris McEntire spoke on the PATH program. Mrs. Velma Campbell reported on Mission Action in our Association and what we are doing to help meet the needs of our county, Mrs. Deborah James was the featured speaker. The daughter of a missionary, she grew up in Vietnam. The Mission Friends from the Corinth Church led our prayer calendar emphasis. Mrs. Gail Strickland was in charge of this. Ms. Stephanie Pinnix directed the music. A ladies quartet from the Bethany Church provided special music. Dr. Wayne Blackwood, pastor of the Bethel Church, led the installation service for our associational officers as they were installed in their offices for the 1983-84 year. Our thanks go to the Bethel, Campfield Memorial, Caroleen, Drury Dobbins and Piney Mountain churches for furnishing the delicious supper. This was a well attended meeting.

A shower for the Maternity Home in Asheville was sponsored by the Associational Acteen leadership this spring. The response to this was very poor. Too few churches participated. Those that did seemed to get a blessing from the project.

A Mother-Daughter Banquet was held for the GA's at the Sandy Run Church on May 7, 1983. Mrs. McGee, a retired missionary to Nigeria, spoke.

A Mission Action/Personal Witnessing training conference was held at the Spencer Church on June 9. Mrs. Oma Letha Shihade led this meeting. This was one of the most inspiring meetings of the year, but the attendance was not good.

Our associational W.M.U. organization was represented at the Luther Rice Homesite Dedication held in Boston, Mass., on June 18 and 19.

Lack of interest caused the cancellation of the scheduled Acteen Banquet at the Bethany Church which had been scheduled for September 12.

The annual W.M.U. Leadership Conference was held in two sessions this year, both of which were at the Florence Church. The first, held on September 22, 1983, was for W.M.U. Directors and Assistants; Enlistment and Enlargement Directors and Assistants; Secretaries; Baptist Women Directors, Presidents and Officers; Baptist Young Women Directors, Presidents and Officers; Mission Action/Personal Witnessing Directors. The second, held on September 26, 1983, was for Acteen Directors and Leaders; Girls-In-Action Directors and Leaders; Mission Friends Directors and Leaders. Our associational directors led these conferences which were well attended.

Several projects were started that we hope will be continued in the new year:

- $147 was received from several of our churches to purchase drapes for the Oaks in Forest City.
- Refreshments for some of the Alcoholic Anonymous meetings held in our county are being furnished by some of our churches. Thes e meetings are held every day and evening in Rutherford County.
- Some of our churches are helping to furnish the home PATH is purchasing for housing battered wives and their children.
- The W.M.U. spearheaded the special offering received for the purchase of our associational property during the Week of Prayer for Associational Missions. Our W.M.U.'s and churches responded with a special offering of $1,654.37 as of September 30, 1983.

Fifty-four of our 63 (65 counting the churches under watchcare) churches report an active W.M.U. organization. Two churches are in the process of organizing their W.M.U. at this time. Our prayer is that every church will recognize the need for the W.M.U. in their church and begin this most needed Woman's Missionary organization. We also pray that God will give us insight to be able to discern the needs of the people around us and help us to become the witnesses that He needs, here at home and around the world.

ANNUNITY BOARD REPORT

The Sandy Run Association has 41 churches with 55 members participating. There is a great need for all of our churches to provide retirement benefits for their pastors, staff and employees at a rate equal to **at least 10% of their annual compensation.** If you do not provide this, these people will enter retirement with an inadequate income.

Another financial crisis faces the pastor and ordained staff member. Social Security rates will drastically increase over the next few years. The ordained minister faces the fact that 14% of his/her income will required for Social Security payments. Churches need now to face this issue and begin providing some financial assistance to the pastor and ordained staff member to help relieve this income drain.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA INCORPORATED

WESTERN AREA REPORT

We at Baptist Children's Homes are grateful for the way our mountain churches have captured the spirit of our Lord in their desire to care for needy children. Because of your faithfulness to us we have been able to maintain our ministry at maximum levels. Thermal Belt Baptist Youth Shelter in Forest City, the Maternity Home in Asheville, Craig Home at Ridgecrest, the group care program and the emergency care program at Broyhill and the Moody Farm in Macon County all continue to meet the needs of young lives.

The heaviest demands placed upon our services continue to be in relation to emergency care. Two of the eight emergency care homes are located in western North Carolina. In these centers, located at Forest City and on the Broyhill campus, we can receive a child with very brief notice out of a desperate circumstance and meet the needs of that child for up to 90 days. During this time, work is done with the family to enable the child to return or assistance is given in arranging for a more long term placement for the child. A very gracious ministry is the Maternity Home in Asheville. The problem of teenage pregnancies is epidemic in our society. Often these girls come to us feeling that life has virtually ended for them. It is a joy to observe them finding new Christian strength and purpose to begin all over again in even more positive directions.

We are coming to be increasingly grateful for the beautiful Moody Farm in the Iotla Valley of Macon County. This 300 acre site is now being used for recreational camping by children from our units of work all across the state. As needs become evident and resources become available, we anticipate further development on this lovely property in the years ahead.

Of course the program of group care provided on the Broyhill campus continues as our lead operation in the western area. This is one of our four major group care campuses. It is always a happy privilege to welcome guests from our churches who come to visit us at Broyhill. At any time we are happy to set up a cottage tour, a showing of the film of our work, "You Needed Me", and a tour of our campus. Many groups enjoy bringing a picnic meal, having a period of recreation on the ballfield and making use of the John Johnson Chapel for a vesper service. We would be delighted to welcome your group.

From time to time positions of service become available in our ministry, especially for couples to serve as cottage parents. Others find rich service in ministering as foster homes or visiting homes. We would be happy to discuss these opportunities with you.

On July 1, 1983, the Baptist Children's Homes welcomed its new President, Dr. Michael C. Blackwell, a native of Gastonia. Dr. Blackwell becomes the eighth President of the Baptist Children's Homes of North Carolina and follows in a noble tradition of excellence established by the seven men who

preceded him in this position. In making the announcement of Dr. Blackwell's selection, Dr. William Brown, Chairman of the Board of Trustees, said that "we firmly believe that Dr. Blackwell will continue to lead this vital ministry in an exemplary manner. His unique talents, personality and commitments will assure that this ministry remains at the vanguard of excellence in child care in meeting the challenge of resolving the hurts of children and families in need.

Dr. Blackwell served churches in both North Carolina and Virginia before assuming the Presidency of the Baptist Children's Homes.

BIBLICAL RECORDER REPORT

The Biblical Recorder is celebrating 150 years of service to North Carolina Baptists. Founded by Thomas Meredith while he was pastor of the Edenton Baptist Church, the Recorder is the fourth oldest among the 34 state Baptist papers in the Southern Baptist Convention, exceeded only by the Georgia, Kentucky and Virginia papers.

The past twelve months have been a period of transition for the Recorder. R.G. Puckett became the editor upon the retirement of Marse Grant in September, 1982. Lawrence E. High came as managing editor of the Recorder from the editorship of the Maryland Baptist. Puckett is the only man in Southern Baptist life to have served four different state papers as editor. High and Puckett are the only team of editors who have both served as editors of other state papers before coming to North Carolina.

The format of the paper was changed to tabloid from the magazine style which had been used for approximately 40 of the 150 years of the Recorder. Economy of production and increased space by approximately 50% were the deciding factors for this change. Those readers who preferred the magazine style have generally accepted the tabloid because of the money saved and the amount of news coverage of North Carolina and Southern Baptists.

In March, the directors of the Recorder approved a plan to make circulation the highest priority in 1983. Churches are urged to put the paper in the budget so that every resident family receives a copy. Club plans are available for interested persons and key leadership in the church.

The editors and staff of the Recorder are grateful for the opportunity to have this ministry among North Carolina Baptists. Your news items, letters to the editor and items of general interest to North Carolina Baptists are invited. Most of all, the staff requests your prayer support and faithful reading of the Biblical Recorder.

In case you need help in getting the Recorder placed in your church budget, your associational representative will be glad to give you some assistance.

BAPTIST HOSPITAL

Baptist Hospital has celebrated its sixtieth anniversary during 1983 by continuing to expand and improve its services.

During the year the hospital has installed a nuclear magnetic resonance machine in the Department of Diagnostic Radiology. With the use of radio waves, this machine produces pictures as good as or better than standard x-rays and can also provide valuable information based on the body's chemistry without posing any radiation hazard.

Baptist Hospital is also providing a new treatment aimed at finding and removing the cause of heart attacks. The procedure attempts to dissolve clots in the coronary arteries feeding blood to the heart muscle by injecting a clot-dissolving drug through a catheter.

During the past year a survey team from the North Carolina Department of Human Resources designated the hospital's Emergency Department as a Level I Trauma Center which indicates that the department offers all major services for serious injuries twenty-four hours a day, seven days a week.

Because of these and other services provided by the hospital, a total of 23,903 patients were admitted to its approximately 700 beds during the year for a total of 213,021 days of patient care. An additional 66,039 persons visited the hospital's emergency room and outpatient clinics.

The Department of Pastoral Care provided more than 14,000 hours of pastoral service to hospital patients, their families, and the Medical Center staff besides leading at least four worship services each week in the Davis Memorial Chapel. The Pastoral Counseling division provided 14,493 hours of counseling to persons who had individual or family problems or concerns. The Clinical Pastoral Education division provided training at some level for more than 100 students.

Careful management with continuing emphasis on cost-containment projects has made it possible for the hospital to operate in the black with only a 4 percent room rate increase during the past year.

During the 1982 fiscal year the hospital received from the churches of the Baptist State Convention a total of $497,019 through the Cooperative Program and $343,665 through the North Carolina Missions Offering. Cooperative Program funds helped to underwrite the budget of the Pastoral Care Department and the gifts received through North Carolina Missions Offering assist financially needy patients in paying their hospital bills.

The hospital administration and staff are deeply grateful to the Baptist State Convention and all its constituents whose leadership and support make it possible for the hospital to provide these ministries.

NORTH CAROLINA BAPTIST HOMES, INCORPORATED REPORT

Through North Carolina Baptists, God continues to bless our North Carolina Baptist Homes with meaningful blessings, and we are grateful!

One of the most significant blessings that we have received during the year has been a 31% increase in the percentage used for distribution of funds through the Cooperative Program. This percentage change, along with strong Cooperative Program support during the first five months of 1983, has meant an increase of $29,079.73 over the same period in 1982. Total Cooperative Program funds for the period totalled $135,647.39.

For the first five months of 1983, undesignated support through the North Carolina Missions Offering provided $74,087.47 toward the Homes' benevolent care needs. Designated gifts of $42,274.58 brought the total NCMO support to $116,362.05.

Through these mission gifts of $252,009.44, we were able to provide care for over 50% of the residents in the five Homes and Nursing Care who have limited resources. Even with this mission support, benevolent care exceeded the resoures by $132,975.00 for the five-month period. This gap must be bridged, and we must continue to receive more through the Cooperative Program and the North Carolina Missions Offering if we are to meet the needs of residents in the Homes. This still leaves the many who are waiting to enter the Homes, but do not have sufficient funds to pay the cost of care.

The Baptist Homes have been and continue to be a benevolent care ministry throughout the 32 years of caring. Because of the over-extended benevolent care ministry, the Trustees have had to put a hold on admissions of persons who cannot demonstrate the resources to pay the cost of care for their life expectancy. Let's change this picture as rapidly as possible. The only way that it can be changed is through a concerted effort of increased giving through the Cooperative Program and the North Carolina Missions Offering.

Another step forward during May of this year was the approval by the Homes' Trustees of a Capital Funds Campaign of $2,500,000 for the meeting of needs on the Hayes Home Campus, Winston-Salem. This challenge will meet some of the very vital needs of updating the Nursing Care Unit. Included in this updating will be a physical therapy room, patient dining room/activity area, and other vital needs related to food service. A second area of need includes the building of additional rooms at Hayes Home. These rooms are desperately needed to make possible additional beds in the Nursing Care Unit. This expansion will require additional money beyond the current Capital Funds Campaign. The upcoming campaign will be the first major capital funds effort that the Baptist Homes have undertaken. We covet your prayers for a successful effort.

The needs of older persons in our nation and state become more and more acute with each passing day. It is imperative that we focus more on the needs and that we provide as wisely as we can for them in the family of our North Carolina Baptist Homes, now and for the future.

We believe that the future of the Homes' ministry is in God's hands. We shall continue to trust Him for our needs, and urge you to join Him and us as we strive to meet the needs of this vital ministry to older persons.

SOUTH MOUNTAIN BAPTIST CAMP REPORT

South Mountain Baptist Camp, owned and operated by churches of Region 8 of the North Carolina Baptist State Convention, has been in operation for twenty-seven years. Forty to fifty thousand campers have attended during this time. Thousands of others have attended for day camps and retreats.

Our over-all motto is "Building Youth for a Better World."

In many ways the 1983 season was one of the best.

The 1,534 campers who attended were confronted with the responsibility of applying the Word of God to their daily living. Campers and staffers witnessed the transforming power of God as they responded to the challenge of the theme.

The Word, believed, obeyed and hid in their hearts could give them great victories over self, sin and Satan. They found that God would lead and empower them as they served as His representatives to other people.

They were reminded that our responsibility was to the whole world. They were made aware that our ministry of prayer had no geographical boundary.

There were 161 who made a profession of faith in Christ and 403 others who rededicated their lives in response to His call to follow Him and live in the Word. There were 21 who felt a call to special Christian service. There were 865 who made a commitment to pray 15 minutes daily for world missions.

Construction is to begin soon on a two-story, all-season retreat center building.

Since God has blessed the lives of so many at your camp, please continue to pray for us and support us generously.

T. A. Lineberger, Director

THE 1984 MINUTES DEDICATED TO

CAROLYN LANE HARDIN

Carolyn Lane Hardin was born in Spindale, North Carolina, on October 1, 1939. She is the daughter of Bonnie Fender Lane and the late Orion Taft Lane. She has lived in Rutherford County all her life, except for a brief period in 1967 when she and her family lived in Lawton, Oklahoma, She graduated from Ellenboro High School in 1958.

Carolyn married Billy V. Hardin of Forest City, North Carolina, on June 26, 1960. They have two children, a daughter, Crystal, who is a senior at the University of North Carolina at Charlotte, and Scott, who is a senior at East Rutherford High School.

Carolyn started attending Baptist Women meetings with her pastor's wife, Millie McNeill of Bethany Baptist Church soon after her marriage. With the guidance of Mrs. McNeill she soon became a leader of Sunbeams in Bethany Church. In a few years, she was working with Girl's-In-Action as a leader and director. She served as a Baptist Women's Director for several years and as the leader of Bethany's Mission-Action group. As leader of the Mission-Action group, she became involved as a volunteer at the Thermal Belt Baptist Youth Shelter. She led the children in fellowship and craft classes for several years. She served as Woman's Missionary Union Director at Bethany two different times.

In 1981, she was installed as the Woman's Missionary Union Director for the Sandy Run Baptist Association, a position she held for three years. She is currently serving in the association as Girl's-In-Action Director.

She has been a volunteer at Yokefellow Service Center in Forest City, for more than ten years. In 1982, she received an award from Governor Jim Hunt as an outstanding volunteer.

As a member of Florence Baptist Church, Forest City, Carolyn teaches a young married couples Sunday School class and works in Vacation Bible School. She is a member of Baptist Women and attends the Baptist Women Bible Study Group.

At the present time, Carolyn is employed at Petroleum World in Cliffside, North Carolina.

It is with great pleasure that the churches of the Sandy Run Baptist Association dedicate these minutes in the honor of Carolyn Lane Hardin.

Biographical information written by Carolyn Lane Hardin

THE 1984 MINUTES DEDICATED IN MEMORIAM TO WILLIAM MELVIN OWENS

The Reverend William Melvin Owens was born on August 6, 1920, near Ellenboro, North Carolina, to the late Pinkney Onzo and Dovia Burns Owens, one of nine children.

After graduating from Ellenboro High School, Melvin worked for several years as a salesman. During this period of his life, he met and married Miss Rebecca Trudy Duvall of Malden, Missouri. The newlyweds moved to Memphis, Tennessee, where Melvin joined the Navy. During his tour of duty at the time of the Korean Conflict, their daughter, Bonnie, was born (now Mrs. Bonnie Petty of Chesnee, S. C.) completing his "hitch" in the Navy, Melvin and his family returned to North Carolina where he completed his college education at Gardner-Webb College in Boiling Springs, having previously attended North Carolina State University. By this time both Melvin and Trudy were feeling the pull of God's call into His ministry. Upon completion of college, the family moved to New Orleans where Melvin attended the New Orleans Baptist Theological Seminary. Trudy found time to attend classes at the seminary, also. This was a difficult time financially but one the family remembers with great fondness.

Reverend Owens, upon graduating from New Orleans Seminary, again felt the pull of North Carolina. His first church "out of seminary" was the Shiloh Baptist Church of Rutherfordton. This was a special and happy time for the Owens' family. It was during this time that Mrs. Owens' dream for a second daughter was fulfilled as they adopted Rebecca (now Mrs. Becky Cooper of Forest City, N. C.)

Reverend Owens and his family moved three times over the years, prior to assuming the pastorate of the Mount Pleasant (R) Baptist Church, Forest City. Upon leaving Shiloh Baptist Church about 1960, Melvin became the pastor of the Arrowood Baptist Church of Chesnee, S. C. About 1967, he came to serve the Campfield Memorial Baptist Church of Ellenboro. South Carolina called again in 1970, and he moved to the Oakdale Baptist Church of Rock Hill. However, North Carolina was their first love and when the Mount Pleasant Baptist Church of Forest City extended a call in 1972, Melvin made his final pastoral change, from which he retired in 1983.

Reverend Owens was a strong supporter of the Baptist work in North Carolina and in particular, the work of Baptist in the Sandy Run Association. He served on many

of the committees of the association including the Search Committee that brought our present director to this association. He served as Vice-Moderator and Moderator of the association from 1978 through 1981. It was during this time that the present office site was purchased and the associational headquarters moved from the Main Street, Forest City, location.

Melvin was also a family man. He deeply loved his family which over the years grew to include six grandchildren, who he would readily name if given the opportunity.

His hobbies were numerous. he gave himself fully to each one. Especially "close to his heart" were his antique automobiles. He owned and restored a number of vintage vehicles. He enjoyed participating in Antique Car Rallies. He also enjoyed just "puttering around the house." This would be considered as yard work by some — for Melvin, it was enjoyment.

In his retirement, Melvin Owens was still active serving the Lord. He was serving as Interim Pastor of the Camp Creek Baptist Church, Union Mills, N. C., (Green River Baptist Association) when the Lord called him home on the afternoon of April 7, 1984.

It is with great pleasure that the churches of the Sandy Run Baptist Association dedicate these minutes to the memory of the Reverend William Melvin Owens, pastor, husband, father, grandfather, friend, but above all, servant of his Lord, Jesus Christ.

HISTORIES OF HOST CHURCHES
CLIFFSIDE BAPTIST CHURCH

The Cliffside Baptist Church was organized April 26, 1903, with 34 charter members. The total membership today is 735.

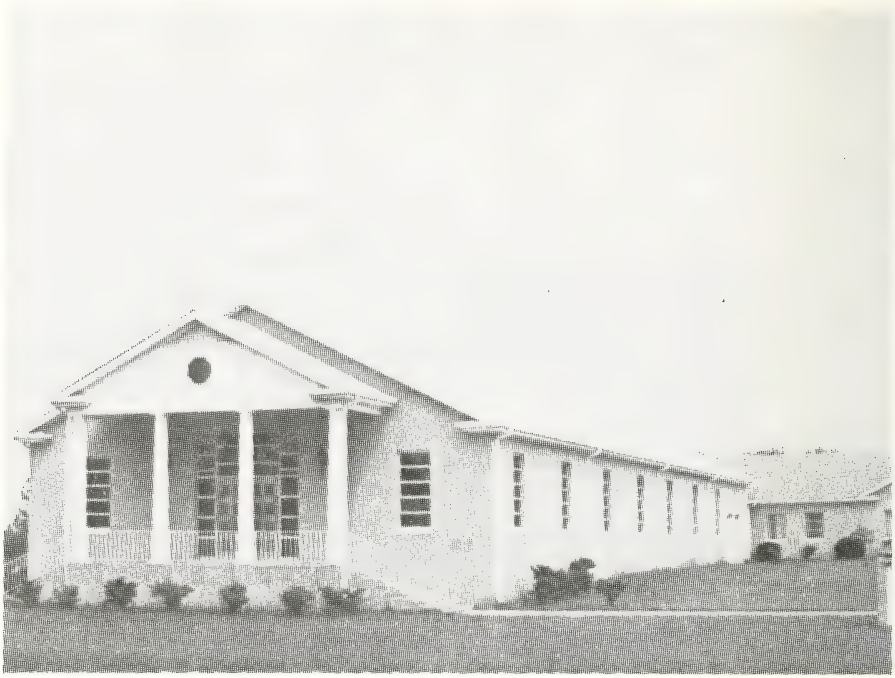
The first church building was a wooden structure erected in 1909. The present building replaced this structure in 1924. Over the years, the building has undergone extensive renovations. In 1960, a beautiful pastorium was erected at the corner of Highways 221-A and 120.

The first pastor to serve the church was Rev. R.A. Hedgepath. The church over her life span of 81 years has had 16 pastors. Rev. William A. Stroud, the present pastor, has served the church for ten years.

Dr. Zeno Wall was the first member of the church to be ordained into the Gospel Ministry. A total of 18 men have been ordained by the church over the years who went out to serve effectively in the ministry.

The church requested membership into the Sandy Run Baptist Association on September 20, 1903.

Through the years, the church has been strong in the support of missions and the Cooperative Program. We see the times change, the old landmarks disappear, the hair turn gray, but we still realize that we have the same heavenly Father, who guided the founders of this church to lay the foundations firmly on solid ground, and He is still guiding. Through our world mission support and ministry in and to our local community, we "press toward the mark for the prize of the high calling of God in Christ Jesus." (Phillippians 3:14)



HISTORIES OF HOST CHURCHES

CONCORD BAPTIST CHURCH

The Concord Baptist Church, with the gracious help of other churches, was organized October 14, 1804, with 31 charter members.

The physical facilities housing the congregation have changed a number of times over the past 180 years. The first services were held in homes until the first log building was constructed near the site of the present church cemetery. A second log structure was built between 1816 and 1845, which was later weatherboarded but never sealed. The church occupied its fourth building by 1900. The ground breaking for the present educational building was held at the present site in February 1961. The present sanctuary was constructed in 1974.

A pastorium was built in 1950, on land purchased from a Mrs. Owens.

During the 1950's, the church adopted the Cherry Mountain Valley Mission, which became a self-supporting church in 1960.

In November, 1956, the Concord Baptist Church received the "Rural Church of the Year" award.

The Concord Baptist Church was one of the nineteen churches that founded the Sandy Run Baptist Association on Thursday, November 27, 1890.

Over the past 180 years, some 29 pastors have served this great church. The Reverend W. Earl Waters, its present pastor, viewing the rich and progressive history of the church, has an optimistic outlook for the years ahead.

ADJOURN

9. Reverend Philip Bailey, pastor, Big Springs Church and Vice Moderator of the association, introduced the new pastors in the association present at this session. Pastors recognized were: Dr. Jesse T. Yarbrough, Caroleen; Reverend L. Chester Waters, Mt. Pleasant (R); Reverend W. Earl Waters, Concord; Reverend C. Wayne Revisky, Glenwood; Reverend J. Oliver, High Shoals; Dr. F. Thomas Jenkins, Jr., Forest City First; and Reverend Robert F. Toney, Camp's Creek. Reverend Bailey formally welcomed these new pastors into the association saying, "We look forward to serving the Lord together."

10. The Moderator called the association into its first business session:

A. Dedication Committee: Reverend B. M. Strickland, pastor, Broad River Church and chairman of this committee, moved that the 1984 Annual Minute Book be dedicated in the name of Mrs. Billy V. (Carolyn) Hardin and in memoriam to the Reverend W., Melvin Owens . Reverend Strickland asked the congregation to stand in honor of Reverend Owens, stating that he had been faithful unto death. He then led in prayer. Reverend Strickland indicated that this committee was still open to receive other nominations, if desired, for the

dedication of the minutes. The vote on this recommendation would be taken on the following evening.

B. Resolutions Committee: The Director of Missions, Reverend Otis J. Wheelhouse, Jr., referred to the procedures for making resolutions, as presented in the Advance Book of Reports, and urged that any resolutions to be made be turned in as quickly as possible.

C. Finance Committee: Reverend Philip Bailey, chairman of this committee, presented the Finance Committee report which was accepted. Our budget adopted last year called for $57,000. Receipts from the churches were under budget. He urged the churches to reconsider what we are doing for the support of our association. Reverend Bailey commented on the good response we had on our appeal for aid to Reverend Guy Cabaniss. He then presented the proposed budget for 1984-85. This was given as information with the vote coming the following evening.

D. Miscellaneous Business:

(1) Mr. Bill Huntley of Holly Springs Church came to bring word from his church and Pastor Wade Huntley, thanking Reverend Wheelhouse and the Sandy Run Association for the drive to help raise money for their church following the fire that destroyed their church building. Mr. Huntley thanked the association for the money raised and also for the many prayers rendered on their behalf. He indicated that this experience was not one of defeat but rather one of victory. Some 40 Sandy Run churches had sent money along with 38 other churches and some individuals, totaling, in round figures, about $61,000. "God is supplying our needs," he indicated, "and we have not had to cut back one bit. In fact, we have been able to give to others." A very warm thanks was given to all from the Holly Springs congregation.

(2). Moderator Brooks welcomed Dr. Garland Hendricks and Ms. Sylvia Mitchell, asking them to stand and be recognized.

(3) Reverend Ronald W. McSwain, pastor, Mt. Pleasant (C) Church, made the following motion as a messenger of his church:

I move that we adopt the three following goals for our Association:

1. That a committee of five be appointed by the moderator to develop a study to evaluate the ministries, determine the needs, and establish appropriate goals for our Association. That, George E. Shore, Director of Associational Development of North Carolina Baptist State Convention, be asked to assist in the process. The results to be compiled by this committee and the information shared at the Executive Board meeting on March 26, 1985, and with all those involved in the process.

2. That confirmed dates, times, and locations be printed in the associational calendar to enable advanced publicity of all activities.

3. That the Minutes of our annual meeting be available for churches by the January 31, 1985, Executive Board meeting. This motion was seconded. Reverend McSwain spoke to his motion, and in closing saying these are three good goals for our association and ask that you vote on these three goals.

Reverend Eugene Passmore, pastor, Campfield Memorial Church,

spoke to the motion. He stated, It's a good idea that we have a study and set goals. The other things are putting a strain on the one secretary we have. I make a substitute motion that we use the first things that he mentioned, that we have a planning committee, but that we delete the last two items.

Reverend Thomas Jenkins, pastor, Forest City First Church, asked if this was an amendment to the motion. Parliamentarian Bailey ruled that it would be an amendment. The amendment died for lack of a second. The question was called for. Moderator Brooks called for a standing vote and declared the motion carried by about 75 percent.

11. The Moderator welcomed Reverend Howard T. Dodd, asking him to stand and be recognized.

12. Mr. Curt Frederick requested that the congregation stand and greet one another. He then led the congregation in a hymn medley using "The Church's One Foundation," "Blest Be the Tie," "In Christ There Is No East or West" and "Leaning on the Everlasting Arms."

13. Moderator Brooks called upon the Vice Moderator, Reverend Philip Bailey, to preside.

14. Reverend Bailey called for the program reports:

A. Woman's Missionary Union: Mrs. Bobby Shytle, member of Bethany Church, and Associational WMU Director, presented this report. The report was adopted. Mrs. Shytle thanked Carolyn Hardin for her dedication and faithfulness to WMU. The WMU theme this year is "By Love Compelled," 1 John 3: 18. This year we want to endeavor to involve every church member in "Bold Missions." This is the final year of the Bold Mission Thrust emphasis. This year and continuing through 1988, the endeavor will be to double our membership.

B. Brotherhood: Reverend Carl Street, pastor, Wilson Church and Associational Brotherhood Director, presented this report. The report was adopted. He indicated that it had been a privilege to work with the men of the churches of the association. He urged those churches that do not have a Brotherhood, to put the formation of a Brotherhood organization as a priority on their prayer list. If you do have a Brotherhood and your men do not know what to do, take a look around — there are many things to be done around the associational office, or Holly Springs, or Mt. Harmony — and Wilson Church also needs your help. Give us a call, there is plenty to do. From now until Christmas, the emphasis should be on the Lottie Moon offering for foreign missions. Reverend Street urged the churches to give as much as possible.

C. Music: Mr. Curt Frederick, Associational Music Director, presented this report. The report was adopted. The continuing emphasis is to reach the lost and to strengthen our families. This is the year (1985) of the congregation. The music program desires to lead you to understand how you fit into the overall church music program. He encouraged the churches to work together and to work at involving the congregation more in the worship services than has been done in the past.

15. Reverend McSwain, speaking as past president of the Sandy Run Baptist Association Ministerial Conference, presented a chartered bus tour plan for the

Southern Baptist Convention to be held in Dallas, Texas, June, 1985. As information sheets were being handed out, Reverend McSwain explained the trip. This schedule would permit the ladies to arrive in Dallas in time to attend the WMU convention. He then reminded the group of the upcoming North Carolina State Convention.

16. Reverend David A. Jones, Chairman of the Registration Committee, reported 239 messengers, 38 visitors and 3 institutional representatives — a total of 280 — had registered.

17. Ms. Sylvia Mitchell, representing the Yokefellow Service Center of Forest City, reported that the Center had been started in 1967 for the purpose of serving the disadvantaged of Rutherford County. Clothing and food are made available as well as assistance for fuel, lights, water, and lodging for transients. Volunteers provide a local prison ministry and a ministry to Broughton (State hospital). Donated clothing is sold at very moderate prices at the Center. There is a Christmas Cheer Center held in conjunction with the Salvation Army each year that supplies food and toys to the needy. With assistance from the United Way Fund and local churches of all denominations, this Center is able to help those in need. Still needed by the Center are volunteers, food, clothing, and money. Ms. Mitchell, on behalf of the Yokefellow Center, thanked the churches and the association for the opportunity to be on the program and for their assistance.

18. Reverend Howard Taft Dodd, retired, and immediate past moderator of the Gold Hill Baptist Association (the Black association in the area), was recognized. Reverend Dodd said we (the Gold Hill Association) are getting on very well. He was anxious to come to this meeting (and to do so he relinquished other duties in his own convention in order to be present) and to thank this association for the assistance given to his association over the years. He related to the group about having received a plaque in November, 1982, honoring him for 26 years of being a pastor in Forest City and as a community leader.

Reverend Dodd continued to say, you have contributed to our welfare in a great way. It has been about 4-5 years ago, we were able to go to Shelby and help with a joint Vacation Bible School. At that meeting there were 50 converts. You have helped us for about 12 years or longer. Each year we are able to have a team of about eight people, who will receive state training and come back to our association and have an associational clinic for Vacation Bible School. We work very hard to initiate VBS schools throughout our association. We do have 16 churches. We do appreciate your help so very much. We will be blessed with your help in the future. In closing, he stated, "it is nice to be important, but it is more important to be nice."

19. Dr. Garland Hendricks of Gardner-Webb College was recognized to bring a report from the Annuity Board and the North Carolina Baptist Colleges.

A. Annuity Board: Sam O'Neal asked me to say something about the Annuity Program to the lay people in the churches. I ask four questions: (1) what would happen to your pastor's family if he dies next week? Have you made provisions for term life insurance — do you have him properly covered? (2) what would happen to your pastor and his family if he becomes permanently disabled? (3) what will happen to the pastor's family if he runs up a high hospital bill? (4) will your pastor and his wife live in dignity or poverty after he retires? Two-thirds of them (pastors) will not have

a home after they retire. Many of our churches are paying in only $400 per year (into the Annuity program). Many don't have the pastor in the annuity program at all. The average American male marries a younger woman and will probably leave a widow who will live about 7 to 20 years longer than he will. If you really love your pastor's wife, you will want her to live in dignity. We must take our responsibility seriously in providing for our pastors and their families. These are serious matters and we do have a good investment policy. Do you really love your pastor? Should he be penalized at the end of his life?

B. North Carolina Baptist Colleges: Greetings from Dr. Craven Williams, President of Gardner-Webb College. I am proud of the quality education given at our Baptist colleges and universities. Our schools and colleges are second to none, anywhere in America. The state of North Carolina is at the hub of America. Within 400 miles of the borders of North Carolina, 50% of the people live. People are coming here from all over. The future of the world is being shaped in North Carolina. We have good rainfall and good natural resources. Education is important. We are needing more and more. Education alone is not enough. We are going to need Christian education. We are going to need more and more education and with a Christian dimension. Dr. Hendricks then discussed the degree programs at Gardner-Webb College. A program has been started designed for the blind and deaf students so they can come to Gardner-Webb and earn a degree. Dr. Hendricks thanked the people for being a part of this institution.

20. Vice Moderator Bailey welcomed any visitors who may have come in.

21. Mrs. Peggy Hamrick led in the congregational hymn, "Come Thou Almighty King."

22. Mr. Max Toney, Deacon, First Broad Church, introduced Reverend A. Graham Brooks, Moderator for the Moderator's Address, describing him as a "community pastor." If someone has a need, regardless of whether or not they are a member of our church, he is always ready and willing to help. Mr. Toney said he was very proud to introduce his pastor. Mr. Toney then read the scripture, 1 Corinthians 3:1-9.

23. Mr. Frederick led the choir in the singing of "Take My Life, Lead Me Lord," accompanied by Mr. Jimmy Mason, organist, Cliffside Church; Mrs. Sharon Haulk, pianist, Florence Church; Mr. Mack McKeithan and Mrs. Martha Wilder, brass players, Florence Church.

24. Reverend Graham Brooks brought the message, rereading as his text, 1 Corinthians 3:9a, "For we are labourers together with God." This is a statement of the work of the Sandy Run Baptist Association — our churches working together — Christian people working together and serving the Lord. The New English Bible reads, "We are God's fellow workers." This is stating the great truth of the Sandy Run churches. "We are God's men working together to do the will of God, working for the Lord as God leads us." The first session was at Bethel Church in 1890 — the purpose to strengthen the local church and its faith with special emphasis on missions. It seems in more recent years that faith is something frowned upon. You listen to the radio and television as people talk. Many people do not know what it is to be "born again." We know what "born again" means for we have had an encounter with the Lord. Because of this encounter, we have the message of God to man. We have this

message in the Bible. Our task is to proclaim this message so that it will be heard and understood by the multitudes that know nothing of salvation. We have this message of God to man in our Saviour Jesus Christ. We have a living Lord. No other religion can say that. Christ lives! And, because He lives we have His mandate to, "Go into all the world." This is a mission for God. It is a divine mission. We in the Sandy Run Association have our Judea right here. We are trying as the psalmist said in Psalm 67, to witness so that God's way will be made known to them. That's the work of the Sandy Run Association.

We have a great message. We have a great Saviour. We also have the means. People now have more money than ever before and they give more money than they ever did before. We have the material things. We need to give more to our association. If we gave what we should be giving, we would not be in debt. We would have paid off our property debt. We have the message — we have the Saviour — we have the means. We also have the power. We have the same Holy Spirit as those preachers on radio and television. We have great preachers right here in our association. We have preachers who do speak with power.

We are people on a journey. My prayer is that we will go forward together. We should work with and for God. It is a high privilege to have God working with us. We want to journey together. Going together with the Lord and with one another is such a great joy. I wish people all over the world would join their hearts and hands together going forward for the Lord. It pays to cooperate. When we do not cooperate, we fail or do less than we should.

An antelope was grazing out there. Someone had set a fire. The antelope was running away to save his life. He heard a little voice saying "Save me or I die." It was a small spider. The antelope told the spider to "climb up my foot." The spider did and the antelope raced out of harm's way. "Thank you," said the spider, "for saving me." "Perhaps someday I will be able to save you." "Now what can the spider do for someone such as I?" thought the antelope. The antelope heard some dogs coming. He fled to escape the hunters, but they were overtaking him. A wee voice said, "Let me help you. Hide in the grass!" It was the spider. The spider spun a web over the antelope's tracks. The hunters, finding the trail and seeing the spider's web, thought this to be old spoor and moved on looking for their game.

Still, in South Dakota, a lady was ironing clothes. Her three-year old daughter, playing nearby, wandered off. When the lady missed the child and couldn't find her she became frantic. They hunted for the child without success. As a last resort, the rescue workers joined hands and searched the wheat field by the house. They found the child, but it was too late. The mother cried out, "Why didn't you join hands sooner." This same cry comes to us, "Why don't we join hands — someone might be saved."

God bless you is my prayer.

25. The Vice Moderator adjourned the meeting to meet with the Concord Church the following evening, closing with prayer.

SECOND SESSION

26. The Second Session opened at 6:30 p.m., at the Concord Baptist Church, Bostic, N. C., with the registration of messengers and guests.

27. The meeting was opened with a Call to Worship from the Responsive Readings in the hymn book, led by Reverend Bobby Jones, Minister of Music and Youth, Caroleen Church. The responsive reading was "Acceptable Worship" using Psalm 24 and John 4:23-24.

28. The congregation was then led in the singing of the hymn, "I Am Thine, O Lord," by Reverend Bobby Jones.

29. Reverend Graham Brooks, Moderator, called the Second Session to order.

30. Reverend W. Earl Waters, pastor of the host church, welcomed the association to Concord Church.

31. Reverend Lee Causby, Jr., pastor, Victory Church, presented a devotional thought, using as his text, Matthew 26:39-41, and led in prayer.

32. Vice Moderator Philip Bailey asked if there were any pastors or staff members new to the association since the last annual meeting who had not been introduced on the previous evening. There were none.

33. Reverend Otis J. Wheelhouse, Jr., Director of Missions, led the annual Memorial Service, concluding with a period of silent prayer and then leading in prayer. A quartet composed of ministers of music, Curt Frederick, Carroll Kirby, Bobby Jones and Malone Thomason, sang, "I Know Whom I Have Believed," with the congregation joining in on the last verse.

34. Reverend Wheelhouse was recognized for the Director of Missions' Address. He gave a slide presentation on "The Work of the Association." (This message is printed elsewhere in these minutes.)

35. Mr. Curt Frederick led the congregation in a medley of hymns, "What a Friend We Have in Jesus," and "Jesus Is All the World to Me." He then asked the people to shake hands with one another, to meet a new friend in Christ, and then continued with the singing of "Jesus Loves Me" and "Trust and Obey."

36. The Moderator called the association into its second business session:

A. Moderator Brooks recognized Reverend Robert T. Parsons, Jr., pastor, Race Path Church, who would be speaking later representing Fruitland Baptist Bible Institute.

B. The Moderator then read the motion made the previous evening by Reverend Ronald McSwain regarding the appointment of five people to a special associational study committee.. The Moderator then appointed the following persons to this committee: Reverend Joe Richards, Chairman, pastor, Sandy Mush Church; Dr. F. Thomas Jenkins, Jr., pastor, Forest City First Church; Reverend W. Earl Waters, pastor, Concord Church; Reverend Ronald W. McSwain, pastor, Mt. Pleasant (C) Church; and Dr. Wayne H. Blackwood, pastor, Bethel Church.

C. Dedication Committee: Reverend Broughton M. Strickland, Chairman, made a motion, seconded by his committee, that the 1984 Annual Minutes be dedicated to Mrs. Billy V. (Carolyn) Hardin and in memoriam to Reverend W. Melvin Owens. There were no other nominations from the floor. The motion carried.

D. Finance Committee: Reverend Philip Bailey, Chairman, moved for the adoption of the proposed budget for 1984-85 which had been presented the previous evening. The motion was seconded. A brief discussion followed. The budget was adopted without opposition.

E. Place and Preacher Committee: Reverend David A. Jones, Chairman, moved that the Ninety-Sixth Annual Session of the Sandy Run Baptist Association be held on Monday, October 28, 1985, with the Holly Springs Church, Rutherfordton, and on Tuesday, October 29, 1985, with the Wall's Church, Bostic. The preacher for the Annual Sermon will be Reverend Ronald W. McSwain, pastor of Mt. Pleasant (C) Church, with Reverend J. Hubert Street, pastor of Goode's Creek Church, as the alternate. This report was seconded and carried.

F. Nominating Committee: Reverend Wheelhouse, acting for this committee, presented this report. The report was adopted.

G. Election of the Moderator and Vice-Moderator: Reverend Wheelhouse, representing the Nominating Committee, placed in nomination:

(1) the Reverend A. Graham Brooks for a second term as Moderator. There were no other nominations from the floor and Reverend Brooks was elected by acclamation.

(2) the Reverend Philip D. Bailey, parliamentarian, as Vice-Moderator. Reverend Bailey had been serving as Vice-Moderator since the first of August, 1984, filling the position vacated by Reverend Paul T. Brock upon his retirement and move away from the association. There were no other nominations from the floor and Reverend Bailey was elected by acclamation.

H. Miscellaneous Business: Reverend Robert W. Haynes, pastor, Mt. Olivet Church was recognized. Reverend Haynes stated that as pastor of a small church it bothered him that no one representing the smaller churches had been appointed to the special associational study committee. He made a motion that two additional members be added to this committee to include those churches with an annual income of less than $50,000. This motion was seconded. A brief discussion followed. The motion carried.

37. Moderator Brooks called upon the Vice-Moderator to preside.

38. Reverend Bailey recognized the representatives of the agencies and institutions of the Convention present.

A. Annuity Board: Reverend Walter E. Boone, retired, said he appreciated what Dr. Hendricks had said the night before and did not have anything to add.

B. **Biblical Recorder**: Reverend W. Vann Carroll, retired, presented this report. "Every true Baptist believer a faithful **Recorder** reader" is a goal set for the ministry of the paper designated to serve the cause of Christ by serving all of His people in North Carolina. Reverend Carroll urged the people to subscribe to and read the **Recorder**.

C. Thermal Belt Baptist Youth Shelter: Mr. Oscar Dodson, houseparent at the Youth Shelter gave a report on the home. This is an emergency care home located in Forest City. The home can house a total of six, ranging in age from 3 to 18 years old. A policy change was made a few years ago and now the home provides for boys only. Mr. Dodson told of several incidents of young lives being helped and changed. This home is a joint venture between the Sandy Run, Green River and Polk Associations and the North Carolina

Baptist Children's Homes. Mr. Dodson thanked the group for their support of the home.

D. Cooperative Program: Reverend Eugene Passmore presented the Stewardship Report. A church that supports the Cooperative Program and gives to the Association is providing a strong foundation for the work of missions. The church is the church only to the extent that she is committed to something outside of — beyond herself. We, too, truly become the church as we look beyond ourselves and minister to the world — starting right here.

E. Mr. Charles Tanner of the Baptist Children's Homes was recognized. He said it was a delight to be able to come to meetings such as this and thanked the churches for giving to the Cooperative Program. November 11 of this year will begin the 100th year of child care at the Homes. He urged the churches to do something to commemorate this feat.

F. Reverend Robert Parsons, pastor, Race Path Church, spoke representing Fruitland Baptist Bible Institute. He expressed the Institute's appreciation for everything the churches have done. The Institute does not have a full time faculty. It does not have a paid staff, although the staff does receive an honorarium. Thanks were given for the support of the Cooperative Program. Recently, Fruitland has been charged with raising additional funds to get the Institute in the "black." The goal is to raise $200,000. Contributions are always welcome. The churches were invited to bring their missions groups, GA's, RA's, or just to come and visit the Fruitland campus.

G. Mr. Jim Sauls of the Baptist Retirement Homes of North Carolina was recognized. Mr. Sauls called attention to the name change of the Homes as referred to in the agency's report (appearing in these minutes). He indicated that many of the people living there would not be able to do so if it were not for the support received because of gifts made to the Cooperative Program.

H. Mrs. Polly Branch, member of Florence Church and associational Baptist Hospital representative, presented that report. Mrs. Branch said her family had nothing but good words for the hospital. The hospital has a great future. She asked that we keep the hospital and its staff in our prayers.

39. Reverend Ronald McSwain was recognized and again presented the chartered bus tour plan sponsored by the association's Ministerial Conference for the Southern Baptist Convention to be held in Dallas, Texas, in June, 1985.

40. Reverend David A. Jones, Chairman of the Registration Committee, reported 197 messengers, 19 visitors and 4 institutional representatives — a total of 220 — had registered. Reverend Jones expressed thanks to the Cliffside Church and the Concord Church for their assistance in registering the messengers and guests.

41. Reverend Philip Bailey turned the program back over to the Moderator.

42. Moderator Brooks, in regard to the vote taken earlier to add two more people to the special associational study committee, appointed Reverend Robert W. Haynes, pastor, Mt. Olivet Church, and Reverend Gary C. McNair, pastor, Smith Grove Church, indicating that he had not had an opportunity to contact these men and hoped they would serve.

43. Reverend Wheelhouse presented the following resolution for the Resolutions Committee:

> WHEREAS, the Ninety-Fifth Annual Session of the Sandy Run Baptist Association met October 29th and 30th, 1984, at the Cliffside Baptist Church and the Concord Baptist Church, respectively, and
>
> WHEREAS, Pastor William Stroud and Pastor Earl Waters and each of their respective congregations have carefully and adequately planned for our comfort and convenience, and
>
> WHEREAS, these two churches provided assistance in our parking, in our registration process, and opened their facilities to us,
>
> BE IT THEREFORE RESOLVED that we express our grateful thanks for their welcome and for the privilege of meeting with them at these churches.

This resolution was approved by the messengers. There were no other resolutions presented.

44. The congregation was led in the singing of the hymn, "All Hail the Power of Jesus' Name," by Reverend Carroll Kirby, Minister of Music and Education, Bethel Church.

45. Reverend Ronald W. McSwain introduced Reverend Broughton M. Strickland, pastor, Broad River Church, for the Annual Sermon. Reverend Strickland has served as a pastor for 53 years, 36 of these have been in and out of the Sandy Run Association. He has been pastor of the Broad River Church for the last eight years. Reverend McSwain then read the scripture, Luke 14: 1-15.

46. Mr. Curt Frederick sang a solo, "I'll Tell It Now," accompanied by Mr. Steve Davis, organist, Concord Church and Miss Denise Martin, pianist, Caroleen Church.

47. Reverend Broughton Strickland's text for his message was Luke 14:1-15 as read by Reverend McSwain. Jesus ate a meal in the home of the leading pharisee. They watched Jesus. He watched them just as much as they watched Him. They knew He was watching them. He never failed to take advantage of their schemes. He knew them. He knew what was going on in their hearts. He knows what is in each of our hearts. I want you to notice what Jesus did as He saw these people. He had to rebuke someone. Here were ambitious guests. All of them were. He rebuked the host. He saw that they were giving an invitation to get an invitation in return — they were repaid. It is possible that we could get our reward here and not have a reward in heaven. He rebuked a selfish choice. They made their way to the chief places for selfish purposes. They wanted to get ahead of someone else — before someone beat them to the best place. They did not defer to someone. They wanted the best places. This hurts in our churches. People want to get up in the chief places. There is a scouring today for the best places — it was not only in the synagogue but here too. They want the chief places to tell us what to do. We get ahead and we ruin ourselves just like Lot did. Lot wanted the best place. He saw the valley as a child might see a shiny red apple. He desired it, Abraham let him have it and it ruined him.

Slaughter was a great preacher. He said you folks come in here thinking you are a big shot, thinking you can pay your way. You ought to come in here praying to the Lord to make you a better person. In verse 11, Jesus says that whosoever exhaulted himself — that is, thinks himself important — shall be humbled — that is, made

insignificant. The man who seeks to make himself important will become insignificant. All of us have a little streak of this in us. Jesus said that is not the way. The more egotism in us the less reward when we get to heaven.

He rebuked the host for calling to the feast those who could pay him back. Our reward comes in heaven — there — rather than here and now. Jesus said He would make sure we will be taken care of at the resurrection. We are clannish today. We have circles. If you don't qualify, you can't get in. We are too exclusive in the work of the Lord.

A pastor worked hard to get a family to come to church. They finally came and sat in the back of the church. They were not well dressed. After the service, no one spoke, no one welcomed them. The people just marched right past. The church had good people. They believed in the church. They believed in the Bible. But, they went right past these people without a welcome. If we don't show love why continue to try to reach people. A lot of folks come to the church and they don't find any love. They go back home and the good people are the cause of it. The "good" people are satisfied with their own crowd. Jesus said to go out and compel them to come in. Southern Baptists could get more in our churches if we would just act as we should. We just don't do it. We could fill our churches today if we just did what Jesus told us to do.

People hunger for love. A little boy lost his dollar. A stranger asked the boy why he was crying. He told him his father had given him a dollar and sent him to the store for some things but somehow he had lost the dollar and now he couldn't go home. The man told the boy all he had to do was explain to his father and everything would be all right. The boy said, "but you don't know my father." So, the stranger took the boy inside the store and bought the things he needed. Outside, the boy grabbed the man around the leg and said, "I wish you were my daddy." People are hungry for love. Have you been a real friend to folks regardless of circumstances? In closing, I want to share this poem with you:

The Living Sermon

I had rather see a sermon than to hear one any day.
I had rather one would walk with me than merely show the way.
The eye's a better pupil and more eager than the ear.
Fine counsel is confusing, but example's always clear.
The best of all the preachers are the men who live their creeds.
For to see the good in action is what everyone needs.
I can soon learn how to do it if you will let me see it done.
I can watch your hands in action, but your tongue too fast may run;
The lectures you deliver may be very wise and true,
But I had rather get my lessons by observing what you do.
I may not understand the high advice you give
But there's no misunderstanding of how you act and how you live.

48. Moderator Brooks said, "and all the people said amen."

49. Reverend Wheelhouse then presented special awards in the area of church study courses for the year 1983-84. The Sunday School award was received by the Sandy Mush Church and the Church Training award was received by the Mt.

Harmony Church. An award in the area of overall study courses studied was presented to the Wilson Church.

50. A plaque was presented to Reverend Paul T. Brock, in his absence, in appreciation of his work as Vice-Moderator for most of this past year. This plaque will be given to him at a later date.

51. There being no further business and the program agenda having been completed, the meeting was adjourned with prayer, led by Reverend W. Vann Carroll, retired Director of Missions.

MINISTERIAL CONFERENCE MEETS EVERY MONDAY, 10:30 A.M., FIRST BAPTIST CHURCH, FOREST CITY

EXECUTIVE BOARD MEETINGS

The Executive Board of the Sandy Run Baptist Association met in conference four times during the past associational year. Each church is entitled to be represented on this Board by her pastor and two elected members.

SUMMARY REPORT OF THE MEETINGS:

1. January 31, 1984 — The Board met at the Glenwood Baptist Church. Thirty Churches were represented by 21 pastors, 38 representatives and 1 visitor.
   A. The Devotional Period was led by Reverend Frank Hoyle, pastor Mt. Harmony Church, using I Cor. 1:17ff.
   B. Program reports were made by the W. M. U.
   C. Committee Reports:
      a) Finance: Reverend Paul Brock, Vice-Moderator, presented the financial report as information.
      b) Nominating Committee: Reverend Otis Wheelhouse, Director of Missions, presented this report. Reverend Wayne Blackwood, pastor of the Bethel Church was nominated as the Sunday School Director. This was seconded and approved.
      c) Missions Committee: This Committee moved that the Liberty Baptist Church, having completed their one year watchcare period, be accepted into the full fellowship of this association. The Motion was seconded and carried.
   D. Two members-at-large to the Executive Committee were elected. Reverend Charlie Blackwell, pastor, Harmon Street Church and Reverend Joe Richards, pastor, Sandy Mush Church, were reelected to serve on this committee.
   E. A request was made by the Fruitland Baptist Bible Institute (letter from the President) to this association to aid in the formation of a course to be added to their curriculum in the area of Associational Missions. The request was for a continuing support gift of $100.00 per year. Rev. Wheelhouse, speaking to the request for the Executive Committee, indicated that it was the concensus of the committee to approve this request with the provision that if the course did not materialize or if we felt that this course was not in the best interest of the association, the support could be stopped. A motion was made for approval and carried.
   F. Reverend Wheelhouse reported on the Building Fund Drive for the Holly Springs Church. A letter had been received from the pastor, Reverend Wade Huntley, expressing his church's appreciation to all the churches and individuals making contributions to this fund.
   G. A special meeting had been arranged by the Associational Secretary, Mrs. Allene Wheelhouse, with the Internal Revenue Service to have a representative of the I. R. S. present the new laws concerning Social Security and the Churches. The meeting is scheduled for February 21, 1984, at the First Baptist Church of Forest City, starting at 7:00 p.m.
   H. A request was made from the Moores Grove Baptist Church (by letter), a black congregation in Polk County, for financial assistance to help replace church equipment lost by the church in recent thefts and to aid in obtaining a much needed furnace. Each church was asked to consider these needs and respond

as directed by the individual congregations.

2. March 29, 1984 — The Board met at the Victory Baptist Church, Ellenboro, N. C. Seventeen churches were represented by 11 pastors, 20 representatives and 3 visitors.
   A. The Devotional period was led by the Reverend Chester Waters, pastor of the Mt. Pleasant (R) Church, using Hebrews 11:1ff.
   B. Program reports were made by the Sunday School, W. M. U., Church Training.
   C. Committee Reports:
      a) Finance Committee: Reverend Graham Brooks, the Moderator, presented the financial report as information.
      b) Stewardship: Rev. Eugene Passmore, pastor, Campfield Memorial Church, reported on the Stewardship Briefing and Luncheon held at the Bud's Steak House, Forest City, on March 5, 1984. Reverend Passmore urged all the churches to strive to reach the goal of 3% of their budget as an associational support level.
   D. A report on the Sunday School Enrollment/Enlargement Campaign was made by Reverend Wheelhouse. The churches are to be ready to commit themselves to this campaign by the next preparation meeting to be held on April 30, 1984
   E. The meeting with the I. R. S. representative, held on February 21, had been very informative. Churches needing help in this area were urged to contact the associational office for information and procedures for meeting the new Social Security requirements.

July 12, 1984 — the Board met at the Florence Baptist Church, Forest City, N. C. Twenty-one churches were represented by 11 pastors, 23 representatives and 3 visitors.

   A. The Devotional period was led by Reverend Earl Waters, pastor of the Concord Church, using Romans 11:33ff.
   B. Program reports were made by the Sunday School, W. M. U. and Church Training.
   C. Finance Committee: Reverend Wheelhouse presented the financial report as information.
   D. A thank-you note from the Gold Hill Baptist Association was read by Reverend Wheelhouse, thanking this association for the financial aid given in the area of Vacation Bible School.
   E. The "Good News America, God Loves You" evangelistic emphasis of the SBC for 1986 was presented by Reverend Wheelhouse. The plan, including the week of simultaneous revivals, was explained and the program presented to the Board for associational participation. A vote on the association's part would not be binding on the local church to participate. Each local church must vote to participate. If the local churches were not involved, the vote of participation on the associational level would be meaningless as the plan is activated on the local church level. The motion was made for the association to plan to be involved in this effort. The motion carried.
   F. Mr. Curt Frederick, Associational Music Director, invited all other Music Directors to meet for lunch and fellowship. Churches needing help with their

Music Programs were urged to contact him.

G. Reverend Otis Wheelhouse announced that the Reverend Paul Brock, pastor of the Shiloh Church and Associational Vice-Moderator, would be retiring at the end of July. This would complete 46 years of active ministry participation on Reverend Brock's part. Appreciation was expressed to him, on behalf of the association, for his service as Vice-Moderator.

H. Reverend Philip Bailey, pastor of the Temple Church and Associational Parliamentarian was introduced to the Board as the new acting Vice-Moderator, replacing Reverend Brock, as provided for by the Association's Constitution.

4. October 11, 1984 — The Board met at the Bethany Baptist Church. Twenty-five churches were represented by 13 pastors, 32 representatives and 3 visitors.

A. The Devotional Period was led by the Reverend Robert F. Toney, pastor, Camp's Creek Church, using I Cor. 3:1-9.

B. Program Reports were made by the Sunday School and the W. M. U.

C. The Associational Calendar was presented by Reverend Otis Wheelhouse, D. O. M.

D. Committee Reports:

a) Dedication Committee: Reverend Broughton Strickland, pastor of the Broad River Church and Chairman of this committee brought the recommendation to dedicate the 1984 Annual Minutes to Mrs. Billy V. (Carolyn) Hardin and in memoriam to the Reverend W. Melvin Owens. A motion was made to present these names to the Annual Session for approval. The motion was seconded and carried.

b) Program/Registration Committee: Reverend David A. Jones, pastor, Gray's Creek Church and Committee Chairman, presented as information the planned agenda for the 1984 Annual Session.

c) Finance Committee: Reverend Philip Bailey, pastor Big Springs Church and acting Vice-Moderator, presented the financial report as information. Reverend Bailey presented the proposed operating budget for 1984-85 as information.

d) Missions Committee: Reverend Otis Wheelhouse brought this report. The Victory Baptist Church, having completed the required year of Watchcare on September 29, 1984, and this Committee finding no reason that this church should not be brought into fellowship with the association, recommends that the Victory Baptist Church be released from the Watchcare of the Association and be accepted into the full fellowship of the association. This recommendation was seconded and carried.

e) Stewardship: Reverend Eugene Passmore, pastor of the Campfield Memorial Church, and associational Stewardship Consultant, reported that many of our churches were not yet at the 3% level of giving to the associational program of ministry. Our talk of money is really talk about people. The churches were urged to support the association "in a great way."

E. Reverend Wheelhouse reported on the Guy Cabaniss Fund. Contributions were continuing to be received from our churches in response to this pastor's need.

TAX REGULATIONS ORIENTATION MEETING

A special meeting was held on February 24, 1984, to provide the information needed by our churches in preparing for the new Federal Tax Regulations that were going into effect. The Income Tax/Social Security Seminar was held at Forest City First. A special consultant with the I. R. S. led this meeting. All the forms necessary for the church to make a proper filing were distributed and explained. A number of individual conferences were held with churches following this meeting by our associational staff as our churches prepared to comply with these new governmental reguiations.

CHURCH STUDY COURSE SUMMARY REPORT

This report is based upon information supplied to the Association from each of our local churches as part of their annual letter to the association.

Fifteen of our churches reported requesting study course credits this past year. The total number of credits issued to these churches was 1,209. This is a good number of credits, but many of our churches that held the January Bible Study and the Home and Foreign Mission studies did not turn in these courses for credit. We need to report all of our studies so that our people can take advantage of the Study Course Program and can receive the diplomas that they earn.

The special Study Course Award Plaques for 1984 are given in the areas of Sunday School, Church Training and total Chruch Study Course.

1. **The Sunday School Award Plaque**: for study in the area of Sunday School and its related areas of Age Development, is awarded to the Sandy Mush Baptist church with a total of 45 credits in this area.

2. **The Church Training Award Plaque**: for study in the area of Church Training, Christian History, Christian Ethics, Christian Doctrine, the Christian Family, Christian Growth and Service, is awarded to the Mount Harmony Baptist Church with a total of 88 credits in this area.

3. **The Church Study Course Award Plaque**: is awarded for study in all categories of the Church Study Course Program and is presented this year to the Wilson Baptist Church with a total fo 257 credits.

DIRECTOR OF MISSIONS ANNUAL ADDRESS

(This was given as a slide presentation)

When we talk about the Southern Baptist Association or better still, the Sandy Run Baptist Association, what exactly are we talking about...What does it do?

Time limits discussion on all aspects of the associational work but in the time alloted, I will attempt to hit the high spots and give at least a partial answer to the question.

The strength of Southern Baptists is due, in a large part, to our ability to work together. We pride ourselves on being independent, autonomous congregations and yet we also readily recognize our interdependence upon one another. We draw strength from one another. We learn from each other. We work together to do missions, educational work and benevolent work.

In order for us to reach beyond the limits of the geographic local congregation, we organize ourselves into Associations, State Conventions and the Southern Baptist Convention. We do this to enable us to do collectively what we cannot do alone. We do this in order to help each church better accomplish that distinctive work God has called her to do.

Southern Baptist Boards and Agencies cooperate together and with the State Conventions and local Associations to carry out the common task of helping churches carry out their work. Our Mission Boards, using Cooperative Program and special offerings, provide for the needs of thousands of missionaries here at home and on the foreign field.

State Conventions and especially the associations help by informing the churches of the work of missionaries and explain how the local offerings are being used and to present the need for additional personnel and funds.

It is in this manner, cooperative action, that Southern Baptist Churches have maintained on the Foreign Mission Field the largest missionary force among all the evangelical denominations.

The Sunday School Board and other agencies, prepare for the churches, materials for Bible study, Mission studies, and leadershp training. The association attempts to interpret these materials to the local church and to assist the church in choosing those materials which best meet their own needs.

It is because of these combined efforts that materials written by Baptists for Baptists, containing Baptist doctrine, teaching and polity are used by nearly all the churches affiliated with the Southern Baptist Convention.

The association has one purpose, to serve the churches. This is why the association came into existence. The association was the first Baptist Denominational unit developed beyond the local church. This idea of voluntary grouping of Baptist Churches into associations originated with the English Baptists in the 1640's. The first such grouping in this country was with the formation of an association in Philadelphia in 1707. This pattern has been followed in the East and South. There were six associations in America before 1767. When compared with the longevity of the Southern Baptist Convention, which was formed in 1845, the association is indeed, "the oldest kid on the block."

Associations have always attempted to act as a main link of Southern Baptist life. The associations in North Carolina now number 80.

The association, historically, serves in a unique position that no single church can fill. The founding fathers of the associations placed power in the association to do two basic tasks:

1) the association was to be a sounding board for the debate of doctrinal and polity issues that might develop among the churches. The authoritative voice was (and is still) that of the association in settling such issues.

2) the association was the keeper of the "pure faith." The association was to maintain unity of faith and practice. The associations still have this task. The authoritative voice in Southern Baptist life as to defining Baptist beliefs and practices still remains with the association. The association remains the only Baptist organization empowered to correct and even censure the local church for practices and/or beliefs and practices contrary to the beliefs and practices of the association.

In addition to these two fundamental and historic directives to the association, the association attempts to assist the churches in other ways.

The association interprets denominational programs to the churches and helps involve the local churches in the life of the denomination.

The association provides opportunities for fellowship and inspiration.

The association provides the organization and leadership for cooperative work among the churches.

The association continually seeks to discover the needs of the local church and to plan and conduct activities and training to help the churches meet these needs. This requires coordinated action among the program organizations of the associations.

The associational worker that is most visible is the Director of Missions. The Director's task is to see that the association functions to help meet the needs of the churches.

The entire program needs of the church must be considered as the association plans and develops programs and training to help strengthen those of the local church.

Part of the association's assistance to the churches is done through the associational committees, such as the Ordination Committee that acts on the request of the local church to screen potential deacons, pastors and staff that the church is considering to ordain.

The Missions Committee attempts to coordinate efforts of our churches to meet the needs of our local community.

The Pastor/Church Relations Committee is a special associational committee that functions in the crisis times of the local church and is activated by a request from the leadershp of the local church. This committee's task, which is highly confidential in nature, works with the church leaders, the pastor and on occasion the entire congregation, to help solve the crisis or problem before the situation escalates into a disruption of the fellowship of the church. The object of the work of this committee is to restore the fellowship so that the ministry of the church can be resumed. This committee is chaired by the Director of Missions.

The Recreation Committee sponsors activities and events, league play and

tournaments, to involve the local church in Christian sports. These activities not only involve the youth of the churches but the adults as well.

Events such as Day Camping and Backyard Bible Clubs are sponsored by the Sunday School, Church Training and W.M.U. Organizations. Again, we find that the adults are as excited about these events as are the children.

Youth Night is a Church Training-sponsored activity. Our adults are often challenged as much, possibly more, than our youth.

Special training is offered in all aspects of the life of the church. Training is provided for all church committees from Buildings and Grounds to the Ushers and all in between.

Training in each program area is offered to the leaders of the churches. The Vacation Bible School Clinic is one of the most popular of these training events.

Training is offered in the area of church ministry as well. Deacon and pastoral training is offered. Program aids, such as filmstrips, training modules and audio tapes are made available for in-church training.

Each year, Key Leaders of the association spend three days at the Ridgecrest Conference Center where they receive special training and briefings for the work of the church for the coming year. The Baptist State Convention provides this training experience.

The Annual Session of the Association is usually well attended, even when the weather is not the best. The Annual Session allows for a period of fellowship while the association does its annual required business. Each church has a voice through their messengers to help plan the business of the association.

We hear good sermons. We also have guest speakers. And, yes, we have, what seem to some, boring business sessions. This is the time when the association does its necessary business with all of its churches.

Now, for a few moments, let me share with you some of the aspirations and dreams that I have for the association.

The Key to the association's ministry is the volunteer worker. Our desire is to enlarge the base of trained associational workers. We must reach out and tap the laity for leadership positions.

We presently have the strongest Brotherhood leadership team that we have had in the past few years. This staff must be enlarged to allow these leaders to concentrate on specific areas of the program.

The weakest area at the present time is in the area of Church Training. In this area we need a complete staff.

We have strong Sunday School and W. M. U. organizations. We want to utilize these leaders in providing summer camps and backyard Bible clubs during the summer.

The enlistment and training of mission volunteers, who will be on call to respond to crises and disasters regionally, is one of our priorities. These workers would work closely with the state convention's Baptist Men's Organization.

We need to increase the associational secretarial staff. We need to add at least a part-time worker.

Future enlargement of the associational staff should include the consideration of a trained counselor, who would become a referral agent for the local pastor when

such a need arises. This will give our pastors an additional dimension to their personal work.

High on the list of priorities for the future is the development of the associational grounds. Plans are being made for this area. Only one's imagination limits its usage. You can share your ideas and dreams with our Properties Committee.

What can we have? We envision a prayer center, a training center, a retreat center, a recreation center and a park.

All of these plans require, first of all, a stronger financial commitment on the part of our churches. We need to go ahead and retire the remaining debt on the associational property. We need to continually build a stronger financial base for the association's programs.

Our Churches were urged to set a goal for their offering to the association of at least three percent (3%) of the undesignated offerings. This was adopted in 1940. Over the last 44 years a number of our churches have reached this goal. Others have yet to reach 1%. Our statistical report for the year will indicate where your church is in relation to this goal.

The association is not funded with cooperative program monies. We do not receive state assistance. We rely solely on the gifts of our participating churches. If we had received the 3% from our churches this year, the associations receipts would have been $128,000 (this excluded all those churches receiving income of less than $20,000). The future of this association and whatever growth it will have depends entirely on our local churches and their desire to build and support their association.

There are other dreams we can share. We can consider the enlargement of our audio-visual work to include television and radio ministries. Our Continuing Educational program needs to be updated.

But our basic desire is to be useful to all of our churches in providing assistance, training, encouragement and support in all aspects of the church's ministry. Our desire is to help each church reach the potential God has intended for her to reach as she ministers to her community. To do this requires a cooperative effort on the part of the association and of the local church. The local church must allow the association to provide this assistance.

Our task as churches is to proclaim the gospel, reach modern man with this gospel message, witness to him, lead him to a saving knowledge of our Lord, Jesus Christ, to teach him and to aid him in becoming a mature Christian. Your association wants to help you do this great task. Let us help you.

MINISTRY-ACTION BUDGET
SANDY RUN BAPTIST ASSOCIATION
October 1, 1984 - September 30, 1985

Missions is the purpose of the Association. The Associational Missions Program is a means by which the churches work together to reach people for Christ, train leaders, develop Christians, minister to human needs, and establish new churches and missions. All people, regardless of language, race, lifestyle or culture should have the opportunity of hearing and responding to the gospel. Ministry action budgeting is the process by which an association identifies needs, evaluates ministries, and funds actions for reaching its objective. The association thus seeks to utilize its financial resources in keeping with its mission.

OUR MINISTRY OF GENERAL ASSOCIATIONAL STAFF LEADERSHIP

Studying church, associational and community needs, planning mission strategy and ministering to churches and persons in need are a part of our reason for being. Our Director of Missions gives leadership and general direction to our total associational program.

BOLD TEACHING

This association exists to serve churches. Part of our missions is to assist the churches in their educational programs. This is done in program development and leadership training. Associational leaders interpret convention programs and assist churches in adapting them to meet their needs. They also enable churches to build their own programs when these are needed. Having association-wide training conferences for church leaders is another service to the churches.

DEDICATION COMMITTEE REPORT

The Dedication Committee recommends that the 1984 Annual Minutes of the Sandy Run Baptist Association be dedicated to Mrs. Billy V. (Carolyn) Hardin and in memoriam to the Reverend W. Melvin Owens.

Mrs. Hardin has served with the associational W. M. U. for several years, serving as W. M. U. Director for the past three years. She remains active in this organization. In addition to this, she finds time for many mission action projects in the association and in the community. She is a volunteer for the Yokefellow Center in Forest City and helps with projects at the Thermal Belt Baptist Youth Shelter.

Reverend W. Melvin Owens served in this association as pastor, as both vice moderator and moderator of this association and on many of this association's committees. He served on the Associational Director's Search Committee that brought our present director to this association. He was instrumental in most of the major decisions made in this association during the past eight years. He was truly a friend of this association.

B. M. Strickland
Chairman, Dedication Committee

PROGRAM-REGISTRATION COMMITTEE REPORT

This Committee's efforts are found elsewhere in these minutes as the agenda for the 95th Annual Session. This agenda was an attempt to provide a balanced program while carrying out the necessary business of this association.

Our special thanks go to the ladies and gentlemen who assisted us in registering the people at the sessions, helped park the cars, and saw to our all-round comfort at the Cliffside Baptist Church and at the Concord Baptist Church. Without their assistance, the registration would have been chaos.

David Jones
Chairman, Program-Registration Committee

ORDINATION COMMITTEE REPORT

The Ordination Committee is a service committee of this association. When properly requested, this committee will convene an associational council to examine the prospective candidates for pastorate, church staff or the deaconate.

This committee convened the ordination council once this year. The council met at the request of the Gray's Creek Church to examine Pharis Bailey, a candidate for the Gospel Ministry, called as Associate Pastor for the Church. Mr. Bailey was approved by the council and the church continued with his ordination.

Joe Richards
Chairman, Ordination Committee

PASTOR-CHURCH RELATIONS COMMITTEE

The Pastor/Church Relations Committee is a service committee of this association.

The very nature of this committee's work and the constitutional guidelines under which it functions restricts the information that may be reported in the annual report published as part of the annual minutes of this association.

The chairman of this committee was called upon informally this year to help in two situations.

It is the desire of this committee to be used in the service of ministry to our churches in times of crisis or whenever a crisis situation seems to be developing. The sooner this committee is activated, usually, the better the handling of the situation for all parties involved.

Otis J. Wheelhouse, Jr.
Chairman, Pastor/Church Relations Committee

PLACE AND PREACHER COMMITTEE REPORT

The 96th Annual Session will be held on Monday, October 28, at the Holly Springs Baptist Church and on Tuesday, October 29, 1985, at the Wall's Baptist Church.

The Preacher for the Annual Sermon will be the Reverend Ronald McSwain, pastor of the Mt. Pleasant (C) Baptist Church. The alternate speaker will be the Reverend Hubert Street, pastor of the Goode's Creek Baptist Church.

David Jones
Chairman, Place and Preacher Committee

MISSIONS COMMITTEE REPORT

The Victory Baptist Church was brought under the Watchcare of this association on September 29, 1983. This watchcare period has now expired.

The 94th Annual Session directed that this watchcare period be lifted upon expiration provided that this committee found no cause for the retention of the watchcare period.

The Missions Committee, finding no reason that this church should not be received into full fellowship, recommended to the Executive Board, meeting on October 10, 1984, at the Bethany Church, that this watchcare period be lifted. The Victory Baptist Church was welcomed into full fellowship with the sister churches of this association.

EVANGELISM COMMITTEE REPORT

"E" Night was held at the Floyd's Creek Baptist Church on October 18, 1983. The speakers of the evening were the Rev. Ray Hooper, pastor of the Floyd's Creek Baptist Church and the Rev. Hubert Street, pastor of the Goode's Creek Baptist Church.

Application has been made to the Soil Conservation office and an approved plan received which will provide some free materials for this project.
2. The grounds have been very well kept and attended by an arrangement with the Thermal Belt Baptist Youth Shelter for grass cutting, trimming, and raking leaves.
3. The associational office building is to have some repairs made in the near future. Plans are underway for a new roof in the new year.
4. The small house of our property is to be renovated in the very near future for rental purposes. Quotations and plans are underway.

STEWARDSHIP REPORT

Missions and its support is at the very heart of the church. Just as individuals must learn the grace of giving and be encouraged in growth, so must the church. Mission work and particularly the Cooperative Program is an important task. In Mark 16:15, Jesus commands us, "Go ye into all the world, and preach the Gospel to every creature." This is done to a major extent by Southern Baptists in our support of and our giving through the Cooperative Program. The Cooperative Program is the channel through which we support the Gospel in world missions.

What is the record of your church in supporting missions? In another Association, I talked with two different churches about mission support. One church was concerned about their debt and because of this their support of missions amounted to less than three percent of their total receipts. The other church was giving eighteen percent to the cause of missions and they were planning to raise their cooperative giving to over twenty percent and six percent to their association. Each church reflected their belief about missions. What does your church believe concerning the support of the Great Commission?

Missions? Are people more important than buildings? Are savings and the many other material desires of a church more important? Certainly, we want beautiful buildings, but do we need to cut missions to have them? I believe that the church that supports the cause of Christ in missions will do well, there will be a good spirit within the congregation, and they will receive blessings of God.

Our association is a part of our mission field. We need to support this mission endeavor, A church that supports the Cooperative Program and gives to the Association is providing a strong foundation for the work of missions. Our Director of Missions touches the lives of untold numbers of people each year for the cause of Christ. He works with our churches and pastors throughout the year in many and varied ways.

This association could be doing more in ministry. We could be developing our grounds and facilities — we could if more of you would encourage your church to give at least three percent to this mission cause. This giving of at least three percent is going into your community and mine for the cause of Christ. Christians, we must not neglect the needs of our own community. Neither can we neglect the needs of world missions. We need both. We must be supporters of the Cooperative Program and our Associational Missions.

The church at Antioch showed us the secret of the growth of the spirit of missions. They grew in number by giving themselves and their substance to the spirit of the Good News. Their actions demonstrated the truth that the church is the church only to the extent that she is committed to something outside of — beyond herself. We, too, truly become the church as we look beyond ourselves and minister to the world. — starting right here.

Eugene Passmore
Stewardship Development Director

HISTORY COMMITTEE REPORT

The Sandy Run Baptist Association will celebrate her Centennial in 1990. An attempt will be made to produce a history of the Sandy Run Baptist Association. Part of this history will be the history of each of the member churches. Church History Committees are urged to begin gathering materials for their histories.

BROTHERHOOD PROGRAM REPORT

This has been one of the best years for the Brotherhood Program since I became Director three years ago. It has been my privilege, along with Mr. Roy Early, to work in six of our churches this year. It is exciting to see our churches come together to minister in the name of Christ, seeking to help those who feel they have no one who cares.

My hope is that every church that does not have an active Brotherhood Program will feel and see the need for a men and boys' mission ministry in their churches and commit themselves to start the Brotherhood Program this church year.

Your Brotherhood Staff is ready to help you start your program or to help you improve the program you now have.

Carl R. Street
Brotherhood Director

SUNDAY SCHOOL REPORT

The major thrust of the Associational Sunday School Program was centered in the Sunday School Enlargement/Enrollment Campaign held August 11 - 19, 1984. Sixteen churches participated. Three training sessions were held prior to the Campaign.

The V. B. S. Clinic was held at the Florence Baptist Church on May 7 - 8, 1984. An Early Bird V. B. S. Briefing Meeting was held on March 19, 1984.

The annual Sunday School Rally was held at the First Baptist Church of Forest City on September 11, 1984. Rev. Michael Gay, pastor of the Adaville Church, brought the message of the evening.

The Sunday School Training held in conjunction with Preparation Week in the churches was held September 24 -25, 1984 at the Florence Baptist Church.

This has been an extremely busy year for the Sunday School program. Our churches are still reporting continuing growth as a result of the Enlargement/ Enrollment Campaign.

CHURCH TRAINING REPORT

"M" Night was held at the Mt. Harmony Baptist Church on November 28, 1983. Rev. Carl Street was the speaker of the evening. The Mt. Harmony Baptist Church received the attendance banner.

MUSIC PROGRAM REPORT

Five Fellowship Luncheons were held with the Ministers of Music this past year. Besides general "shop talk," this time was used to share plans and ideas concerning the music needs of our local churches and the association. All Music Directors were invited to participate in these luncheons. Invitation cards were sent to each Director giving the time and place of the meeting.

The Music Zone Directors have been increased to their present number of ten. The tasks of the Zone Director is to: help establish fellowship among the Music Directors of the Association; convey information, the music emphasis and programs of the association to each church; help determine the music needs in our churches; and to assist the Associational Music Director in the music projects of the association. WOMAN'S MISSIONARY UNION REPORT

The 1983-84 Church Year was a busy time for W.M.U. Members. Many opportunities were provided for inspiration and leadership training. The first associational event was the World Day of Prayer observance sponsored by the Baptist Women on November 7, 1983, at the First Baptist Church, Forest City. Mrs. L. R. Brock was the featured speaker.

The Girls-In-Action Mission Adventures event was held at Bethany Church, January 14, 1984.

February 12 was the Sunday members focused on W.M.U. in the churches. On Sunday, February 19, 1984, the W.M.U. Council hosted a W.M.U. Directors and Pastors' Appreciation Day at the fellowship building at First Baptist Church, Forest City. Spouses were also invited to be special guests. The turnout was disappointing.

The Baptist Young Women banquet was held March 19, at Sandy Mush Church. "As Partners We Grow" was the theme.

A Mission Action Seminar was held at Harmon Street Church on April 2. The featured speakers were Mrs. Jewell Hill, Yokefellow; Mrs. Vivian Snyder, PATH; and Mr. Joe Huntley, Correctional Center, Spindale. Many suggestions were given for Mission Action for all age groups.

The Seventy-Second Annual Session of Sandy Run Associational W.M.U. was held at Floyd's Creek Church, April 26, 1984. Dinner was served from 5:30 - 6:15. The program started at 6:30. Guest speakers were Mrs. Jean Mathews, Interfaith Witness Worker, Home Mission Board, S. B. C.; and Mr. Bob Davis, Director, Social Ministries, Kings Mountain Baptist Association. One hundred and sixty-three people registered representing twenty-nine churches.

May 5, was the day the Girls-In-Action Olympics was held at Forest City Recreational Park. The girls participated in games and enjoyed a picnic lunch afterwards. Carol Brock spoke on being a Missionary Kid from Brazil.

On June 13, the Acteens held an Acteens Associational meeting at First Baptist Church, Forest City. The group enjoyed special music and slides on the responsibilities for witnessing presented by Cheryl and Dean Brown of South Carolina, who had worked as summer volunteers.

The Leadership Training Conference was held on September 17 and 18, 1984, at the First Baptist Church, Forest City.

Two of our churches began W.M.U. programs this year. The Piney Mountain Church began with the Mission Friends, Girls-In-Action, Acteens and Baptist Women groups. The Victory Church began with the Baptist Women's group.

Our associational W.M.U. leaders are ready to help your church start or strengthen your W.M.U. program. Your request is all that we need.

Carolyn Hardin
W.M.U. Director

ANNUITY BOARD REPORT

The experience of two of our pastors illustrates the importance of proper planning on the part of our churches for the future care of their pastors.

One retired from the active pastorate and is looking forward to enjoying his retirement on an adequate retirement income provided by his annuity retirement and supplemented by Social Security,

The other, because of illness, was forced to take a disability retirement. Still some years from retirement age, he found his disability income from his annuity account and Social Security not adequate to provide support for himself and his wife. This means his wife must continue to work.

The first pastor had been able to provide a house for his retirement through frugal planning, his wife's working and the income provided by the church. The second pastor was dependent upon church housing. This gave him a second crisis... housing.

Both churches had their pastors in the annuity — the first on 10% of his income, the second on the basic program.

In the past, the basic retirement program plus Social Security would have provided an adequate income. With the rise of the economy following WW II, this is no longer true. Our churches must take a hard look at what they are providing for their pastors in terms of future income and housing security.

Two good questions you could ask yourself: 1) "Could you live on what you are providing for your pastor's or staff person's retirement?" 2) "Would you want to try to live on what you are providing for your pastor's or staff person's retirement?" If either answer is "NO" your church needs to re-evaluate its present program of retirement benefits for your pastor and/or staff person.

BAPTIST CHILDREN'S HOMES OF NORTH CAROLINA INCORPORATED

WESTERN AREA REPORT

Often our mountains are called "The Land of Four Seasons." In relation to Baptist Children's Homes our area is soon to become the land of four residential services for needy boys and girls.

Our lead service will continue to be the ministry provided by Broyhill Baptist Children's Home at Clyde. The beautiful chalet style cottages clustered around the lake, nestled in our mountain cove, provide one of the loveliest settings to be found anywhere in the world. This year approximately seventy-five children have been served in this beautiful facility.

Our second program of residential care is the Maternity Home in Asheville. More than thirty girls will be served through this redemptive ministry this year.

An indication of the quality Christian care provided is the commitment of the caring staff. The regular houseparents are Frances and Alvoid Foxx of Brevard. In spite of their Maternity Home schedule, the Foxxes still maintain such a close relationship with the Turkey Creek Baptist Church in Brevard that Alvoid continues to serve as an active deacon.

With all of our lovely facilities an even greater asset is our dedicated Christian staff.

Our third residential service is emergency care at Haywood Cottage on the Broyhill campus and Thermal Belt Baptist Youth Shelter in Forest City. At both of these facilities a child can come in at a moment's notice and be cared for while things stabilize at home or while a long-term placement is being arranged. The stresses of our day have made this ministry the most in demand of all of the services we offer.

Now our fourth residential service is on the horizon. This will be ministry for children who have suffered unusual degrees of abuse and neglect making the intensity of life on campus, with numbers of children, difficult. Moody Farm Ministries in Macon County is being developed especially for these boys and girls.

Currently we are at the task of raising $500,000 to complete th first stage of construction, and we project that by October, 1985 we will have children in care.

In the "Land of Four Seasons" these four residential services are there for needy children because of our wonderful Christian friends who have been "instant in-season" in meeting the needs.

We continue to praise our Lord for the faithfulness of the Baptists of North Carolina who have supported this child care ministry for almost one hundred years with their prayers, concern, understanding and financial resources.

BAPTIST HOSPITAL

During the past year Baptist Hospital admitted 24,577 patients for a total of 218,735 days of patient care. There were 211,547 outpatient clinic visits and 31,930 visits to the emergency room. Surgical procedures totaled 11,816 including 700 open heart operations and 20 kidney transplants.

Several clinical advances during the past year serve as examples of the hospital's quality of care. (1) Neurosurgeons have developed a new procedure for treating head injuries which has resulted in our having the lowest mortality rate for patients with this type of injury of any major medical center in the world.(2) Improvements in prenatal care with special emphasis on prevention of preterm labor have resulted in a lower infant mortality rate and in a 15% reduction in the number of babies in Forsyth County needing to be admitted to the intensive care nursery. (3) A new treatment offers relief without surgery for many patients suffering from ruptured vertebral discs. (4) Many patients with kidney stones should benefit from the use of new equipment being acquired in the Section on Urology. It uses ultrasound to break up the stones of the urinary tract so that, in many instances, surgery is not necessary.

The school of Pastoral Care during the past year provided clinical pastoral education to 276 ministers through 47 clinical-pastoral programs. Chaplains in the Department of Pastoral Care made more than 33,000 visits to patients, families of patients, and hospital staff. The department also provided more than 20,000 hours of pastoral counseling at its various centers in Winston-Salem, Fayetteville, Raleigh, Morganton, and Charlotte. This program was supported in part from gifts through the Cooperative Program which amounted to $515,556 during the past year. Dr. J. Dewey Hobbs began his work on March 15 as the new director of the Department of Pastoral Care.

The hospital received $351,801 through the North Carolina Missions Offering during the fiscal year. A total of 418 patients received financial assistance on their bills through this fund. These bills ranged in size from $20 to $21,000.

The trustees, staff and especially the patients at Baptist Hospital are deeply grateful to the Baptist churches for their continuing support.

Respectively submitted.
Mrs. Polly Branch, Representative.

BAPTIST RETIREMENT HOMES OF NORTH CAROLINA, INC. REPORT

A name change was made by the trustee of this institution in 1983 that was approved by the North Carolina Baptist State Convention in Annual Session in 1983. The name was changed from the North Carolina Homes, Inc. to the Baptist Retirement Homes of North Carolina, Inc. The name change was felt to be needed to better describe the functions of this institution. (Some still refer to the homes as the Homes for the Aging but this was never the official title.)

From October 1983 through April, 1984, North Carolina Baptists gave 26.3% of the

Homes' total income through the Cooperative Program, the North Carolina Mission Offering and special gifts. This support covered 77% of the Homes' benevolent care ministry. Benevolent care projections for the fiscal year ending September, 1984, are runing at about $1,000,000. Mission gifts, it appears, will fall short of the need by some $250,000.

A capital funds campaign, "A Call to Remember," was launched by the trustees to raise $2.5 million to be used to renovate and update the Hayes Home facility. Plans include a new kitchen facility, support facilities for the Nursing Care Unit and improvements to the grounds.

Dr. William A. Poole, President of the Baptist Retirement Homes of North Carolina Inc., announced his plans for retirement in October, 1985. The trustees have formed a search committee to seek his replacement.

BIBLICAL RECORDER REPORT

History was made last year when the **Biblical Recorder**, fourth oldest of the 35 state Baptist papers in the Southern Baptist Convention, celebrated 150 years of Baptist papers in North Carolina. History was made again in 1984 when for the first time in more than 72 years, the **Recorder** moved into its own building, becoming the fourth state paper to have its own building.

For the third consecutive year, subscription rates will NOT be raised. In 1982, a gigantic increase in the cost of second-class postage (260 percent) necessitated the increase in subscription rates, but now that the rates have moderated some (they are still 80 per cent higher than 1981) and the new **Biblical Recorder** Building was entered debt-free, the paper will hold the line on subscription rates: Individual Subscription, $7.00 per year; Club Plan, $6.00; and Every Family Plan, $5.00.

The business of the **Biblical Recorder** is the Lord's business! Since it was founded by Thomas Meredith, the Baptist paper of North Carolina has been committed to the advancement of the Kingdom of God as Baptists coordinate their resources to spread the Gospel to the ends of the earth. The purpose of the **Recorder** is to inform, indoctrinate, enlist, inspire and provide a forum for unity in the fellowship as we fulfill the Great Commission.

Never has there been a greater time than now when Baptists needed to be well informed. There is so much misinformation, exploitation and manipulation in our time that Baptists need a source of news that can be trusted to present the facts as they are available and apply them to the betterment, not the harm, of Baptists.

There are tensions in the Baptist family, partly produced by the world conditions in which we operate, and Baptists need a forum where different views can be expressed. Many so-called Baptist papers provide only one point of view; they do not permit an exchange of ideas and perspectives. The **Biblical Recorder** does and must always serve all the Baptists of our fellowship.

"Every true Baptist believer a faithful **Recorder** reader" sounds like an impossible dream, but we have set that as a goal for the ministry of the paper which from its beginning was designated to serve the cause of Christ by serving all of His people, not just a limited few. We are grateful for the support we have received

across the years and request your continued prayers, support and readership. We continue our march toward making the **Biblical Recorder** the best state Baptist paper in the Southern Baptist Convention. Tar Heel Baptists deserve no less!

Respectively submitted,

W. V. Carroll,
Associational Representative

SOUTH MOUNTAIN BAPTIST CAMP REPORT

There were 1350 campers who came to the South Mountain Camp this past year from 106 different churches.

God richly blessed and answered prayers as our staff of 25 attempted to represent Him to our campers and visitors.

Through the discussion of our theme, "Following Jesus," and through our entire program, hundreds were helped to realize that the Christian experience included a new life style; that to really follow Jesus is to become involved in serving with Him and through this service, one is strengthened as he grows spiritually.

Each day we presented information and prayer requests from eight to ten countries. We studied the scriptures concerning the ministry of prayer. As a result of this emphasis, the majority of the campers committed themselves to pray daily for world missions.

One hundred and thirty-four decisions were made for Christ and another 300 recommitted their lives to Him. Please join us in prayer every day for their continued Christian growth.

We are hoping and praying that our retreat center will be completed before cold weather.

Pray for our ministry. Please consider adding the South Mountain Camp to your ministries in your church budget.

THE 1985
MINUTES
DEDICATED
TO

OTIS JAMES
WHEELHOUSE, JR.

AND

ALLENE KEETON
WHEELHOUSE

The Reverend Otis James Wheelhouse, Jr. was born in Richmond, Virginia, on February 1, 1933, to Otis James Wheelhouse, Sr., and the late Gladys Fix Wheelhouse. He attended the Richmond public schools, graduating from the John Marshall High School in January, 1951, being the last class to graduate under an eleven-year, mid-term entering and graduating school system. In addition to his regular classes, Otis was enrolled in the school (military) cadet corps rising to the rank of First Lieutenant of his company. This cadet corps was fashioned after the Virginia Military Institute. It was while he was in high school that he met the young lady he would later marry.

A short attempt at college work (1 semester) at the University of Richmond to which he did not give his full attention, was followed by employment with the Virginia State Highway Department as a member of a survey team, working out of Newport News, Virginia. It was during this time that he married Miss Allene Spottswood Keeton of Richmond, Virginia, on December 6, 1952.

The Korean Conflict was still in progress and as so many others, Otis received a call from his Government upon returning from his wedding trip, that he could not refuse. He did have a choice, however, and he found himself in a totally new world of the United States Air Force in February, 1953. After his basic training at Lackland Air Force Base in San Antonia, Texas, his technical training at the Keesler Air Force Base in Biloxi, Mississippi, a few short months as a Control Tower Operator at the Bolling Air Force Base in Washington, D. C., a year of intensive Air Traffic Control training with the Civil Aeronautics Administration in Boston, Massachusetts, and nineteen months in Japan as an Air Traffic Controller, the Wheelhouses found themselves located for the first time in North Carolina at the Pope Air Force Base, Fayetteville, where Otis worked with radar in their Ground Control Approach system.

After Otis' discharge from the Air Force in Febraury, 1957, the Wheelhouses decided they had moved around enough and Otis declined to take a job with the CAA in Louisville, Kentucky. Settling back into civilian life in Richmond, Virginia, Otis was employed as a Safety Evaluator for the Division of Motor Vehicles of the State of Virginia. His wife, Allene, was also employed by the State of Virginia, and the years began to slip comfortably by.

Coming out of a "loose" Methodist background, Otis did not "see" as much need for church

attendance as did his wife. However, he found himself attending the Northminster Baptist Church in Richmond whether he really needed to or not. During this time, under the ministry of Dr. Clyde V. Hickerson, Otis made a profession of faith and became a "dyed in the wool" Baptist. Over the next few years, he was introduced to all aspects of Baptist life. As a willing worker, he found himself quite busy in Northminster Church. He served as Assistant Superintendent to the Youth Sunday School Department, Assistant Leader for the Junior Training Union, Director of the Church Training Union, Assistant Scoutmaster and later as Scoutmaster for Troop 613 at Northminster, drawing the design that was used on the boys' neckerchief.

Otis felt he should know at least as much about the Bible as the children in his Junior Training Union and took advantage of night classes in Bible offered by the University of Richmond at several local churches. For the next few years, he took Bible study very seriously. It was during this time that he first felt the urgency of the call to the Gospel Ministry. Responding to this call was not an easy decision for the Wheelhouses. Otis had not been in a structured school environment, except for the night classes, for some ten years. If he returned to school full time, the major responsibility for the finances of the family would fall on his wife. So, it was a united answer to the call that found Otis returning as a student at the University of Richmond in 1961. Lacking six hours to graduate at the end of the summer of 1963, Otis was allowed to enter Southeastern Seminary in 1963, and then complete his college education in the summer of 1964. He graduated from Southeastern in 1966 with the last class to receive the Bachelor of Divinity degree. Otis continued on at Southeastern Seminary the school year 1966-67 and completed the resident requirements of the Master of Theology program successfully. The Seminary updated his BD degree to that of Master of Divinity in 1973.

As a ministerial student at the University of Richmond, Otis served as student assistant to the pastor of the Glen Allen Baptist Church, Richmond. Then, as a seminary student, Otis answered the call of the Pine Grove Baptist Mission, located south of Petersburg, Virginia, and served three years as their pastor. At the request of this Mission, the Northminster Baptist Church of Richmond ordained Otis to the Gospel Ministry on December 2, 1964. In the summer of 1967, Reverend Wheelhouse answered the call of the Roxboro Baptist Church, Roxboro, North Carolina, and became their Minister of Education. The Wheelhouses now found themselves where they never expected to be again, back in North Carolina.

Answering the call of the First Baptist Church of Brevard, North Carolina, to become their Minister of Education, the Wheelhouses moved to Brevard in 1968. While serving this church, the Transylvania Baptist Association called Reverend Wheelhouse to become their Director of Missions in 1969. The Wheelhouses served in this beautiful part of western North Carolina until the end of July, 1976, when he accepted the call of the Sandy Run Baptist Association to become their Director of Missions August 1, 1976,

Reverend Wheelhouse has a number of hobbies he enjoys when he can find a moment to spare. He is a philatelist (stamp collector), he enjoys photography, leather tooling, video cassette recording, reading and drawing. Camping and hiking have been relaxing pastimes for the Wheelhouse family.

After eighteen years of service in North Carolina, the transplanted "Spider" of Richmond has just about become a "Tarheel" from Carolina.

It is with great pleasure that the churches of the Sandy Run Baptist Association dedicate these minutes in honor of Reverend Otis James Wheelhouse, Jr., who is a "friend to all of our churches."

Allene Keeton Wheelhouse was born in Richmond, Virginia, on April 11, 1933. She is the daughter of William Alley Keeton, Sr., and Ada Dabney Keeton. She attended the Richmond public schools, graduating from the John Marshall High School in January, 1951.

Raised in a Christian home, Allene made her profession of faith at the age of eleven and

made her decision to follow the Lord wherever He should lead. As a teenager, she thought a lot about becoming a nurse, or perhaps even a doctor with thoughts of serving as a medical missionary. She planned her high school courses in preparation for college; however, midway through high school she changed some of her courses to "business," realizing she would have to work a while and save her money before going on to college. Upon graduation from high school, she was employed as a secretary with the Board of Education of the State of Virginia and saved her money. But, then there was this certain young man who had asked her to marry him and her "college money" became her "wedding money." She married Otis James Wheelhouse, Jr., of Richmond, Virginia, on December 6, 1952. Various employment opportunities proved to be Allene's "continuing education."

Otis entered the U. S. Air Force shortly after their marriage and Allene continued working with the State of Virginia until she joined her husband in Biloxi, Mississippi. A few months later found them in Washington, D. C., where she worked with the Audit Office of the Government of India. Otis was then transferred to Boston, Massachusetts, where Allene worked with the Internal Revenue Service as a "temporary" processing income tax forms. Later, she was employed as a parts clerk with a construction equipment company. When Otis was transferred to Japan, Allene returned to Richmond and again was employed with the State of Virginia. Upon Otis' return, the Wheelhouses moved to Pope Air Force Base, Fayetteville, North Carolina. After Otis' four years' military obligation was over, the Wheelhouses moved back to Richmond, Virginia, and settled in to an ordinary married life.

While moving around with Otis "in the service" church attendance was irregular, but each time Allene found herself back in Richmond, she eagerly worked in her church — usually as a nursery worker during the morning worship hour and then as a helper in the Beginner Training Union. Now that they were settled down "at home," Allene was again active in the Northminster Baptist Church, Richmond. She and her husband joined a Young Married Couples Sunday School class. A few months later, Otis made his profession of faith and joined the Northminster Church. Then, it was Allene's turn to try to keep up with Otis in his eagerness to learn more about the Lord and His church. During this time, Allene, with Otis as her assistant, led the Junior I Training Union.

Otis' decision to enter the ministry and return to college full time was not taken lightly. Many things had to be considered — not the least of which was finances. During this time, Allene was employed as secretary with the Grounds & Buildings Department under the Division of the Budget, State of Virginia. A vacancy occurred in the Budget Office while the General Assembly was in session and Allene was borrowed from her job (reluctantly) to fill that position. Under the State's job classification system, however, this transfer provided the necessary stepping stone to still another job, that of Confidential Secretary for the Virginia State Milk Commission. Once again, the Wheelhouses felt the Holy Spirit leading their lives. This new job for Allene came at just the right time, not making things easy, but a "little easier."

Allene continued to work in Richmond after her husband entered Southeastern Seminary at Wake Forest, North Carolina, and he became pastor of the Pine Grove Baptist Mission located about six miles south of Petersburg, Virginia. This was a challenging time for her. She was called upon to teach Sunday School, lead the choir, help to reorganize the Baptist Women's group and the G. A.'s, take her turn cleaning the church, and on occasion lead the Wednesday night prayer meeting, among other things. One especially challenging event was when she agreed to do the cooking for a week with someone else planning the meals, for a group of adults and teenagers at Eagle Eyrie, the Virginia Baptist Assembly.

Allene had had major surgery in 1957 and following Otis' entering college, she again experienced problems leading to major surgery in 1964 and again in 1965. During this time, she continued to work and take part in the activities of the church. This was a time of trial for the Wheelhouse family as they struggled to find the Lord's will in all of this, as much seemed to be coming at just the wrong time. The Presence of the Lord was very real to them

convincing them that the Lord would not permit more to happen than they would be able to bear.

When Otis graduated from Southeastern Seminary, Allene was recognized with a PHT degree (Putting Hubby Through) along with other wives at a special dinner meeting. Finally, she had her "degree."

The Wheelhouses moved to Roxboro, North Carolina, where Otis served as Minister of Education of the Roxboro Baptist Church. Allene found work as receptionist/secretary in the Dean's Office of the School of Engineering, Duke University, Durham, North Carolina. At the Roxboro Church, she served as Nursery Coordinator and also enjoyed singing in the choir.

Their next move was to Brevard, North Carolina, where Otis served as Minister of Education of the First Baptist Church, Brevard; then later as Director of Missions for the Transylvania Baptist Association. Still feeling the effects of school and medical bills, Allene became employed as secretary for the Industrial Engineering Department, Olin Corporation, Pisgah Forest (just outside Brevard). At the Brevard First Church, she worked with the Youth Church Training, assisted with the Children's choir, sang in the adult choir, taught Sunday School occasionally, and assisted with various activities at Little Cove Chapel, a mission of the church. After her husband was called as Director of Missions for the Transylvania Association, opportunities for service took different forms. She also enjoyed visiting the churches of the association with him.

The call to the Sandy Run Baptist Association was not an easy move. After having lived and worked in the Brevard area for almost eight years, it was difficult for Allene to imagine life without the mountains and the Pisgah National Park with its quiet mountain streams where she often went on her lunch break. Anticipation and excitement about serving in this new area soon took over. Otis commuted for a short time, Allene gave notice on her job and the search for a home began. The Wheelhouses found a house in the Corinth community and joined the Corinth Church. Visiting the churches of this association with her husband, Allene found the people to be warm and friendly and soon felt at home here. On occasion, she worked as part-time helper in the associational office and has enjoyed working as full time secretary/treasurer/clerk of the association since December 1977.

It is with great pleasure that the churches of the Sandy Run Baptist Association dedicate these minutes in honor of Allene Keeton Wheelhouse.

HISTORIES OF HOST CHURCHES

HOLLY SPRINGS BAPTIST CHURCH

The Holly Springs Baptist Church was born of God as the result of a group of men around 1880 meeting in the woods to pray. They met near a large uprooted hickory tree. As attendance grew, the prayer meeting evolved into a worship service which included preaching. The hickory stump was used as the "preachers pulpit" and gave rise to the name "Hickory Grub Meeting Place."

As a result of these meetings, the Holly Springs Baptist Church was constituted on July 29, 1887, with thirty-nine charter members. A presbytery, made up of members of the Shiloh Baptist Church and the Green River Baptist Church, presided at this organizational meeting.

The first building, a simple rectangular structure with poles in the center to support the wooden-shingled roof was constructed. This was replaced in 1913 with a larger wooden building. This building was enlarged in 1926 with the addition of five Sunday School class rooms built beneath the auditorium. The building was again enlarged in 1935 with the addition of fifteen new Sunday School rooms at the back of the auditorium.

The growing congregation led to the need of a larger building. On November 30, 1952, a building fund was started to construct a new church building. This was done under the leadership of the pastor, Rev. N. B. Phillips. On March 7, 1954, the church accepted a tract of land which is part of the present church site. Additional and adjoining land was acquired on April 12, 1955.

The Church called Wade Huntley as pastor and he began his ministry with the church on November 6, 1955.

On November 13, 1955, the church voted to build a parsonage. The cost of the building was not to exceed $4,500.

The church voted on March 16, 1958 to begin construction of a brick building that would

replace the present wooden structure. This building was completed and the first service was held in the structure on September 21, 1958.

In 1970, the present pastorium was built giving the pastor some much needed space.

A new Sunday School wing was added to the church building in February, 1974.

The church began building a senior citizens home as a ministry to the elderly in 1976. This home was officially opened in February, 1978. The indebtedness on the Holly Springs Senior Citizens Home was paid off anD a note burning service was held on September 19, 1982,

Additional land adjoining the new church site and the cemetery, located aT the old church site, was acquired in 1979,

On Saturday, December 3, 1983, the Holly Springs Church building was totally destroyed by fire. During the next twenty-one months, the congregation met at the Harris School gymtorium. Construction plans for a new building were begun and the present structure, standing in almost the exact location of the previous building, was completed and the building was dedicated on September 15, 1985.

The Holly Springs Baptist Church is one of the nineteen charTer member churches that founded the Sandy Run Baptist Association on November 27, 1890.

On November 6, 1985, the pastor, Rev. Wade H. Huntley began his 30th year as pastor of the church.

HISTORIES OF HOST CHURCHES

WALL'S BAPTIST CHURCH

The Wall's Baptist Church was constituted on September 21, 1844, with fourteen charter members. The church has grown until today its membership is 426.

The first church building was a log structure that later was used as a school. The present building was completed in 1967.

Thirty-six pastors have served the church in its 141 years. The Rev. Cecil Ballard is the present pastor.

The Wall's Church over the years has helped to organize other churches and has been invited by neighboring churches to ordain deacons.

There have been at least seven men licensed to preach out of the Wall's congregation.

An Education Building was added to the church building in 1976.

The old pastorium was replaced in 1983 by a larger structure. The old pastorium was sold.

In the fall of 1845, Wall's Church was admitted to the fellowship of the Green River Baptist Association. In 1855, the church united with the newly organized King's Mountain Baptist Association. On November 27, 1890, joining eighteen sister churches, Wall's became one of the charter members founding the Sandy Run Baptist Association. At this time the church had a membership of 174.

Through the years, the church has relied upon the guidance of God and will continually praise Him for the many blessings the church has received over the years.

ADJOURN

8. Reverend Philip Bailey, pastor, Big Springs Church and Vice-Moderator of the Association, introduced the new pastors and other personnel in the association present at this session. Pastors recognized were: Reverend Arthur Yount, Henrietta First; Rev. Jerry Brooks, Temple; Reverend Michael O'Dell, Shiloh; Dr. Bobby Gantt, Florence; Reverend Dupre E. Gowan, Gray's Creek; Reverend Robert Beck, Fairview; Dr. Kenneth Klingler, Trinity; Reverend Cecil Hopps, Mt. Lebanon; Reverend Douglas Baltzegar, Alexander; Reverend Jerry Boheler, Drury Dobbins; and Reverend Cecil Ballard, Walls's. Other personnel recognized were: Mrs. Jane O'Dell, Minister of Education and Youth, Shiloh; and Mr. Jerry Elmore, Music Director, Prospect.

9. Reverend Otis J. Wheelhouse, Jr., Director of Missions, led the annual Memorial Service, using Psalm 23 as his text, and led in prayer. Reverend Malone Thomason sang "His Eye Is On the Sparrow."

10. The Moderator called the association into its first business session:

A. Dedication Committee: Reverend Broughton M. Strickland, pastor, Broad River Church and chairman of this committee, moved that the 1985 Annual Minute Book be dedicated to Reverend Otis J. Wheelhouse, Jr., and Mrs. Allene K. Wheelhouse. Reverend Strickland indicated his committee is open to receive other nominations if desired, and that the vote on this recommendation would be taken on the following evening.

B. Resolution Committee: Reverend Owen Duncan, pastor, Liberty Church, and chairman of this committee, presented the following resolutions:

(1) WHEREAS, the members and pastors of the Holly Springs and Wall's churches have so graciously and unselfishly shared their facilities with the Sandy Run Baptist Association for the 1985 annual meeting;

THEREFORE, BE IT RESOLVED, that we the messengers to the 1985 annual session express our genuine heartfelt gratitude with a prayer that our Lord continue to bless these sister churches.

(2) WHEREAS, Reverend A. Graham Brooks has rendered competent and dedicated service to the Lord through the Sandy Run Baptist Association for the last four years having served as Vice-Moderator the first two years and as Moderator the last two years;

THEREFORE, BE IT RESOLVED, that we the messengers to the 1985 annual session go on record as expressing our sincere appreciation with the desire that our Lord grant him many, many more years of fruitful service with God's richest blessings upon all his labors.

These resolutions were approved by the messengers. There were no other resolutions presented.

C. Finance Committee: Reverend Philip Bailey, chairman of this committee, presented the Finance Committee report as information. He then presented the proposed budget for 1985 - 1986, explaining the felt need for increase in certain items and also explaining the compensation for the Director of Missions. The Finance Committee feels this budget of $66,256.68 meets the needs of our association. Several of our churches have indicated that they will be increasing their gifts to the association. This report was given as information with the vote coming the following evening.

Dr. Thomas Jenkins, pastor, Forest City First, asked about the year-end report. Reverend Michael O'Dell, pastor, Shiloh Church, asked about miscellaneous receipts in the financial report. Mrs. Allene Wheelhouse, treasurer, responded.

D. Nominating Committee: Mrs. Polly Branch, chairman of this committee, presented this report. The report was adopted.

E. Miscellaneous Business:

(1) Reverend Michael O'Dell was recognized. Reverend O'Dell stated he would like to make a motion and asked that copies be passed out to all the messengers. Reverend O'Dell made the following motion, which was seconded.

I move that the Finance Committee of the Sandy Run Baptist Association be instructed by this body of Messengers to present in place of the proposed 1985-86 budget a budget which is composed of two levels of mission support, being

1. A MAINTENANCE BUDGET based on an amount which is 8% above the total amount received as real income during the 1984 - 85 budget year and which includes all of the Special Needs and Project items of the 1984-85 budget plus the new item for P.A.T.H., and
2. A MISSION VISION BUDGET to be composed in cooperation between the Finance Committee and the Association Study Committee and which will consist of new areas of mission work and mission support, to be presented in an order of priority, and which will represent the kind of mission goals the Sandy Run Baptist Association can attain when our Churches gain a vision for missions beyond the level of the Maintenance Budget, and

I further move that the Finance Committee be instructed to present the Maintenance portion of the budget for approval during the business session of this annual meeting on Tuesday, October 29, 1985, and present for approval the Mission Vision portion of the budget at the next meeting of the Executive Board of the Sandy Run Baptist Association presently scheduled for January 21, 1986, at the Concord Church.

(a) Reverend O'Dell asked to speak to his motion, and explained the insertion of the words "as real income" in his motion indicating that much of that money cannot be depended upon. He indicated the income was a short-fall of 15% below the previous budget. The proposed budget is another 7% above that and that would mean a 22% increase in the level of contributions that we are presently giving toward the association from our churches. I don't believe that is a realistic figure. I believe we could put together a budget a little closer to what we are actually receiving. Also, the Mission Vision portion of this budget would be something that would work in cooperation with our Study Committee and hopefully help establish some goals that we could work toward as associational churches. I feel that the Finance Committee can do this. I realize that asking them to bring back a basic budget by tomorrow night is putting them under a little bit of pressure but the reality of it is that they have been

operating off a budget the past year that had to be juggled a little bit in order to make ends meet. I feel like they can take what they have done this past year and project the needs for next year and simply adjust it up by 8%.

(b) Dr. Wayne Blackwood, pastor, Bethel Church, spoke to the motion. I appreciate the work that Brother Mike has done in the motion he has made here. However, due to the time limitation amongst other problems, the fact that the committee, of which I am a member, has worked extensively on the budget in order to present it to you at this time, and due to the fact the chairman of the committee is due to be at Southeastern Seminary tomorrow, I, myself, must be in Charlotte tomorrow at the hospital and several other such conflicts in time, to present a motion to bring back to this body, such a motion would be almost totally impossible. Therefore, I move that this motion be tabled.

The Moderator requested the Parliamentarian's guidance. This motion required a second. The motion was seconded. This requires a majority vote. Moderator Brooks asked the messengers to vote by standing. The Chair ruled a majority to table. Motion was tabled.

(2) Dr. Thomas Jenkins, pastor, Forest City First, asked for the floor on a point of personal privilege.

As a pastor, and working with a finance committee of a church, I am well acquainted with all the ins and outs that are a part of structuring a budget and bringing that budget to a group of people and having it amended and having it accepted and then hoping that it is going to be raised. It seems to me that we have addressed tonight the issue of our budget for the Sandy Run Association not on the basis of the actual facts of what we are looking at. I am in sympathy with every church who is supportive of our association and with all the dollars that are represented by that support. I know that many of our churches make their contributions on mission approach as a result of a real sense of love and wanting to minister together in the name of Christ. It seems to me, however, that the issue we are addressing related to the budget is that we are proposing the acceptance of a budget that is greater than this year's budget, when in reality we have not been able to reach this year's budget.

I am reminded of a story of Abraham Lincoln, when he was running for president, when he said that he had heard from a farmer in Illinois who had a fence that was so crooked that every time a hog got out he was back in before he actually got out. There are some things that we don't get out of when we think we are out of them, but instead we are in reality deeply back inside them. The motion that was expressed by one of our pastors comes from concern and I know that the voice of the people in tabling that motion also comes from concern. But let me suggest that we do some soul-searching in this matter and realize that a deficit in a budget is a deficit. When money is asked for that does not come in, there is not money to spend. I don't rise to ask you to accept a motion that I would prepare, for that's not the purpose for asking for this point. But I would instead ask you to give some soul-searching to where we are in support of our association through the budget. Perhaps a motion that has been placed on the table would be brought up again tomorrow night — that would only be in the projection of tomorrow night's schedule. But I would ask that we as brothers and sisters in Christ, each being a member of a supporting, and I underscore the word **supporting,** Baptist church in the Sandy Run Association, either decide that we are going to live within a budget and support it, or we make changes toward that budget — one or the other — and

deal with the basis of our commitment to the Sandy Run Baptist Association. Let's either make a change sometime in the budget or let's go away from here tonight and tomorrow night with a recommitment to see that all the monies that are asked for are going to be appropriated. Will you join me in making one or the other of those decisions tonight or tomorrow night.

11. Reverend Malone Thomason led the congregation in the singing of a hymn medley, using only the tune of "Oh, How I Love Jesus." Songs were: "Oh, How I Love Jesue," "Joy to the World," "Amazing Grace," "All Hail the Power of Jesus Name."

12. Moderator Brooks called on the Vice-Moderator, Reverend Philip Bailey, to preside.

13. Reverend Bailey called for the program reports:

A. Woman's Missionary Union: Mrs. Bobby Shytle, member of Bethany Church, and Associational WMU Director, presented this report. The report was adopted. Mrs. Shytle asked the churches to become more involved in mission action. She said we need dedicated leaders to teach missions and asked the people to commit themselves to pray for our churches.

B. Sunday School: Dr. Wayne Blackwood, Associational Sunday School Director, presented this report. The report was adopted. He indicated that he had served several years either as Sunday School Director or on the ASSIST team, and wanted to say thanks to the Assist Team members for their cooperation. He called attention to the upcoming Good News America Revivals, and urged the churches to prepare well for these.

14. Reverend David A. Jones, Program/Registration Committee, asked that the time of the registration report be moved forward. This was done. He then reported that 270 messengers and 61 visitors had registered for this session. Reverend Jones expressed appreciation for those persons who had helped with the registration and parking.

15. Mrs. Wanda Hall, a representative of the organization P.A.T.H. (Prevention of Abuse in the Home) was introduced, and told briefly about the organization. It is a private, non-profit volunteer organization which deals with the problem of domestic violence in Rutherford County. In 1983, funds were raised to purchase a shelter for battered women and their children. It can house 13 persons and has had as many as 20 at one time. PATH provides a 24-hour hot line, counseling, referrals, transportation, hospital and court accompaniment as needed, Many of our WMU organizations have already helped PATH and appreciation was expressed for any help the Sandy Run Baptist Association could give.

16. There was no one present to represent the Gold Hill Baptist Association. It was agreed that this item on the program would be passed over.

17. Mr. Ronnie Allen, member of Mt. Harmony Church, was introduced to speak on the North Carolina-Togo, West Africa Mission Venture, a volunteer worker program. Mr. Allen, with previous well-drilling experience volunteered to go. The Mt. Harmony Church and several others in the area agreed and encouraged him and said if he would be willing to go and give of himself, they would be willing to support the trip and pay for it, and they did. Mr. Allen said a prayer meeting would be held in the villages before beginning to drill a well and "believe it or not, I drilled seven, no, the churches that sent me, drilled seven wells, and in January of last year, and not one dry hole. God can do a wonderful thing with such a little piece of clay if you just let Him do it."

18. Reverend Malone Thomason led the congregation in the singing of the hymn "More Love to Thee, O Christ."

19. Reverend David A. Jones introduced Reverend A. Graham Brooks, Moderator, for the Moderator's address, and read the Scripture 2 Corinthians 8:1-7.

20. Mr. Aulton Cole, Music Director, Holly Springs Church, led the choir composed of the Holly Springs Church Choir and others from the congregation in the singing of "How Great Thou Art."

21. Reverend Graham Brooks' message was on the "Example of Macedonia," from 2 Cor. 8:1-5. He called upon the churches of the association to take as their guide and motto, the statement made by Paul about the churches of Macedonia as they responded to the needs of the saints in Jerusalem. The offering they collected was more than what Paul expected. These Macedonians were in almost as bad shape as the people of Jerusalem. In the midst of their own trials, they gave out of the abundance of their joy and overcame their own poverty with a very liberal offering (v2). Paul said that they were able to do this because "first they gave their own selves to the Lord." They gave their own selves first. This is the basis of Bold Missions. This is the basis of Mission Support. This is the basis of Bold Prayer. This is the basis of Bold Witness. As each individual and each church first give of their own selves to the Lord, we find that there is made available to us the means to support Foreign Missions, State Missions and Associational Missions efforts. We can support the Children's Homes, the Baptist Hospital, the Reitrement Homes and we can support our Home and Foreign missionaries. We can support our association. When we first give ourselves to the Lord, it is possible to boldly reach people for Sunday School. Our goal is 9 million by 1990. We can reach our part. When we first give ourselves to the Lord, we can reach the lost with the good news of Jesus Christ.

Our motto — our hallmark — our guiding thought — first, let us give ourselves to the Lord. Then we can walk together the path of faithfulness. When we are faithful — great things happen. But greater yet is the promise of our reward, "Be thou faithful unto death and I will give thee a crown of life."

22. Reverend Philip Bailey said, " the ole boy can preach." Motion was made to adjourn this session, to meet with the Wall's Church the following evening. Reverend Bailey indicated he would not be able to be at the meeting the following night, and took this opportunity to express his appreciation for the privilege of working with Reverend Brooks as moderator.

23. Reverend Wade Huntley dismissed the group with prayer.

SECOND SESSION

24. The Second Session opened at 6:30 p.m., at the Wall's Baptist Church, Bostic, N. C., with the registration of messengers and guests.

25. The meeting was opened with a Call to Worship from the Responsive Readings in the hymn book, led by Mr. Curt Frederick, Minister of Music and Youth, Florence Church. The responsive reading used the scriptures Luke 24:46-48; Matthew 28:19-20; and Acts 1:8.

26. Mr. Frederick then led the congregation in the singing of the hymn, "Joyful, Joyful, We Adore Thee."

27. Reverend Graham Brooks, Moderator, called the Second Session to order.

28. Reverend Cecil Ballard, pastor of the host church, welcomed the association to Wall's Church.

29. Reverend Ballard presented the devotional thought, using as his text, Acts 1:8 and Matthew 28:19-20, and led in prayer.

30. Mr. Clark Hoyle introduced to the association new personnel not recognized the previous evening. Recognized were: Reverend Ralph Carpenter, Interim Pastor, Mt. Olivet Church; and Reverend LaCount Anderson, Minister of Education, Forest City First Church.

31. Reverend Wheelhouse was recognized for the Director of Missions' Address. His message was titled, "Paying Our Vows" using as his text, Psalm 116:12-19. (This message is included elsewhere in these minutes.)

32. Mr. Curt Frederick led the congregation in a medly of hymns: "Jesus Saves," "Tis So Sweet to Trust in Jesus," "I Am Thine, O Lord." Wherever He Leads I'll Go," and "Let Others See Jesus In You."

33. The Moderator called the association into its second business session.:

A. Dedication Committee: Rev. Broughton M. Strickland, Chairman, made a motion, seconded by his committee, that the 1985 Annual Minutes be dedicated to Reverend Otis J. Wheelhouse, Jr., Director of Missions, and to Mrs. Allene K. Wheelhouse, Secretary-Treasurer-Clerk. There were no other nominations from the floor. The motion carried.

B. Finance Committee: Reverend Malone Thomason, member of the Finance Committee, in the absence of the chairman, moved for the adoption of the proposed budget for 1985-86 which had been presented the previous evening. The motion was seconded. Dr. Henry Estes, pastor, Haynes Memorial Church, was recognized and spoke against the proposed budget. Dr. Wayne Blackwood, pastor, Bethel Church, and a member of the Finance Committee, was recognized, and spoke for the proposed budget. The motion carried.

C. Place and Preacher Committee: Reverend David A. Jones, Chairman, moved that the Ninety-Seventh Annual Session of the Sandy Run Baptist Association be held on Monday, October 27, 1986, with the Trinity Church, Mooresboro, and on Tuesday, October 28, 1986, with the First Baptist Church of Forest City. The preacher for the Annual Sermon will be the Reverend Hubert Street, pastor of Goode's Creek Church, with the Reverend Chester Waters, pastor of Mt. Pleasant (R) Church, as the alternate. This motion was seconded and carried.

D. Associational Study Committee: Reverend Joe Richards, pastor of Sandy Mush Church and Chairman of this committee presented this report. He then explained briefly the process the committee had taken — that of reviewing the records of the association, sending out questionnaires, holding area meetings with small groups of churches without a great deal of response, and two pastors conferences — in an effort to determine the needs. From the data obtained, the committee came up with five areas of concern which are, Identity, Programs, Family, Evangelism and Missions. Subcommittees were appointed to study each of these areas. Reverend Richards expressed indebtedness to George E. Shore, Director of Associational Development of North Carolina Baptist State Convention for his assistance. Reverend Richards asked that a report be given from the subcommittess.

(1). Identity Subcommittee: Dr. Tom Jenkins, chairman, indicated several areas to be looked at, such as improving communication among the churches; improving the spirit of unity and cooperation; and a need to look at our purposes and objectives as an association. (A written report not included in the Advance Book of Reports was submitted at the annual session and is included in these minutes.)

(2). Programs Subcommittee: Dr. Wayne Blackwood, chairman, referred to this committee's report as found in the Advance Book of Reports (and printed in these minutes). Dr. Blackwood urged greater communication between associational program directors and program directors in the churches, and greater participation by church leaders at associational functions.

(3). Family Subcommittee: Reverend Bobby Jones, Minister of Music and Youth, Caroleen Church, and chairman of this committee, indicated this committee had not met and that he would be leaving shortly having accepted a position with a church in Virginia. This committee, however, will be looking at different types of family ministries.

(4). Evangelism Subcommittee: Reverend Ray Hooper, pastor, Forest Lake Church, and chairman of this committee was not able to attend this session. No report was made.

(5). Missions Subcommittee: Reverend Earl Waters, pastor, Concord Church, and

chairman of this committee, referred to this committee's report as found in the Advance Book or Reports (and printed in these minutes). Reverend Waters urged the churches to consider providing for a summer missionary for the association and to give generously toward the building of a chapel on the prison grounds in our county.

E. At this point, Mr. James Marchman, member of Forest City First Church, and representing the proposed chapel at the Rutherford County Prison Unit, was recognized by Reverend Earl Waters to speak on this subject. Sketches of the proposed chapel were passed out. Mr. Marchman indicated this chapel had been in the planning stage for several years and the state of North Carolina had agreed for it to be built but the money had to be raised first. The land will be deeded to the 096 Chapel project until it is built, but then must be deeded back to the State. He said this will be a beautiful facility of which we can be proud. The purpose of the chapel is to change lives. It will provide a proper setting for counseling, Bible study and worship services.

Mr. Sam Hargett of Spencer Church and a member of the 096 Chapel Committee, and Reverend Malone Thomason also spoke in favor of this project and asked the churches to consider the benefits of the Chapel.

F. Miscellaneous Business:

(1). Dr. Jesse T. Yarbrough, pastor, Caroleen Church, was recognized. Dr. Yarbrough said he would like to make a motion and asked that copies be passed out to all the messengers. He then read a portion of the association's constitution pertaining to the Finance Committee as follows: "This Committee shall provide annually for the audit of the financial records and report the condition of these records to the Executive Board," and said he was not aware of such a report having been made. He then made the following motion:

> I move that the 1985-86 Finance Committee of our Association be instructed to make provision for an audit of the association's financial records by a professional and impartial auditor; this audit beginning at the point our Executive Committee received its last written auditor's report and ending with the 1984-85 financial year; said auditor's report to be presented at the next meeting of the Executive Board on January 21, 1986 at Concord Baptist Church; expenses of this audit to be taken from the association's "General Operating Funds Savings Account."

Motion was seconded. Dr. Yarbrough spoke to his motion saying that audits are easily overlooked, that he was not making any accusations, that audits are good standard operating procedure. Much discussion followed.

Dr. Wayne Blackwood made a substitute motion, "That the new Finance Committee for 1985-86 check out the cost of such an audit and report to the Executive Board on January 21, 1986." This motion was seconded. There was some discussion. The substitute motion carried.

(2) Reverend David A. Jones, Program Chairman, indicated that we were running behind schedule and requested an extension of ten minutes time for the business session. This request was granted.

(3) Reverend Davis A. Jones was then recognized. Reverend Jones stated we are only $21,602 from victory in paying off the loan on our land — that he had a dream of seeing a retreat center, a camp, a training center, here. He presented a challenge of $3 to be given by the churches for each Sunday School member in order to pay off the debt. With May 26, being Association Day in our association a challenge motion was made that the note be paid off and the Director of Missions make arrangements for a note burning ceremony. Motion was seconded. Motion carried.

34. Moderator Brooks recognized the representatives of the agencies and institutions of the Convention.

A. Baptist Hospital: Mr. Tiny Ingalls brought greetings from the Baptist Hospital. We are a group of people trying to minister to people. Our commitment is to minister with technical skill and human understanding. On the spiritual side, money from the Cooperative Program supports chaplains on each floor to minister to the patients and families. Another way money is received is through the North Carolina Missions Offering. This goes to the benevolent fund. At Baptist Hospital we need your financial support, but more important we need your prayers.

B. Biblical Recorder: Mr. Robert Wachas brought greetings from the Biblical Recorder: He thanked the association for its support and asked for continued prayer in this very demanding time. The ministry of the state paper is the same, based on 2 I's — information and inspiration.

C. Baptist Children's Homes: Reverend Luther Osment brought greetings from Baptist Children's Homes. He said he would not take a great deal of time for his report, for "He that thinketh by the inch and speaketh by the yard, should be kicketh by the foot." In honor of the Children's Homes centennial year, Reverend Wheelhouse was presented with a book, "A Hundred Years of Caring" the story of the Baptist Children's Homes of North Carolina, Inc., 1885 - 1985. He spoke of the different child care facilities we have. Homes and families are dying. Our fastest growing ministry is the emergency care shelters such as the Thermal Belt Baptist Youth Shelter here in Forest City. In January we will be breaking ground for a new facility in Macon County for abused children. Group-care is still our strong point, and even this has changed. Only 2% are orphans, 17% have one parent and 81% have both parents living. We are dealing with children who are living in the debauchery of our day. We are so grateful to you for all you do to help us.

D. Cooperative Program: Reverend Eugene Passmore, representative, was unable to attend this session. No report was given.

E. Other Reports:

(1) General Board: Dr. Thomas Jenkins gave a report from the General Board of the Baptist State Convention of N. C. He reported that the financial condition of the Convention is in good shape. We received 1.03 million dollars more this year. The Cooperative Program showed a 7.4 per cent increase. Offerings for World Missions, Home Missions, and North Carolina Missions showed significant gain over last year. Dr. Jenkins spoke briefly about the new offering we will be taking in May of 1986 which will be for our social institutions, the Children's Homes and the Hospitals with a goal of 1.6 million.

(2) Annuity Board: Reverend Otis Wheelhouse called attention to the Annuity Board Report found in the Advance Book of Reports and urged the pastors to study this report and be familiar with proposed changes.

35. Reverend David A. Jones gave the registration report of 217 messengers, 4 institutional representatives and 28 visitors for a total of 249. Reverend Jones expressed thanks to those who had helped with the registration and parking.

36. Mr. Curt Frederick led the congregation in the singing of the hymn, "Send the Light."

37. Reverend Hubert Street, pastor, Goode's Creek Church, introduced Reverend Ronald McSwain, pastor, Mt. Pleasant (C) Church, for the Annual Sermon. Reverend Street then read the scripture, Matthew 5:14-16.

38. Mr. Frederick led the choir in the singing of "People Need the Lord" with the Reverend Bobby Jones as soloist.

39. Reverend Ronald McSwain's message was on "Punching Holes in Darkness." He used

Matt. 5:14-16 as his text. Robert Louis Stevenson defined our mission in a marvelously warm and human way. He relates how as a boy in Scotland, he would stand on the porch of his home and watch the old gas lamplighter move through his town, lighting the gas lamps and leaving pools of light in his path. As the lamplighter approached his house, Stevenson said he would run to his mother and shout, "Mother, Mother, come and see a man who is punching holes in the darkness." "Punching holes in the darkness," is a vivid description of what Christians, churches and associations should do. This sounds strangely close to what Jesus said to some folks gathered on a hillside.

Near the beginning of Jesus' Sermon on the Mount, following Jesus' famous Beatitudes, formulas for blessedness or happiness are given. Jesus instructs His hearers as to who they are to be and what they are to do in the world. "You are salt and light so as to glorify your Father which is in heaven." We are to punch holes in the darkness of Rutherford (and Cleveland) county and the Sandy Run Association. It is from this perspective that we enter into this new associational year. We are to grasp more firmly with a conviction that the mission of the Sandy Run Association revolves around doing something and being something.

Dr. Roy J. Smith, General Secretary-Treasurer, Baptist State Convention, in the October 12, 1985 **Biblical Recorder** talked about the 79 North Carolina associations — meeting this year and said, and I quote: "As I see it the Baptist Association is yet the primary unit of denominational life and the meeting of the district association is the most important meeting in Baptist life beyond the local congregation. This is true, I believe, for three primary reasons. It is in the association that fellowship among the larger family of Baptists is achieved. We learn about cooperative missions in the association. And, the association encourages and strengthens the churches and relates denominational goals and resources to the churches." I believe Jesus' words on that hillside shape our stand in our association.

When Jesus talked about our being the light of the world, He was declaring a central fact — our world is a world of darkness. The contrasting elements of darkness and light constitute a recurring theme in the Bible. The second verse in the Bible talks about darkness being upon the face of the deep. This darkness is dealt with decisively by God — He created light and declared that the light was good. That verse is also prophetic. The struggle continues between darkness and light — not physical, but nevertheless real. The picture is of a world being darkened by evil and the "good" light is needed for its recovery. The Torah, Israel and finally Jesus are seen as light penetrating thick darkness. The prophet announced, the people who sat in darkness have seen a great light.

The Gospels, especially John, made much to do with the darkness that is in the world. Men love darkness. Their deeds are evil. The perplexing truth is that we live in an age that is essentially dark. The struggle continues. There is political darkness — men with money but no morality buy their way into government. There is social darkness — prejudice, hatred, distrust, breed in darkness. There is ethical darkness — anything is done for a price. There is moral darkness — standards are given up, immorality is idealized. The most disturbing is spiritual darkness — half of North Carolina is unchurched. Over 56 thousand people live in our associational area, half are unchurched. Our records show 16,819 resident church members. We are in spiritual darkness. The world encourages this darkness and in our darkness we stumble and we get hurt. We get lost. Jesus called for the light because all around Himself He saw darkness.

When Jesus spoke to the crowds on the hillside, he was defining a crucial feature of our mission: to be the light of the world. Jesus used different figures of speech when defining the mission of the Christian in the world. One picture is not complete without the others. We need all of them to get the total picture. Some terms describe things the Christian is to speak. Some describe what he is to do. Some describe what he is to be. He is to be the light of the world. We have been told to be the light of the world. This is a marvelous statement of God.

This is a great expectation for us. We are to be something that Jesus later on was to call Himself. As He was the Light, so are we to be the light — never fully as He was the light. We can only reflect His glory . We are to perform something of the same function in our world that He performed when He lived on the earth. We must guide, illuminate (light up, make clear), and warn. Jesus has high hopes for us. Laying it all on the line through us. Our mission: to be the light for the world. He gave no option. YE ARE. You can decide many things, but never this.

When Jesus spoke to the crowds on the hillside, He demanded a clear-cut response. Let your light shine before men that they may see your good works and glorify your Father which is in heaven. Espionage stories have always thrilled me with tales of people who served their country by getting behind enemy lines without revealing their identity. There is no such thing as a Christian in hiding. His light must shine. Jesus talked about the absurdity of putting a light under a cover. Light is to be seen. The Christian's faith is to be seen. Questions naturally arise: how? We reveal our light in our response to circumstances, in our response to relationships and in the revelation of our testimony. We must let our light shine.

"The health and ministry of the association is vital to every area of Baptist life." I concur with Dr. Tanner of the Home Mission Board when he says, "If we are going to have a meaningful strategy to win our nation to Christ, it will be developed thorugh the association." Associations are at the very center of Baptist life. Let us undergird, support, strengthen and perhaps most importantly, recognize the worth of our association. In olden times, watchmen would move down the street at nightfall, "hanging out the lights." They would leave pools of light "punching holes in the darkness." Let it be said of us in Sandy Run Association, here come 16,819 people "punching holes in the darknes."

40. Moderator Brooks said, "and all the people said amen."

41. Reverend Brooks expressed his thanks to the association for having allowed him to serve as Moderator these last two years and turned the leadership of the association over to Reverend Joe Richards.

42. Reverend Richards said his first thoughts had been to say "no" when asked if he would serve as Moderator. His second thoughts were, "this is my association." "God expects me to do what I can." Reverend Richards then asked all the pastors to "remember this is our association and God expects us to do our best."

43. Reverend Wheelhouse presented a plaque to Reverend Graham Brooks in appreciation for his service as Moderator for the past two years.

44. Reverend Wheelhouse presented special awards in the area of church study courses for the year 1984-85. The Sunday School and Church Training awards and an award in the area of overall study courses studied were all received by the Bethel Church.

45. There being no further business and the program agenda having been completed, the meeting was adjourned with prayer.

CHURCH STUDY COURSE SUMMARY REPORT

This report is based upon information supplied by the local churches and from the Sunday School Department of the Southern Baptist Convention.

Thirty-four of our churches reported requesting study course awards this past year — from 1 to 265, for a grand total of 1,794 award requests. This is an increase over last year of 19 churches and 585 awards.

The Study Course Award plaques are given in the areas of Sunday School, Church Training and Total Church Study Course Awards. The awards this year go to:

1. **The Sunday School Award**: for study in the areas of Sunday School work and the Age Development related area, is awarded to the Bethel Baptist Church for 100 awards in these areas.

2. **The Church Training Award**: for study in the areas of Church Training, Christian History, Christian Ethics, Christian Doctrine, the Christian Family, and Christian Growth and Service, is awarded to the Bethel Baptist Church for 122 awards in these areas.

3. **The Church Study Course Award**: for study in all categories of study course work, recognizing the largest number of awards for the year, is awarded to the Bethel Baptist Church with a total of 470 awards.

Special recognition goes to those churches that reported 100 or more study course awards requested this past year:

Bethel — 470
Mt. Harmony — 183
Race Path — 129
Sandy Mush — 265
Wilson — 186

Many of our churches are still failing to request awards for studies they have completed — such as the January Bible Study, the Foreign and Home Mission studies and the Baptist Doctrine study. Make a special effort for 1986 — report all your study course work and obtain the awards you have earned.

DIRECTOR OF MISSIONS ANNUAL ADDRESS

PAYING OUR VOWS
Psalm 116: 12-19

I was visiting in one of our small churches and the speaker brought a message that started my thoughts toward this message I share with you tonight.

PAYDAY SOMEDAY

Dr. R. G. Lee once preached a great sermon he titled, "Payday Someday." The ultimate theme was that regardless of what present conditions and present situations, God knows the Christian and someday everything will be justified in God's sight and you will receive the reward that God has waiting for you.

I believe this!

I believe there will be a moment when the faithful will hear, "Well done."

But, if we are not careful, we will adopt a "What is rightfully mine" style of theology. This theology is preached and practiced a great deal today. We like to hear it. We enjoy believing it. There is truth in its message. Scripture does support this style of thinking. But it is just part of the Gospel message. . .it is not the complete message.

God does have boundless resources. God does reward the faithful. You cannot out give God. You can try God and you will find Him faithful. But not every believer will have all his problems removed. Not every believer, because he tithes, will have all his financial needs met. Not every believer, because he is faithful in his attendance to worship servies will find that his personal life is protected and fruitful.

We now find the unusual phenomena occuring occasionally where a church or a pastor is sued because promises alluded to in sermons did not occur in the life of the hearer who followed the speaker's instructions.

The Christian life is not made up totally of receiving good things from God. The Psalmist reminds us that there is another payday due in the Christian's life. This is the payday due to God. "God's Payday."

"What shall I render unto the Lord for all His benefits towards me?" Psalm 116: 12

What a question to ask. What a question to attempt to answer.

"What SHALL I pay the Lord for ALL those things He HAS DONE for me?

The Psalmist answers, "I will pay my vows unto the Lord now. . .Psalm 116: 14.

PAYING ONE'S VOWS

I realize that Psalm 116 is a liturgical hymn of praise and that the psalmist is in the temple following closely a system designed to liturgically allow him to literally pay God. . . .But there is a message here that is very basic for us.

When will you pay your vows owed to God? Stated a little differently, when will you begin to keep the promises that you made to God?

If we are not careful, we will find ourselves living what I call the "Rational Christian Life." Rational here does not mean reasonable or that it makes good sense. Rational here is the concept of rationalizing our actions, behaviour and responses. This allows us to find excuses for what we are doing and for what we are not doing. What I can find a "good answer for" becomes my way of life. The "Rational Christian Life" is a life of approved excuses.

This brings us back to the payment of the promises we made and make to God.

All of us are guilty here.

At sometime or another, we each meet crisis time. Finding no immediate answer or escape, we turn, almost as an afterthought, to God. AND we make a VOW, a promise. "O God, just get me out of this and I will do this and this and I will give this and that, etc., etc., etc.,." The graver the situation seems, the more we promise. Then, crisis past. . .we have survived. Then we evaluate. How did we get out of this mess? We evaluate. We find the solution. How simple. We

marvel that we did not try this solution earlier. AND ALL OF OUR PROMISES TO GOD FOR DELIVERANCE ARE FORGOTTEN.

When you first became a Christian, what promises concerning living a new life did you make? When on occasion you recommitted your life to Christ, what promises did you make?

It's not that we purposefully lie. It is just too easy for us to forget to remember.

Churches have vows to pay, also. If the payment is due from the individual member it is also due from the corporate body, the church.

The church has promises to keep. Promises made as a congregation. Promises made in the height of crisis situations. Promises made in good times but more often made in bad times.

PAY YOUR VOW NOW

The psalmist tells us that we are to pay our vows NOW.

How?

How do you keep an unrealistic promise. We can promise anything, and usually do, without first thinking about keeping the promise.

The psalmist urges us to pay these openly and in the act of thanksgiving to God. (Psalm 116: 17)

The basic action in keeping our promises to God is the acknowledgement to God that this answer to my problem was His doing. God did this thing in my life. And because of God's actions on my behalf, I offer to Him my offering of PRAISE.

We are not excused for making the unrealistic promise. We are encouraged to acknowledge the debt.

The association has a mixed bag of blessings this year. Baptisms seem to be up, yet some of the churches did not report a baptism. Sunday School enrollment looks as if it will be down, but Sunday School average attendance will be up. So, we seem to be reaching fewer people but more of those reached are attending church services.

Our Women's Missionary organization has shown a numerical decline while the men have shown an increase.

The total mission gifts to the association are presently down $4,000.00, but at the same time some of our churches are beginning to reach toward the 3% goal for giving.

With a mixture of blessings, what do we do?

Last evening, Dr. Thomas Jenkins, pastor of the First Baptist Church of Forest City, said it very well when he was speaking about the association's proposed budget. He asked that we give "some soul searching to where we are in the support of the association through the budget." He called on us as brothers and sisters in Christ, as members of supporting Baptist churches in the Sandy Run Association to decide, "that we are going to live within a budget and support it or we make changes toward that budget. One or the other."

Then he made the most challenging statement. . ."let us deal with the basis of our commitment to the work of the Sandy Run Baptist Association."

This is our basic issue. . .DEALING WITH OUR COMMITMENT.

When I became Director of Missions in 1976, the total gifts from our churches for associational missions that year was $22,320.18. The budget adopted that year was $29,298.00. This was a deficit budget of some $6,979.00. If at that time we had decided to hold our budget to $22,000, the receipts for the year, the result would have been that the budget you will be asked to adopt a little later would be $22,000 rather than the $66,000 proposed by the Finance Committee. We would have reported to you gifts of $22,000 rather than the gifts of $52,900.

Some of the gifts made by churches to the association in 1976 are the same gifts as they made in 1985.

So, the question is not in making adjustments in the budget or making adjustments in Sunday School rolls or adjusting any program. The question is one of COMMITMENT.

If the money designated for use in the proposed budget does not come in as gifts from our churches, we will not spend it.

But, if the COMMITMENT is there and your church wants a strong associational program. . .If your church wants a strong missions program. . .then the money will come. Not just the $62,000. We would see $107,000 to $161,000 given to the association as our churches reach the level of 2% and 3% in their giving.

Some of our churches have already caught the vision and committed themselves to the task of growth and development. Others have not.

The psalmist speaks to us. . .

It is now time to pay our vows. . .Psalm 116: 14.

Begin with COMMITMENT. First, keep the promises made to God and you will also keep the promises made to this association and your neighbor.

Let us pay our vows unto the Lord now, in the presence of all His people.

MINISTRY-ACTION BUDGET

SANDY RUN BAPTIST ASSOCIATION

October 1, 1985 — September 30, 1986

Missions is the purpose of the Association. The Associational Missions Program is a means by which the churches work together to reach people for Christ, train leaders, develop Christians, minister to human needs, and establish new churches and missions. All people, regardless of language, race, lifestyle or culture should have the opportunity of hearing and responding to the gospel. Ministry action budgeting is the process by which an association identifies needs, evaluates ministries, and funds actions for reaching its objective. The association thus seeks to utilize its financial resources in keeping with its mission.

OUR MINISTRY OF GENERAL ASSOCIATIONAL STAFF LEADERSHIP

Studying church, associational and community needs, planning mission strategy and ministering to churches and persons in need are a part of our reason for being. Our Director of Missions gives leadership and general direction to our total associational program.

OUR EDUCATION MINISTRIES — CHURCH DEVELOPMENT

This association exists to serve churches. Part of our missions is to assist the churches in their educational programs. This is done in program development and leadership training. Associational leaders interpret convention programs and assist churches in adapting them to meet their needs. They also enable churches to build their own programs when these are needed. Having association-wide training conferences for church leaders is another service to the churches.

DEDICATION COMMITTEE REPORT

The Dedication Committee recommends that the 1985 Annual Minutes of the Sandy Run Baptist Association be dedicated to the Reverend Otis J. Wheelhouse, Jr. and to Mrs. Allene K. Wheelhouse.

Reverend Wheelhouse has started his tenth year as Director of Missions for the Sandy Run Baptist Association. Over these years, he has proven to be a friend to all of our churches.

Mrs. Allene Wheelhouse has served eight years as Secretary/Treasurer/Clerk for this association. The past two years, she proved to be exceptionally helpful to our churches as they prepared to meet the new Social Security regulations..

Anytime our Director and/or Secretary can be of service, regardless of the day or the hour of the day, you will find them willing to help in any way that they can.

Broughton M. Strickland
Chairman, Dedication Committee

EVANGELISM COMMITTEE REPORT

The Evangelism Committee has been active with the Good News America Simultaneous Revivals (GNA) that will occur across the Southern Baptist Convention in March 1986.

The first training effort was a Pastor's Briefing Meeting held on February 11 at the First Baptist Church of Bostic. The GNA program was explained and each pastor present was given a copy of the ***Pastor's Manual.***

The Easter Evangelism Night was held at the Adaville Baptist Church on March 28.

A follow-up training session and Rally to the Regional Evangelism Conference held in Asheville on October 8, will be held at the Spencer Baptist Church on February 13, 1986. Each church present at the October 8 meeting received a ***Church Manual*** for the GNA Revivals. This training session in February will provide training for the committees recommended in this Church Manual. All SBC Churches will receive two of the ***Church Manuals*** in the mail prior to the New Year. Following the training session, a Rally will be held for everyone to help start the GNA emphasis. Every church is urged to take an active part in this major evangelistic effort.

PASTOR-CHURCH RELATIONS COMMITTEE

The Pastor/Church Relations Committee is a service committee to the association. This committee is chaired by the Director of Missions.

The very nature of the work of this committee and the constitutional guidelines under which it operates restricts the amount of information that can be made public.

The chairman of this committee was called upon twice this year in an unofficial capacity and once in an official capacity.

It is the desire of this committee to be used by the churches in times of crisis. The sooner this committee is activated usually the better. All actions are handled in a confidential manner unless given permission to use the information gathered.

Otis J. Wheelhouse, Jr., Chairman
Pastor/Church Relations Committee

THE ORDINATION COMMITTEE REPORT

The Ordination Committee is a service committee of this association. When properly requested, this committee will form an Ordination Council from all of the pastors and active deacons of this association to examine candidates for the pastorate, the church staff or the deaconate.

This committee convened the Ordination Council three times this year. The Council met on March 16, at the request of Cane Creek Baptist Church to examine Mr. Jerry Edward Campbell, who had been called as pastor of the Piney Knob Baptist Church, Rutherfordton, N. C.

The Council was convened on June 1, at the request of Temple Baptist Church to examine Mr. Jerry Wayne Brooks, who had been called by that church as their pastor.

On that same morning (June 1), the Council convened at the request of the First Baptist Church of Henrietta to examine Mr. Warren Scott Butler, who had been called as pastor of the Calvary Baptist Church, Mooresboro.

All three candidates were approved by the council and were ordained to the Gospel Ministry. (Mr. Campbell by Cane Creek, Mr. Brooks by Temple and Mr. Butler by Calvary.)

Joe Richards, Chairman
Ordination Committee

SUNDAY SCHOOL REPORT

Your Associational Sunday School Improvement Study Team (ASSIST) journeyed to Hickory on March 8, to receive the 1985 VBS special training. The team returned to hold an Early Bird Clinic at the Faith Church on March 18. The VBS Clinic was held on May 6 and 7, at the Florence Church.

The annual Sunday School Rally was held at the Bethany Church on September 10. A new format for the Rally was tried. This was called "An Old Fashioned Sunday School Singing Convention." The Sunday School emphases for the year were presented interspersed between the singing of five of our church choirs. The church choirs participating were Bethany, Camps Creek, Cliffside, Crestview, and Spencer.

A new attendance award was added to this Rally. the Rally Award had been given based on the percentage figured between those present and the average S. S. attendance for the year. The new Award recognizes that church with the most people present. This year both awards were won by the Crestview Church.

A special training night was held on September 30, at the Florence Church. The People Search/Scripture Distribution part of the Good News America Revival effort was explained.

Sunday School will have a big part in the success of the GNA Revivals. Plan to attend the February 13 Good News America Rally and training at the Spencer Church (7:00 P.M.)

Wayne Blackwood
Sunday School Director

HISTORY COMMITTEE REPORT

The Sandy Run Baptist Association will celebrate her Centennial in 1990. An attempt will be made to produce a history of the Sandy Run Baptist Association. Part of this history will be the history of each of the member churches. Church History Committees are urged to begin gathering materials for their histories.

WOMAN'S MISSIONARY UNION REPORT

The Associational W.M.U. Council offered a number of opportunities for training and inspiration in the past year.

The World Day of Prayer, held at the Race Path Church on November 5th was the first inspirational event. The attendance was good and everyone was inspired and blessed by the speaker, Mary Jo Starnes, as she shared with us information about her work in Korea. This program was planned by the Baptist Women's Director.

A Mission Action Conference was held at the Bethany Church on November 8, 1984. Representatives of PATH, Yokefellow and the Thermal Belt Youth Shelter explained their ministries and shared with the conferees ways and means that their institutions could be assisted. This was an activity planned by the Associational WMU Mission Action Director. The attendance was not good, but everyone present was challenged and inspired by the program.

Members of the Associational WMU Council were called upon in November to teach the Foreign Mission Study for 1984. We were able to do this in a number of the churches. We appreciated this opportunity to be of service.

All G.A. Leaders were invited to a brunch at the Victory Church on January 12, 1985. These leaders were involved in a mini conference on Missions Adventures and the Home Missions Study for 1985. Charlotte Fish, Director of the South Mountain Christian Camp presented a slide presentation and explained their ministry and how the facilities are used. Nine churches were represented.

A drop-in shower for the Thermal Belt Baptist Youth Shelter was held January 27. All the churches of the association were invited. Approximately 100 persons representing 25 churches responded to this invitation. Needed items of clothing, food, linens, etc. were brought. This was an activitiy planned by the Missions Action Director of the Associational WMU Council.

February was a very busy time. The Acteens met at the Corinth Church on February 15, to hear Audrey Robinson tell of her work in the Phillipines. It was a very moving experience for the 45 that attended.

The WMU Council was also called upon in February to teach the Home Missions Study in some of our churches.

March 15 and 16 found many of the WMU Council members at the State WMU Convention held at Winston-Salem. This was a very inspiring meeting as we learned to minister to people with special needs.

Pat Ritchie, the Baptist Young Women's Director for the N. C. Baptist WMU, met with us on March 23, for a "Dutch" luncheon meeting at the Western Steer Steak House. She related to us how you can minister and witness where you work and where you live. Twenty-two, representing ten of our churches were present for this treat.

A Prayer Retreat/Workshop was held on April 13 for all WMU Directors. This workshop dealt with learning to cope with crisis situations and helping others to learn to cope in these situations.

"By Love Compelled — Ministering to Persons of Special Need" was the theme of the Associational WMU Annual Meeting held at the Corinth Church on April 25. This meeting was a blessing to all who attended. The program personnel were all from this association. We were fortunate they were able to be with us.

Mattie Lackey, Director of the Church of the Exceptional, told of this church's beginning and explained their work with those who are physically, emotionally and often mentally handicapped. Lynn Butler, one of the exceptional members of this church, sang, "Because He Lives." This was a very moving experience.

Betsy McSwain showed slides of a recent Evangelistic Missions trip to Brazil. She shared with us how the team witnessed to the people there.

Sandra Huntley shared some of her experiences with us of her trip to Venezuela last summer. Her summer was spent working with MKs (missionaries' kids).

The Acteens of the Association gathered at the Crestview Church on May 10, for a Prayer Retreat. Bobby Jones, Music Director of the Caroleen Church, led this concerted prayer time. The 50 girls and their leaders present were encouraged to make prayer a part of their daily lives.

Seventy-five GAs and their leaders met at the South Mountain Christian Camp on May 24 and 25, for two days of Mission studies, Bible studies, physical fitness experiences and just plain fun and fellowship. This camp was led by the Associational GA Director, Carolyn Hardin and the Assistant GA Director, Sandy Huntley.

The Baptist Women of this association journeyed back to the year 1866 on June 17, as part of the Centennial Celebrations held across North Carolina celebrating 100 years of WMU ministry in North Carolina. Fashions of the past 100 years were modeled by the women and girls of this association. A brief historical sketch of the WMU was presented. Alva Marchman, the Associational WMU Centennial Chairman, was the coordinator of and the narrator for this event. Doris McEntire, Associational Baptist Women's Director, led us in a worship experience on love and how to share love. This was an enjoyable and inspiring meeting.

A personal contact was made with every church of this association by a member of the Associational WMU Council this past year. Many of our churches had more than one contact.

Our purpose is to serve the churches of our association — to help you provide mission study and ministries, to involve first of all you women and girls and then all the members of your church. We desire to work with you whenever possible. Please call on us if we can ever be of service.

This has been a very good year for the WMU. We give God the praise and the thanks for all that was accomplished.

Joann Shytle
Associational WMU Director

CHURCH TRAINING REPORT

"M" Night was held at the Race Path Baptist Church on November 26, 1984. The Reverend Randy Wadford, pastor of the First Baptist Church of Bostic was the special speaker of the evening. The Fairview Baptist Church received the Attendance Award. The Fairview Church had retired the previous Attendance Award for having won the award three consecutive years (1980, 1981 and 1982).

BROTHERHOOD REPORT

An Associational Brotherhood Training Clinic was held on February 12, at the First Baptist Church of Forest City. A special team from the Brotherhood Department of the North Carolina Baptist State Convention led this training.

Brotherhood remains the most viable method of involving men and boys in Missions: study, action, prayer and stewardship. Plan to start or strengthen your Brotherhood Program in 1986.

PROGRAM-REGISTRATION COMMITTEE

The efforts of this Committee are found elsewhere in these minutes as the Agenda for the 96th Annual Session.

The attempt to make a balanced program while allowing for the business of the association to be carried on is always such that the completed results will not please everyone. However, your committee feels that this year's program is sound and good and it does what it is supposed to do.

Our special thanks go to those members of the Holly Springs Church and Wall's Church whose efforts on our part made our task easier. Thank you for helping us park. . .to register. . .and not to get lost.

David Jones, Chairman
Program/Registration Committee

PROPERTIES COMMITTEE REPORT

Maintenance and upkeep of our building and grounds have again been a minimal task this year. There have been some minor plumbing repairs to the office building. The lawns around the office building and the small house have been well kept by an arrangement with the Thermal Belt Baptist Youth Shelter. Some major work has been accomplished:

1. Application was made with the Department of Agriculture, Soil Conservation Service, for some free materials to be used in erosion control of the shoulders of the road leading into the associational grounds. These materials were received and Nyal Harmon Landscaping Co. (Concord Church) did the necessary grading and sowing and installed pipe in the ditch from the driveway of the small house at the entrance of the property, down to Puzzle Creek Road.
2. Johnny Sisk (Crestview Church) installed the brick header at this same driveway and donated this work to the association.
3. Monty Dobbins (Goode's Creek Church) has made some minor repairs to the office building and built new well/pump house tops for the two wells on the property.

Plans are being developed now so that our church groups will be able to begin using our associational grounds for various activities.

Malone Thomason
Chairman, Properties Committee

CHURCH MUSIC REPORT

One hundred eighty-three people from fourteen churches attended the Children's "Share-a-Song" Saturday, March 23, 1985, at Floyd's Creek Church. Church music leaders led children in music activities, graded choir rehearsals, presenting anthems and a short worship service. There were thirty-four leaders and one-hundred forty-nine children involved in this fun and educational church music experience.

Curt Frederick
Music Director

PLACE AND PREACHER COMMITTEE REPORT

The preacher for the Annual Sermon will be the Reverend Hubert Street, pastor of Goode's Creek Baptist Church. The alternate speaker will be the Reverend Chester Waters, pastor of the Mt. Pleasant (R) Baptist Church.

David A. Jones, Chairman
Place and Preacher Committee

BAPTIST HOSPITAL REPORT

Baptist Hospital is committed to making available to its patients the most advanced medical technology in an atmosphere of Christian caring.

New technology brought into service during the past year includes a magnetic resonance scanner which uses a strong magnetic field, radio waves, and computer techniques to obtain images of the body's organs and tissues without using ionizing radiation. During the past year, the hospital also introduced a procedure to remove kidney stones by passing a large needle into the kidney and then breaking up the stones with untrasound or snaring them with a tiny basket. Medical Center cardiologists have helped to develop a dual-chamber pacemaker which helps to regulate the pace of an ailing heart so that its function is more similar to that of a healthier heart. Also, cardiologists are now using streptokinase to effectively dissolve clots in the coronary arteries. In another development, many cancer patients are now benefiting from a new device which makes intravenous injections of drugs unnecessary. Our Medical Center surgeons helped develop this device called a Port-A-Cath. One other seemingly small development this year, but with important consequences, is the discovery by pediatricians that partial bathing of babies in the intensive care nursery rather than total bathing allows the body temperature to remain constant instead of dropping.

These new discoveries help assure Baptist Hospital patients of a high quality of professional care. Equally important, however, is the emotional and spiritual environment in which this care is provided. Through department staff meetings, through staff education programs, through an ongoing program of new employee orientation, the hospital seeks to preserve an atmosphere of Christian caring and concern. The specific functions of the Pastoral Care Department and the Patient Relations Department contribute to the hospital's effort to minister "with skill and understanding."

During the past year, our hospital admitted 25,140 patients for a toal of 213,038 days of care. Ambulatory patient visits including the Bowman Gray Department of Clinics totalled 243,096. The hospital has 701 licensed beds, employs 3,537 persons and has a operating budget of $124,187,316. The Department of Pastoral Care made 57,849 visits with patients, family members, and employees and provided 21,194 hours of counseling through the Winston-Salem center and the various satellites.

Last year, North Carolina Baptists gave their hospital $541,255.16 in financial support through the Cooperative Program and $367,712.33 through the North Carolina Missions Offering. The hospital staff and the patients are deeply grateful for this continuing support.

The hospital is currently involved in another expansion program which will include new parking areas, a new inpatient tower, a clinical service building, and additions to the power plant as well as renovation and alterations of existing space. The total cost of this project is estimated at $86,344,000.

BIBLICAL RECORDER REPORT

Last year our Baptist State Paper, The Biblical Recorder, moved into its own building. This was the first full year of operation in the "Biblical Recorder Building." This building was dedicated last year (October 9) debt free. Ownership of the building has resulted in the overhead cost of the operation of the paper being reduced. This saved the cost that had gone for rent at the old site of the paper. This saving has enabled the Recorder to be published and mailed without raising the subscription rates this year. The rates remain $7.00 per year; $6.00 per Club Plan and $5.00 for the Every Member Plan.

The Recorder is a very newsy paper. It does an excellent job reporting the news that is taking place in our Southern Baptist denominational life. It always informs us concerning our missions efforts here in the state and around the world, Special emphasis has been given to the effort of North Carolina Baptists working with the Baptists of Togo, Africa.

The Recorder is the best single source of reliable information about Baptist. The articles in the Recorder are challenging, inspiring and up-to-date. On the average, those churches receiving the Recorder have a better stewardship record than those that do not.

Is the Recorder received by the families of your church? If not, an offer is being made by the Recorder to introduce every church family to the Recorder. The Recorder will put any church's mailing list into the subscription system for 90 days free of charge and without any obligation other than that the congregation will discuss in a regular business session the matter of including the paper in the church budget. For details, call Bob Wachs at the Recorder (919) 847-2128.

Biblical Recorder Representative

BAPTIST CHILDREN'S HOMES REPORT

The mission of the Baptist Children's Homes of North Carolina, Inc. is to care for the dependent, neglected and homeless children; emotionally disturbed children; unwed mothers and their children; and the rendering of related services to their relatives. The broad purpose of the Institution embraces services directed toward the preservation, conservation and rehabilitation of families to avoid, whenever possible, the placement of the children away from home.

This year marks the 100th year of quality child care offered by North Carolina Baptists through their Baptist Children's Homes. During this Centennial year, the Children's Homes served 1,517 children and 1,167 families.

A special program, "100 Years of Caring," is available on Video Cassette from the Associational Office, giving you an historical update on the work of the Children's Homes.

The Emergency Care Shelter located at Forest City and operated under joint agreement with the Children's Homes and the Sandy Run, Green River and Polk Associations, has been operating at about capacity level for the year.

At the North Carolina Baptist State Convention on November 12, a special choir of the combined voices of the children in care will sing for the convention.

The start of the new year will see the start of the ministry of the Moody Farm Ministries in Macon County. The many friends of the Children's Homes has enabled the first building to be opened debt free.

You are urged to "continue the task." The reports are good but the work is not yet complete.

BAPTIST RETIREMENT HOMES OF NORTH CAROLINA, INC. REPORT

For over 34 years, N. C. Baptists have been ministering with older adults through the Baptist Retirement Homes of North Carolina. The Homes' ministry is one that works — providing security and hope in the midst of sincere concern and love — bringing about the possibility for abundant life — one with a plus. This is all happening in the name of North Carolina Baptists through the "Baptist" Retirement Homes.

The Retirement Homes' policy makers, your Trustees, and the Homes' Adminstrative Staff have put untold amounts of time and energy into addressing the changing scene of retirement living. This serious effort has enhanced the viability and efficiency of the Homes' ministry. Serious questions still face the Retirement Homes.

What forms must the Homes' ministry take to meet the increasing needs created by the growing numbers of older adults? How will facility needs be met with limited financial resources? These and many more issues are under serious study and consideration by your Trustees and Administrative Staff. The Homes have a rich heritage of ministry. Building on the strengths of this heritage, the Homes with the growing support of North Carolina Baptists will effectively meet the needs of many more older persons.

The following are some of the facts concerning the ministry of the Homes during the recorded period from August, 1984 until June, 1985:

— The Retirement Homes had an average occupancy of 244 residents in the five group homes, Nursing Care Unit and apartments.

— Over 30 new residents were admitted to the Homes and Nursing Care.

— Over $100,000 of benevolent care was provided monthly to Home residents. Sixty cents of each benevolent care dollar was provided through Cooperative Program and North Carolina Missions Offering Gifts.

— "Heart to Heart" Christmas gifts from friends of the Retirement Homes provided each resident with a $20 gift.

— The Homes Nursing Care Unit, Winston-Salem, can now care for 85 persons. Conversion of eleven Hayes Home rooms made this increase possible. The Nursing Care Unit is operating at 95% plus occupancy.

— The Retirement Homes do have vacancies. Please request admissions information from Mr. Jackson S. Hoyle, Administrative Offices, Winston-Salem, N. C.

— After more than 24 years of service to North Carolina Baptists and the Retirement Homes, Homes' President Bill Poole, retired. Jackson Hoyle is serving as Interim Director.

— The fiscal year ending September 30, closed in the black, largely due to special gifts.

The Baptist Retirement Homes' mission is to continue providing the most important dimension to meeting the needs of older adults — Christian compassion. The Retirement Homes provide care beyond the required minimums. Thanks to your mission support, care of which we know you would be proud of is provided.

BAPTIST STATE CONVENTION OF N. C.
GENERAL BOARD REPORT

The General Board of North Carolina Baptists functions in a way similar to the Executive Board of an association in that it acts as the convention between the annual sessions. Two members from each association make up the board in addition to several members that are elected at-large.

Meetings this year have been highlighted by reports from the various agencies of the convention and the committees of the General Board. At this date, the work of North Carolina Baptists progresses appreciatively as we work to achieve the goals of Bold Missions Thrust.

Highlights from the General Board's meeting at Caraway on September 23-24, 1985 are as follows:

Richard Smith reported that the financial condition of North Carolina Baptist Convention is in good shape. We have received 1.03 million dollars more this year than we had at the same juncture in time last year. In addition we currently have 207,000 dollars more income than expenditures for this year. The Cooperative Program Funds thus far are 15,468,000 dollars representing a 7.4 per cent increase. The World Missions Offering is thus far 5,720,830 dollars, the Home Mission Offering is 3,111,891 dollars and the North Carolina Mission offering is at this point at 356,484 dollars. Each of these represents a significant gain over last year.

The Program Emphasis committee presented its report and revealed that the Program Emphasis for 1986 through 1990 will be "Sharing the Dream". This calls upon North Carolina Baptists to establish among other things 250 new churches. The report is an attempt to apprise North Carolina Baptists of the need to minister to the new groups of people that are moving into our state. There is much diversity in our State represented by the fact that we are the most rural of all fifty states of the United States and yet the concentration of individuals with PH.D.'s is the highest in the Research Triangle of any one area within the United States. There is a great need for North Carolina Baptists to be aware of the opportunities for ministry.

Respectfully submitted,
F. Thomas Jenkins, Representative

SOUTH MOUNTAIN BAPTIST CAMP REPORT

The churches of Region 8 of North Carolina Baptists can praise the Lord because God really blessed their camp this summer. There were 1,132 who attended our regular camps. Many visitors came each week. There were 1,121 attending day camps and retreats. All of us were challenged by the consideration of our theme, "All For Jesus."

Staffers and campers were urged to be involved in prayer that all would have a personal experience with God. Each day the campers were in class on the Christian Life and involved in the ministry of prayer. Each day in Chapel, we presented world-wide prayer projects.

It was exciting to hear many of the campers give their testimonies about their experiences with God. Join us in prayer that these campers will continue to grow spiritually and become involved in prayer and witnessing daily.

Support us in your prayers and finances that our Retreat Center will be completed soon.

T. A. Lineberger. Director

ASSOCIATIONAL STUDY COMMITTEE REPORT

The Messengers to the 95th Annual Session empowered the Moderator to form a "Special Study Committee" of five to: "develop a study to evaluate the ministries, determine the needs and establish appropriate goals for our Association." This committee was directed to request the assistance of Dr. George E. Shore, Director of Associational Development of the North Carolina Baptist State Convention, in this study process. The results of this commmittee's work were to be shared at the association's Executive Board meeting scheduled for March 26, 1985.

This committee of five was expanded later in the Annual Meeting by a vote of the messengers to seven, with two members being from "small" churches. The Moderator Rev. A. Graham Brooks, appointed the committee members as follows: Rev. Joe Richards (Sandy Mush), Chairman; Dr. Thomas Jenkins (Forest City First); Rev. Earl Waters (Concord); Rev. Ronald McSwain (Mt. Pleasant-C); Dr. Wayne Blackwood (Bethel); Rev. Robert Haynes (Mt. Olivet); Rev. Gary McNair (Smith Grove).

The Director of Missions contacted Dr. Shore, who graciously agreed to work with this committee. As the committee "got into the work" and the scope of the task became clearer, it became evident that we would not be able to meet the March 26 reporting time. The Executive Board, mneeting on January 31, 1985, approved extending this reporting time until this annual session meeting. This committee met twice with Dr. Shore, several times together and with the Moderator and Director of Missions.

Reverend Chester Waters (Mt. Pleasant-R) and the Rev. Bobby Jones (Caroleen) were later appointed to this committee to fill the vacancies left on the commmittee by the resignations of Rev. McSwain and Rev. McNair.

Through a study of the associational records covering the past ten years; the use of a questionnaire mailed to all pastors, staff members and selected lay persons of all of our churches; area meetings to which all of our churches were invited to attend and participate; and discussions at two pastors' conferences, this committee working with Dr. Shore and using the summary of all this material, selected five areas felt to be basic concerns of this association. These areas are: 1) Identity; 2) Programs; 3) Family; 4) Evangelism; and 5) Missions.

This Associational Study Committee was enlarged to five subcommittees. Each subcommittee was assigned one of the concern areas, to study the particular concern and bring suggestions and recommendations as how the association can deal with these areas. The listing of these subcommittees is made a part of this report for your information.

The vacancy on this committee resulting from the resignation of Rev. Robert Haynes was not filled. The Committee members felt that the work had progressed to the point where it would be difficult for a new committee member to become informed and involved in the work process of the committee. The work area assigned to Rev. Haynes was taken on by the other committee members.

These subcommittees will be making suggestions and recommendations to the association as they are developed. The work of these subcommittees is viewed as at least a three-year program process. Two preliminary reports, Programs (Area 2) and Missions (Area 5), are attached for your information.

This committee expresses its thanks to Dr. George Shore; our pastors; staff members; the lay persons of our churchs; the Moderator, Graham Brooks and our Director of Missions, Otis Wheelhouse, for their help, consideration, understanding and patience as this committee made the initial survey and study as directed by this association.

ASSOCIATIONAL STUDY COMMITTEE

IDENTITY SUBCOMMITTEE

The committee held its first meeting on October 22. At that time a summary was made of the data gathered by the study committee. The work of the association from a historical perspective was evaluated and the needs that were researched by the study committee were reviewed. Areas of critical concern were emphasized and much discussion was made about directing the resources of the association to meet specific needs.

The committee decided that its work will be impeded without a statement of purpose and objectives for the association. The definition and function provided in the constitution of the association may be inadequate for present day needs of the churches. The committee makes no recommendation at this time but will continue to research this need.

Respectfully submitted,
F. Thomas Jenkins, Chairman

MISSIONS SUBCOMMITTEE REPORT

Responding to the need for expansion and improvement in "Missions" expressed by the churches through the Associational Self-Study requested and authorized by the Association in its Ninety-Fifth Annual Session, the Missions Subcommittee respectfully recommends the following:

1) That the churches provide a Summer Missionary in 1986, for the purpose of planning, coordinating, and conducting programs for children and youth such as Backyard Bible Clubs and/or Mission Vacation Bible Schools in areas not effectively reached by our churches, to assist smaller churches with similar needs as requested by the leadership and enlisting the services of qualified persons from the local churches.

   That this program be under the direct supervision of the Director of Missions and the Missions Committee.

   That the Associational Finance Committee recommend a Plan for the monetary support of this program and

2) That the churches which have not already done so, receive a "Special Offering" and/or provide labor and materials toward the construction and furnishing of the proposed Chapel 096 at the North Carolina Correctional Center in Spindale, N. C.

Your Missions Subcommittee requests your prayers as it continues to serve through a continuing program of long-range projections and planning for the Association.

Respectfully submitted,
Earl Waters, Chairman

ASSOCIATIONAL STUDY COMMITTEE

PROGRAMS SUBCOMMITTEE

Association Programs Need to be Designed and Evaluated on the Basis of How They Are Meeting the Needs of Our Churches.

The subcommittee chose to consider the topic on the basis of three (3) key words: Design, Evaluate, and Needs. Several current problems were identified. These problems were:

1. Lack of communication between associational program directors and program directors in the churches.

2. Lack of attendance of church leaders at associational program workshops, rallies, etc.

3. Lack of knowledge and/or understanding of church needs by associational program directors.

4. Lack of knowledge and/or understanding by church leaders of what is offered by the associational programs.

To meet and overcome these problems the subcommittee recommends the following actions:

1. That a key leader of communications be elected by each church. This key leader would be responsible for receiving information from associational program directors and communicating that information to the proper program director and leaders within the church. Also this key leader would encourage attendance to workshops, rallies, etc.

2. That the associational program directors design a questionnaire to be sent to the pastor, Sunday School Director, Church Training Director, Brotherhood Director, Women's Missionary Union Director, and Music Director. This questionnaire would be designed to determine the needs of the churches in each program area.

3. That the associational directors develop at least one workshop for each of the program areas based upon the needs discovered by the questionnaire.

4. That the association encourage the development of these programs in churches which do not currently have them.

5. That the association report to church directors and pastors each quarter the attendance at workshops held during the preceeding quarter.

6. That the council of Associational Directors meet each quarter to evaluate the effectiveness of programs in meeting the needs of the churches.

Respectfully submitted,
Wayne Blackwood, Chairman

ANNUITY BOARD REPORT

Southern Baptist Churches have not always clearly seen the need to provide their ministers with retirement income accounts. Many thought Social Security and personal savings would be enough for anyone living in retirement.

Of those churches that provided their ministers with an account, most were usually not able to contribute enough money to generate adequate retirement benefits.

The result has been too many annuitants with inadequate retirement income to maintain their pre-retirement standard of living.

In response to this need, Annuity Board trustees appointed a Church Pension Study committee to study the needs of Southern Baptist church personnel and recommend a new Church Annuity Plan to fulfill those needs. In 1982 the committee completed its work and recommended the new Church Annuity Plan.

This new retirement plan met enthusiastic support from the state conventions. The Board is optimistic that most Southern Baptist churches will have their staff members in the new retirement plan in 1988.

Effective January 1, 1988, the new pension plan will allow ministers the ability to generate three dollars for each dollar they contribute. The church will match the individual's initial contribution on a two-for-one basis, up to 10 percent of pay. After the required contributions

are made by the individual and church, the state convention will match one-half of the church's contributions up to $35 per month for each participant.

NORTH CAROLINA WILL VOTE ON THE ADOPTION OF THIS PLAN AT THE BAPTIST STATE CONVENTION IN NOVEMBER.

There are some basic changes proposed in this new plan that need to be understood by the member and the church.

1. A member is expected to contribute to the plan BEFORE the church is required to contribute. This may be done by making a written salary reduction agreement or by making an after-tax contribution.

2. The church will contribute an amount equal to twice the amount of the Member's contribution, not to exceed 10% of the Member's compensation. This means for the member to receive 10% from the church he/she must contribute 5%. The church is allowed to make this 5% payment for the Member.

3. The State Convention will contribute an amount (up to $420 per year) equal to one-half the amount the church contributes on behalf of its ministers and staff members. However this amount will not exceed $35 each month for each participant. This State Convention contribution will be allocated:
    1) The first $210 will be allocated to the Protection Benefit Fund to provide long-term disability and death benefits.
    2) Any amount over the first $210 will be allocated to the Member's State Convention Contributions Account and invested as directed by the member.

Under the ***present*** Annuity Plan, the church enters the member into the plan. The minimum payment now being $34.34 a month. This has proven to not generate enough retirement income. This was based on an annual income of $4,000 and the retirement was considerably less. The churches were urged to contribute at least 10% of the member's compensation as a worthy retirement goal. Entry into the plan gave the member a $200 a year amount paid by the State Convention for long-term disability and death benefits.

The new plan is clearly a step toward providing greater security for the pastor and church staff. However, there is the possiblity that a present member could lose his present State Contribution if the compensation from the church under the new plan does not increase to $420 per year.

Messengers to the convention should have clear thoughts on this before they vote in November.

Pray for Associational Missions

Some interest has been expressed in a bowling league for 1986. This will be investigated. If your church is interested in placing a team or teams on a bowling league, please let your Recreation Committee know or contact the Associational Office.

The Christian Witness on the athletic field is one of the most influential witness a church can make. The lost come into direct contact with Christian sportsmanship and fellowship. Used wisely, Recreation can be a mighty outreach tool for evangelism.
